ONBRILL PASF001A

ONBRILL Egg Chair User Manual

Model: PASF001A

INTRODUCTION

Thank you for choosing the ONBRILL Egg Chair. This manual provides essential information for the safe assembly, operation, and maintenance of your new chair. Please read these instructions carefully before use and retain them for future reference.

SAFETY INFORMATION

WARNING: This product requires assembly. Always follow the assembly instructions carefully to ensure safe and proper use. Do not exceed the maximum weight limit of 550 lbs. Keep the product away from heat sources and open flames to avoid fire hazards.

PACKAGE CONTENTS

Before assembly, ensure all parts are present and undamaged. If any parts are missing or damaged, please contact ONBRILL customer support.

- Chair Frame Components (Parts A, B, C, D, E, F)
- Thick Cushions (Seat and Back)

- Hardware (Screws, Washers, Allen Wrench)
- Instruction Manual

SETUP (ASSEMBLY)

Assembly is designed to be straightforward. We recommend a 2-person assembly for the smoothest experience. Keep all screws loose initially and tighten them only after all parts are aligned.

Easy Installation Tip

Follow the 3 steps. And remember- Keep screws **loose** first.
Align all holes. **Tighten** at the end.

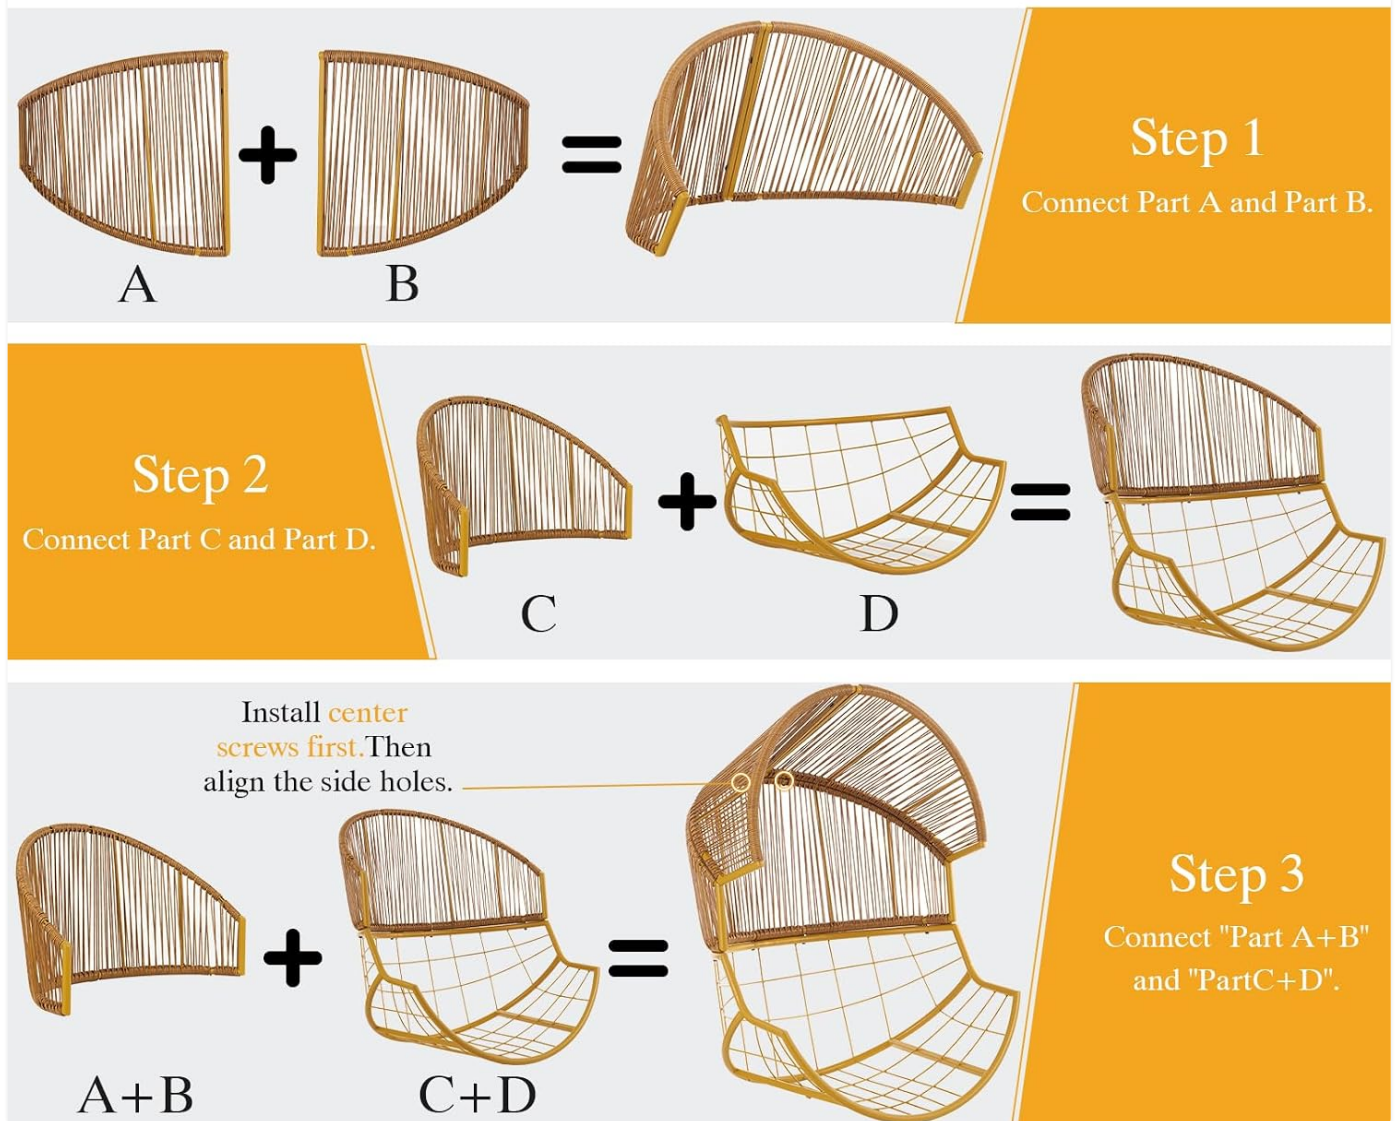

Image: Visual guide for the three-step assembly process, showing parts A, B, C, D, and their connections.

Assembly Steps:

1. **Step 1: Join Part A & Part B.** Connect the two upper curved sections of the chair frame.
2. **Step 2: Join Part C & Part D.** Connect the two lower curved sections of the chair frame.
3. **Step 3: Connect (A+B) & (C+D).** Secure the center screws first, then align the side holes. Once all parts are connected and aligned, tighten all screws completely.

OPERATING (USAGE)

The ONBRILL Egg Chair is designed for both indoor and outdoor use, offering a comfortable and stylish seating option.

