

## Voice Caddie SL mini

# Voice Caddie SL mini Golf Laser Rangefinder User Manual

Brand: Voice Caddie | Model: SL mini

## INTRODUCTION

Welcome to the user manual for your new Voice Caddie SL mini Golf Laser Rangefinder. This compact and lightweight device is designed to provide accurate distance measurements and advanced features to enhance your golf game. Please read this manual thoroughly to understand the full capabilities of your device and ensure proper usage and maintenance.

## PRODUCT OVERVIEW & KEY FEATURES

The Voice Caddie SL mini is a state-of-the-art golf laser rangefinder packed with features to help you on the course.

- **Compact & Lightweight Design:** Measuring 86.2mm × 33.0mm × 59.3mm and weighing only 130g, it fits comfortably in your palm.
- **External OLED Display:** Provides Course View, Green View, and Real Green Simulation for comprehensive course information.
- **Dual Display:** Features an internal LCD (Black/Red display) within the scope and an external OLED for versatile viewing.
- **Ball to Pin Feature:** Precisely measures the distance from your ball to the pin.
- **Pin Tracer:** Automatically detects and locks onto the pin for accurate measurements.
- **V-Algorithm:** Advanced algorithm for enhanced accuracy.
- **Slope/Non-Slope Mode:** Easily switch between modes to comply with tournament rules or get compensated distances.
- **6X Optical Magnification:** Clear and bright optics for easy target acquisition.
- **Fast Measurement Speed:** Achieves measurements in just 0.1 seconds.

- **USB-C Rechargeable:** Convenient and modern charging via USB-C.
- **Life Waterproof:** Designed to withstand light rain and splashes.

## SETUP

### 1. Unboxing and Initial Charge

1. Carefully remove the Voice Caddie SL mini from its packaging.
2. Verify that all included items are present: main unit, dedicated pouch, USB-C charging cable, instruction manual, and cleaning cloth.
3. Before first use, fully charge the device using the provided USB-C cable and a compatible USB power adapter (not included). The charging port is located on the device.

### 2. Power On/Off

- To power on, press and hold the power button until the display illuminates.
- To power off, press and hold the power button until the display turns off.

# OPERATING INSTRUCTIONS

## 1. Basic Distance Measurement

1. Look through the eyepiece and aim the crosshairs at your target.
2. Press the measurement button once to activate the laser. The distance will be displayed almost instantly (0.1 seconds).
3. For continuous scanning, press and hold the measurement button while sweeping across multiple targets.

## 2. Slope Mode and Non-Slope Mode

- The SL mini features a switchable slope function that provides elevation-compensated distances.
- To toggle between Slope (compensated distance) and Non-Slope (actual distance) modes, refer to the device's mode button. A visual indicator on the display will confirm the active mode.

## 3. Pin Tracer and Ball to Pin Features

- **Pin Tracer:** This feature helps to quickly and accurately lock onto the flagstick, even with background objects. When activated, the device will vibrate slightly to confirm pin lock.
- **Ball to Pin:** This function allows you to measure the distance from your current ball position to the pin, providing precise yardage for your approach shot.

Figure 3: The internal display showing the distance to the ball and the pin, utilizing the Ball to Pin feature for strategic play.

## 4. External OLED Display (Course View / Green View)

- The external OLED screen provides a graphical representation of the course or green.
- **Course View:** Displays an overview of the hole, including hazards and distances.
- **Green View / Real Green Simulation:** Shows the contours and undulations of the green, helping you to better read putts.

## 5. App Integration

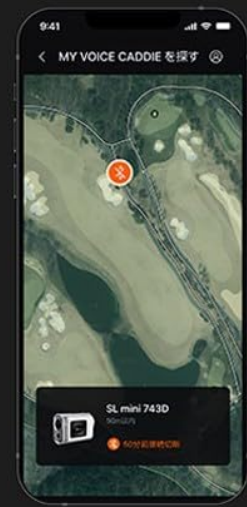

- The SL mini can connect with the MyVoiceCaddie app for additional features and course data.
- Download the MyVoiceCaddie app from your device's app store.
- Follow the in-app instructions to pair your SL mini via Bluetooth.
- Features like "Find My SL mini" and advanced course layouts may be available through the app.

## MAINTENANCE

- **Cleaning:** Use the provided cleaning cloth to gently wipe the lenses and the device body. Do not use abrasive materials or harsh chemicals.
- **Storage:** Store the device in its dedicated pouch in a cool, dry place when not in use. Avoid extreme temperatures and direct sunlight.
- **Battery Care:** To prolong battery life, avoid fully discharging the battery frequently. Charge the device regularly, even if not in constant use.

## TROUBLESHOOTING

Problem	Possible Cause	Solution
---------	----------------	----------

Problem	Possible Cause	Solution
Device does not power on.	Low or depleted battery.	Charge the device using the USB-C cable.
Display is dim or unreadable in bright sunlight.	Brightness setting is too low.	Adjust the display brightness. (Typically by pressing and holding the mode button, then short pressing to cycle brightness levels, then long pressing to confirm).
Inaccurate distance readings.	Obstruction in laser path, dirty lens, or unstable aiming.	Ensure a clear line of sight, clean the lenses, and hold the device steady. Use Pin Tracer for flags.
Device does not connect to app.	Bluetooth is off, app not updated, or device not in pairing mode.	Ensure Bluetooth is enabled on your phone, update the app, and follow app pairing instructions.

## SPECIFICATIONS

Feature	Detail
Dimensions	86.2mm × 33.0mm × 59.3mm
Weight	130g
Color	White
Optical Magnification	6X
Measurement Range	5 ~ 800 yards (1yd = 0.91m)
Error Range	Within 1 yard
Internal Display	LCD (Black/Red)
External Display	OLED
Power Source	USB rechargeable lithium-ion battery (USB-C type)
Water Resistance	Life waterproof
Laser Standard	Class 1M
Manufacturer	VC INC.
Country of Manufacture	China

## WARRANTY AND SUPPORT

Your Voice Caddie SL mini Golf Laser Rangefinder comes with a warranty to ensure your satisfaction.

- **Warranty Period:** The product is covered by a 1-year warranty from the date of purchase. Other components, including the battery, are covered for 6 months.
- **Important Warranty Information:** Products purchased from unauthorized retailers in Japan, such as

parallel imports and stores like Seventhree Store, GOTO Land, Denshi Tonya, and Akiba Soko, are not covered by this warranty or eligible for repair services. All genuine Voice Caddie products are managed by serial number. We cannot address issues arising from purchases made at unauthorized retailers.

- **Contact Support:** For any questions or support needs, please contact the authorized seller or Voice Caddie customer service.
