Swarovski SK6011

Swarovski SK6011 Square Sunglasses User Manual

Model: SK6011

1. INTRODUCTION

These instructions provide guidance for the proper use and care of your Swarovski SK6011 Square Sunglasses. Designed with a beige transparent frame and gradient brown lenses, these sunglasses feature multi-shaped cut stones on the hinges and temple tips, offering both style and functionality. Adhering to these guidelines will help maintain the quality and longevity of your eyewear.

2. SETUP AND WEARING

To ensure optimal comfort and vision, follow these steps when wearing your sunglasses:

1. **Positioning:** Gently place the sunglasses on your face, ensuring the nose pads rest comfortably on your nose bridge and the temples extend over your ears without pressure.
2. **Adjustment:** The frame is designed for a secure fit. Avoid excessive bending or forcing the frame, as this may damage the structure or the decorative crystals.
3. **Visual Check:** Look through the lenses to confirm clear, unobstructed vision. The gradient brown lenses are designed to provide comfortable light filtration.

3. OPERATING (USAGE)

Your Swarovski SK6011 sunglasses are designed for daily use and offer essential eye protection:

- **UV Protection:** The lenses provide 100% UV protection, shielding your eyes from harmful UVA and UVB rays.
- **Intended Use:** These sunglasses are suitable for general purpose use and are not intended for direct observation of the sun, use in a solarium, or as eye protection against artificial light sources.
- **Driving:** The gradient lenses are suitable for driving. However, exercise caution when driving at dusk or night, or in conditions of poor visibility, as they may reduce light transmission.

4. MAINTENANCE AND CARE

Proper care extends the life and appearance of your sunglasses:

- **Cleaning:** Use the provided cleaning cloth to gently wipe lenses and frames. For stubborn smudges, use a mild soap solution and rinse with lukewarm water, then dry with the cleaning cloth. Avoid abrasive cleaners or paper towels.
- **Storage:** When not in use, store your sunglasses in the provided case to protect them from scratches, dust, and impacts. Avoid leaving them in direct sunlight or extreme temperatures (e.g., on a car dashboard).
- **Handling:** Always hold the sunglasses by the frame, not the lenses, to prevent smudges and potential damage.
- **Avoid Chemicals:** Do not expose sunglasses to harsh chemicals, solvents, or perfumes, as these can damage the frame, lenses, or crystal embellishments.

5. TROUBLESHOOTING

If you encounter any issues with your sunglasses, consider the following:

- **Loose Screws:** If a screw on the hinge becomes loose, gently tighten it with a small eyewear screwdriver. Avoid overtightening.
- **Smudged Lenses:** Refer to the cleaning instructions in Section 4. Ensure the cleaning cloth is clean and free of debris.
- **Discomfort:** If the sunglasses feel uncomfortable or misaligned, visit a professional optician for adjustment. Do not attempt to bend the frame yourself.
- **Damaged Crystals:** For any damage to the crystal embellishments, contact Swarovski customer support or an authorized repair center.

6. SPECIFICATIONS

Feature	Detail
Model Number	SK6011
Frame Type	Square
Frame Color	Beige Transparent
Lens Color	Gradient Brown
Lens Width	55 Millimeters
