

## Sunny S070.310.05

# Sunny Jip Wooden Bunk Bed with Mattresses, Grey - Model S070.310.05

Instruction Manual

## 1. SAFETY INFORMATION

Please read all instructions carefully before assembly and use. Keep this manual for future reference.

- For external use only.
- The maximum user weight per mattress is 70 kg. Do not exceed this limit.
- Ensure there is a minimum space of 80 to 90 cm between the top mattress surface and the ceiling to prevent head injuries.
- The top bunk is equipped with solid, raised guardrails for user safety during sleep. Always ensure these are securely in place.
- Regularly check all bolts and screws to ensure they are tight. Loose fasteners can lead to instability and injury.
- Do not allow children under 6 years of age to use the top bunk.
- Use only the provided ladder for access to the top bunk. Do not use chairs or other furniture.
- Do not attach or hang items on any part of the bunk bed that are not designed for use with the bed; for example, but not limited to, hooks, belts, or jump ropes.

## 2. PRODUCT OVERVIEW

The Sunny Jip Bunk Bed is a space-saving solution designed to accommodate two sleepers. Its functional design allows it to integrate into various room styles. This bunk bed is constructed from 100% FSC certified pine wood, ensuring durability and responsible sourcing. It includes two hybrid mattresses, each measuring 90x200 cm.

### Key Features:

- **Compact Design:** Optimizes room height, ideal for shared rooms or guest spaces.
- **Safety Features:** The upper bunk includes stable, raised sides for secure sleeping.
- **Durable Construction:** Made entirely from FSC 100% certified pine wood with included slatted bases for long-term use.

- **Included Mattresses:** Comes with two 90x200 cm hybrid mattresses, each 14 cm thick, providing firm yet comfortable support. The mattress covers are 100% polyester, removable on three sides, and washable at 30 °C.
- **Flexible Ladder Placement:** The ladder can be mounted on either side of the bed during assembly.

Image 2.1: The Sunny Jip bunk bed in grey, featuring white bedding on both bunks and an integrated ladder.

Image 2.2: The bunk bed positioned in a child's bedroom, complete with bedding, pillows, and decorative elements, highlighting its integration into a living space.

### 3. SETUP AND ASSEMBLY

Assembly of the Sunny Jip Bunk Bed is required. It is recommended that two adults assemble the bed. Ensure all components are present before beginning assembly.

#### Components Included:

- Bunk bed frame components
- 2 x Slatted bases
- 2 x Hybrid mattresses (90x200 cm)
- Assembly hardware (screws, bolts, etc.)
- Instruction manual

#### General Assembly Steps:

1. **Unpack and Identify Parts:** Carefully unpack all components and lay them out. Compare them with the parts list in the included manual to ensure everything is present and undamaged.

2. **Assemble Bed Ends:** Attach the side rails to the headboards and footboards for both the upper and lower bunks. Ensure all connections are secure.
3. **Install Slatted Bases:** Place the slatted bases onto the designated supports within each bed frame. Secure them according to the specific instructions.
4. **Attach Ladder:** Decide on the desired side for the ladder and securely attach it to the bunk bed frame using the provided hardware.
5. **Place Mattresses:** After assembly, unroll and place the hybrid mattresses on the slatted bases. Allow each mattress to rest for 24 hours to fully expand after unpacking.
6. **Final Check:** Before use, double-check all bolts, screws, and connections to ensure they are fully tightened and the bed is stable.

