# Best Choice Products 30-inch Pre-Lit Fir Christmas Wreath with Multicolor Lights (Model SKY8223) - Instruction Manual

## INTRODUCTION

---

Thank you for choosing the Best Choice Products 30-inch Large Artificial Pre-Lit Fir Christmas Wreath. This manual provides essential information for the safe and effective assembly, operation, and maintenance of your new holiday decoration. Please read all instructions carefully before use and retain this manual for future reference.

## SAFETY INFORMATION

---

- Ensure all electrical connections are secure and protected from moisture, especially for outdoor use.
- Do not overload electrical outlets.
- Keep the wreath away from open flames or heat sources.
- Inspect the power cord and adapter for any damage before each use. Discontinue use if damaged.
- This product is designed for decorative purposes only and is not a toy. Keep out of reach of children.

## PACKAGE CONTENTS

---

Verify that all components are present before beginning assembly:

- Pre-Lit Fir Christmas Wreath (30-inch diameter)
- Power Adapter
- Instruction Manual

## ASSEMBLY INSTRUCTIONS

The 30-inch wreath variant requires no assembly. Simply remove it from the packaging and proceed with fluffing the branches.

### Fluffing the Wreath

1. Lay the wreath on a flat, level surface.
2. Use your free hand to gently shape the tips of the branches.
3. Lift and straighten each branch tip to create a full, layered appearance.
4. Gently curve the tips to fill any bare spots and ensure even coverage.
5. For pre-lit wreaths, plug in the adapter and adjust the lights to ensure they are visible through the foliage.

## EASY TO STORE

Easy Setup

1-person

10 min.

#### STEP 1

Unpack the products

#### STEP 2

Fluff the branches as needed

#### STEP 3

Plug in the adapter and enjoy

### OPERATING INSTRUCTIONS

#### Powering the Lights

Connect the wreath's power cord to the provided adapter, then plug the adapter into a standard electrical outlet. The wreath features 100 multicolor LED lights.

#### Light Functions

The integrated lights offer various display modes. Refer to the small control box on the power cord to cycle through different lighting patterns and settings.

# INDOOR/ OUTDOOR USE

## Pre-Strung Lights

Warm LED lights spread the glow of the season

## Weather-Resistant Materials

Perfect for outdoor holiday displays

## Flame Retardant PVC Tips

Helps protect your home from accidental power surges

*Video: Demonstrates how to light up your house with the wreath, showcasing its brightness and various light patterns.*

## MAINTENANCE

To ensure the longevity of your wreath, follow these maintenance guidelines:

- **Cleaning:** Gently dust the wreath with a soft, dry cloth. Avoid using harsh chemicals or abrasive cleaners.
- **Light Replacement:** If any lights burn out, replace them with bulbs of the same type and wattage to maintain consistent illumination.
- **Branch Reshaping:** Over time, branches may become compressed. Gently reshape them as needed to restore the wreath's full appearance.

## STORAGE

When not in use, store the wreath in a cool, dry place away from direct sunlight. The wreath's design allows for compact storage. Consider using the original packaging or a dedicated storage bag to protect it from dust and damage.

## TROUBLESHOOTING

### Lights Not Working

- **Check Power Connection:** Ensure the power adapter is securely plugged into both the wreath and a working electrical outlet.
- **Inspect Cord:** Examine the power cord and adapter for any visible damage. If damaged, discontinue use.
- **Bulb Check:** If only a section of lights is out, check for loose or burnt-out bulbs and replace as necessary.

### Wreath Appears Flat

- **Fluff Branches:** Refer to the "Fluffing the Wreath" section to reshape and expand the branches for a fuller appearance.
