TYCOLE Bouquet Building Set T2122 Instruction Manual

1. SAFETY INFORMATION

Warning! Choking hazard. Small parts. Not suitable for children under 3 years of age.

This building set contains small components that could pose a choking risk if swallowed. Adult supervision is recommended for younger users. The manufacturer recommended age for this product is 6 years and up.

2. INTRODUCTION

Thank you for choosing the TYCOLE Bouquet Building Set, Model T2122. This creative construction toy allows you to assemble a beautiful and unique floral bouquet from building blocks. Designed to enhance motor skills and provide a relaxing building experience, the finished bouquet serves as an elegant decorative piece for any space. This set features 13 stems of 9 different types of flowers and leaves, offering a rich variety for your arrangement.

3. WHAT'S IN THE BOX

Your TYCOLE Bouquet Building Set includes:

- Assorted Building Blocks for creating the floral bouquet.
- Detailed instruction manual (color-printed).

Note: A vase for displaying the finished bouquet is not included in this set.

4. ASSEMBLY INSTRUCTIONS

Follow the step-by-step instructions provided in the included color manual to assemble your bouquet. The manual is designed for clarity, guiding you through the construction of each flower and leaf component.

4.1 Identifying Components

Before you begin, familiarize yourself with the various flower and leaf types included in your set. The instruction manual will guide you on which pieces to use for each part of the bouquet.

4.2 Step-by-Step Assembly

The assembly process is divided into numbered bags, typically nine, corresponding to sections in the instruction manual. Work through each section methodically.

1. Open one numbered bag at a time to avoid mixing parts.
2. Refer to the diagrams in the manual for correct placement and orientation of each block.
3. Ensure all connections are secure to prevent parts from detaching.

5. ARRANGEMENT AND DISPLAY

Once all individual flower and leaf components are assembled, you can arrange them to create your personalized bouquet. The design allows for flexibility in display.

- **Adjustable Petals:** Some flower petals can be adjusted to create a more open or closed bloom effect.
- **Adjustable Leaves:** Leaves on the stems can be repositioned to achieve your desired aesthetic.
- **Adjustable Branch Length:** The length of the flower stems can be adjusted by adding or removing segments, allowing the bouquet to fit various vase heights.

Experiment with different arrangements in a vase (not included) to find the perfect display for your home or office.

6. CARE AND MAINTENANCE

To keep your TYCOLE Bouquet Building Set looking its best, follow these simple care instructions:

- **Cleaning:** Dust the assembled bouquet periodically with a soft, dry cloth or a soft brush. For more stubborn dirt, a slightly damp cloth can be used, but avoid excessive moisture.
- **Storage:** If disassembling for storage, keep all parts in a secure container to prevent loss.
- **Avoid Direct Sunlight:** Prolonged exposure to direct sunlight may cause colors to fade over time.

7. TROUBLESHOOTING

- **Missing Parts:** If you find any parts are missing from your set, please contact TYCOLE customer support with your product model number (T2122) and details of the missing components.
- **Difficulty Assembling:**
 - Review the instruction manual carefully, paying close attention to the diagrams.
 - Ensure you are using the correct pieces for each step.
 - Sometimes, a firm push is needed to connect blocks securely.
 - If a step seems unclear, try looking ahead to subsequent steps for context.