Key Features:

- **Oversized Design:** Provides ample space for comfort, including an extended backrest suitable for taller individuals.
- **Thick Cushions:** High-density cushions offer superior lumbar support and a soft seating experience.
- **Sturdy Construction:** Reinforced powder-coated steel base supports up to 550 lbs, ensuring stability.
- **Versatile Placement:** Suitable for living rooms, bedrooms, sunrooms, patios, gardens, and backyards.

MAINTENANCE

Proper care will extend the life and appearance of your ONBRILL Egg Chair.

- **Frame:** The powder-coated steel frame is designed for durability. Wipe clean with a damp cloth and mild soap. Avoid harsh chemicals.
- **Wicker:** The PE wicker is weather-resistant. Clean with a soft brush or cloth and mild soapy water. Rinse thoroughly and allow to air dry.
- **Cushions:** The cushions feature sunproof/waterproof fabric. Spot clean with a mild detergent and water. For deeper cleaning, refer to the care label on the cushion. Ensure cushions are completely dry before storing or prolonged use to prevent mildew.
- **Storage:** During prolonged periods of non-use or harsh weather conditions, it is recommended to store the chair indoors or cover it with a protective furniture cover to prevent wear and tear.

TROUBLESHOOTING

If you encounter issues during assembly or use, refer to these common solutions.

- **Difficulty aligning parts during assembly:** Ensure all screws are kept loose until all major components are connected. This allows for flexibility to align holes. Then, tighten all screws securely.
- **Chair feels wobbly after assembly:** Double-check that all screws are fully tightened. Ensure the chair is placed on a flat, even surface. The chair features adjustable feet for uneven floors.
- **Cushions sliding:** The cushions are designed with ties to secure them to the chair frame. Ensure these ties are properly fastened.
