WHAT'S IN THE BOX

Upon unboxing your Apple iPhone 17 Pro Max, you should find the following items:

- Apple iPhone 17 Pro Max (256GB, Cosmic Orange, Unlocked)
- USB Cable (generic, MFi certified)

Note: Headphones and a SIM card are not included with this device.

INITIAL SETUP

1. **Insert SIM Card:** This phone is unlocked and compatible with any carrier of choice on GSM and CDMA networks (e.g., AT&T, T-Mobile, Sprint, Verizon, US Cellular, Cricket, Metro, Tracfone, Mint Mobile, etc.). When you receive the phone, insert a SIM card from a compatible carrier. Please check with your carrier to verify compatibility.
2. **Power On:** Press and hold the Side button until the Apple logo appears.
3. **Connect to Wi-Fi:** Follow the on-screen prompts to connect to a Wi-Fi network.
4. **Activate Service:** Complete the on-screen setup process to activate your device's service.

OPERATING YOUR DEVICE

Display and Navigation

The iPhone 17 Pro Max features a 6.9-inch Super Retina XDR display with ProMotion technology, offering adaptive refresh rates for smooth scrolling and responsiveness. Navigate your device using intuitive touch gestures.

Camera System

Your iPhone is equipped with an advanced camera system designed to capture high-quality photos and

videos. The rear camera module includes multiple lenses for various photographic needs, such as wide-angle, ultra-wide, and telephoto shots. The front camera supports high-resolution selfies and video calls.

MAINTENANCE AND CARE

Battery Health

Your device has been tested for battery health and is guaranteed to have a minimum battery capacity of 80% of its original capacity. To maximize battery lifespan, avoid extreme temperatures and keep your software updated.

General Care

Clean your iPhone regularly with a soft, lint-free cloth. Avoid using abrasive materials or harsh chemicals. The device is designed with durability in mind, but proper care will help maintain its appearance and functionality.

TROUBLESHOOTING

Carrier Compatibility

If you experience issues with network connectivity, ensure your SIM card is correctly inserted and that your carrier is compatible with an unlocked device. Contact your carrier's customer support for assistance with network settings or service activation.

Software Issues

For minor software glitches, try restarting your iPhone. If problems persist, ensure your iOS is updated to the latest version. You can check for updates in **Settings > General > Software Update**.
