SETUP AND ASSEMBLY

Assembly is recommended for 1 person. Tools required: Hex Key, Screwdriver (included). Follow these steps carefully:

1. **Unpack and Identify Parts:** Carefully unpack all components and lay them out on a clean, soft surface. Compare them with the package contents list to ensure everything is present.
2. **Assemble the Steel Frame:**
 - Attach the main leg frames using the provided cross-braces and fasteners. Ensure all connections are secure but do not fully tighten screws yet.
 - Connect the L-shaped frame sections.
3. **Attach Desktop Panels:**
 - Carefully place the L-shaped desktop panels onto the assembled steel frame. Align the pre-drilled holes in the desktop with the holes in the frame.
 - Secure the desktop panels to the frame using the appropriate screws. Tighten all screws evenly.
4. **Install Monitor Shelf:**
 - Attach the monitor shelf supports to the main desktop using the designated fasteners.
 - Place the monitor shelf panel onto the supports and secure it.
5. **Attach Storage Cabinet/Bag:** If your model includes a side storage cabinet or bag, attach it according to the specific instructions provided in the hardware pack.
6. **Final Tightening:** Once all components are assembled, go back and fully tighten all screws and bolts. Do not overtighten.
7. **Leveling:** Place the desk in its desired location. If the desk is uneven, adjust the leveling feet (if present) on the bottom of the legs until stable.

OPERATING INSTRUCTIONS (USAGE)

The Homy Casa L-Shaped Computer Desk is designed for versatile use in home offices, gaming setups, or study areas. Follow these guidelines for optimal use:

- **Workspace Utilization:** The L-shaped design provides a spacious work area (47.2" x 39.4" x 29.7"). Utilize the corner space efficiently for multiple monitors, laptops, or other equipment.
- **Monitor Shelf:** Place your monitor(s) on the raised monitor shelf for improved ergonomics, reducing neck and eye strain. This also frees up main desktop space.
- **Weight Capacity:** Ensure the total weight placed on the desktop does not exceed 150 pounds (68 kg). Distribute weight evenly.
- **Storage:** Use the integrated storage cabinet or bag (if applicable) for organizing documents, stationery, or other small items to keep your workspace tidy.
- **Surface Protection:** While the melamine-coated surface is durable and scratch-resistant, consider using coasters for drinks and mouse pads for prolonged mouse use to further protect the finish.

MAINTENANCE

Proper maintenance will extend the life and appearance of your desk:

- **Cleaning:** Wipe the desk surfaces with a damp cloth. For stubborn marks, a mild soap solution can be used, followed by wiping with a clean, dry cloth. Avoid abrasive cleaners or harsh chemicals.
- **Frame Care:** The powder-coated steel frame can be cleaned with a damp cloth. Avoid scratching the finish.
- **Fastener Check:** Periodically check all screws and bolts to ensure they are tight. Retighten as necessary to maintain stability.
- **Avoid Direct Sunlight:** Prolonged exposure to direct sunlight may cause fading or damage to the desktop finish.
- **Heat Protection:** Do not place hot items directly on the desktop. Use heat-resistant pads if necessary.