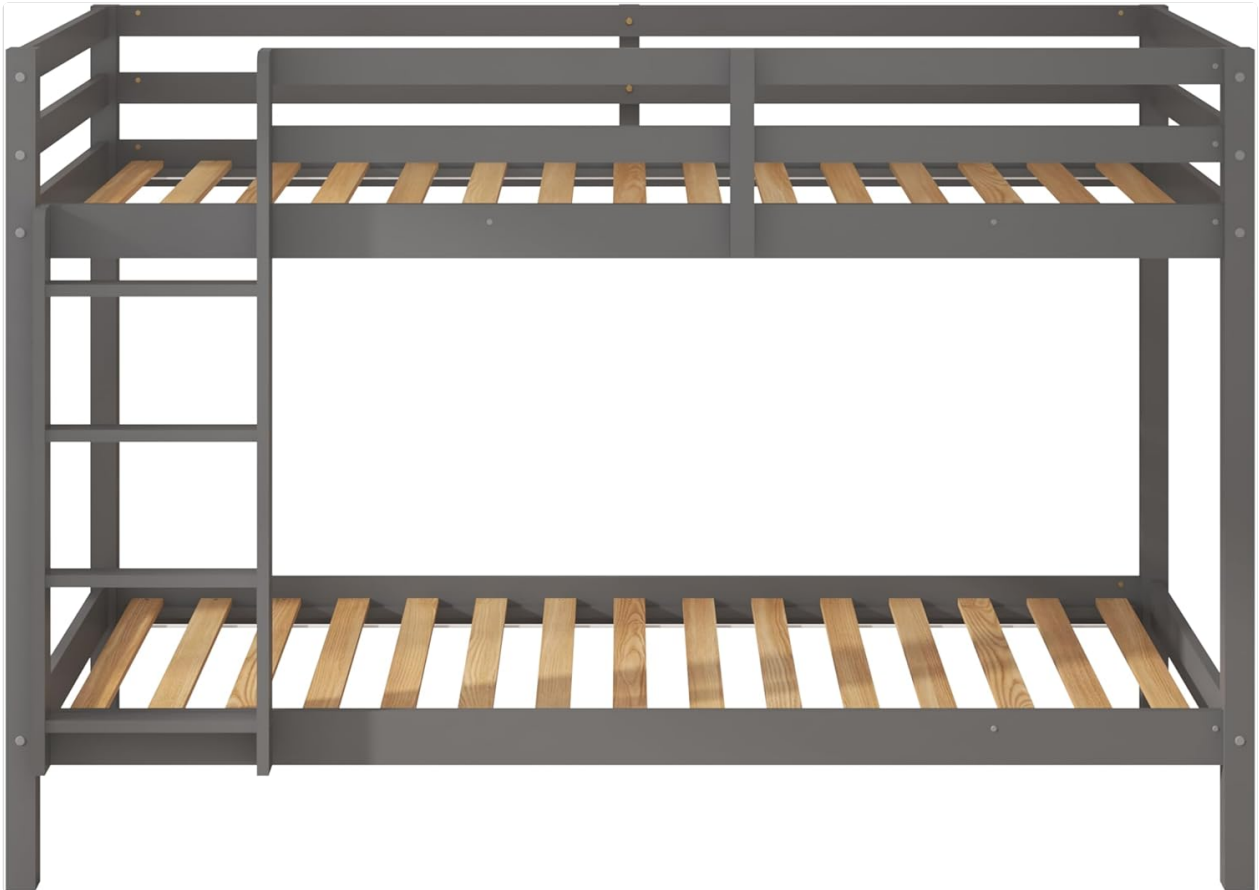

Image 3.1: The bunk bed frame without bedding, clearly showing the wooden slatted bases for both the upper and lower bunks, and the integrated ladder.

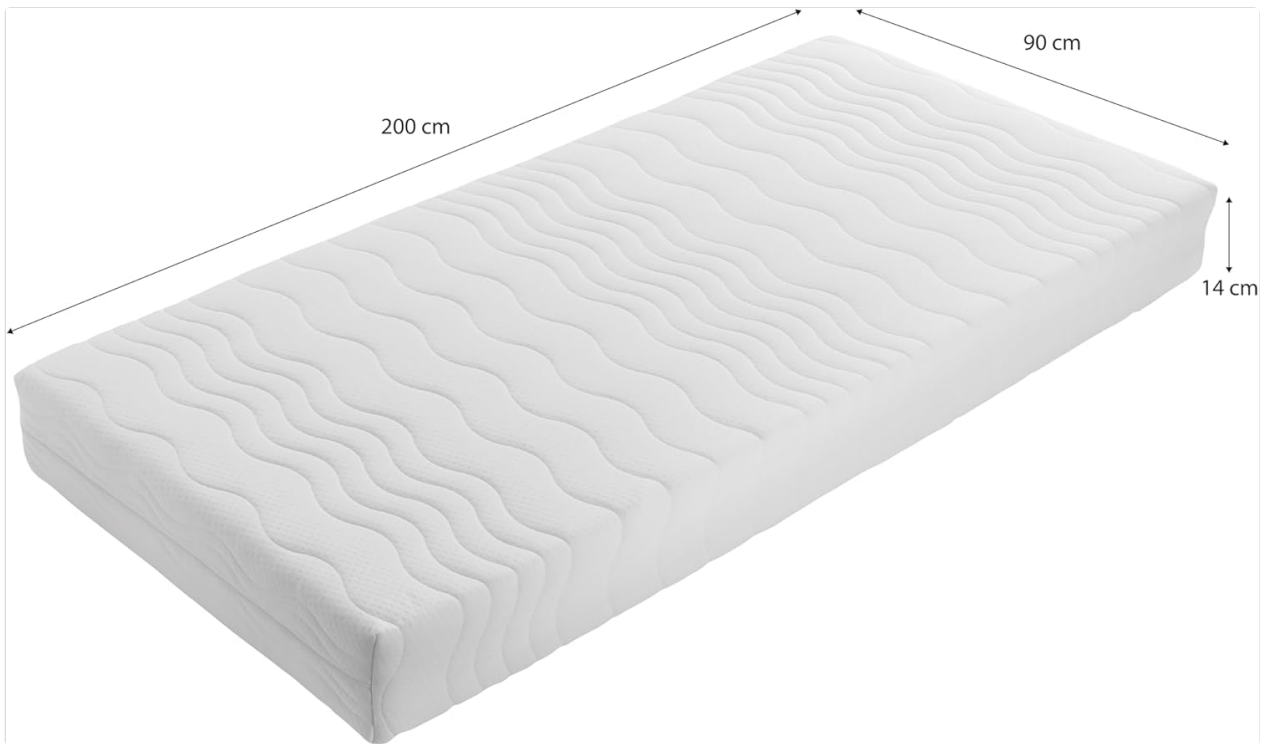

Image 3.2: A detailed view of one of the included hybrid mattresses, showing its texture and indicating its dimensions of 200 cm length, 90 cm width, and 14 cm height.

## 4. OPERATING INSTRUCTIONS

---

The Sunny Jip Bunk Bed is designed for sleeping and resting. Adhere to the following guidelines for safe operation:

- **Weight Capacity:** Each bunk has a maximum user weight capacity of 70 kg. Do not exceed this limit.
- **Ladder Use:** Always use the integrated ladder to access the top bunk. Ensure a firm grip and stable footing. Do not jump onto or off the top bunk.
- **Top Bunk Safety:** The top bunk is intended for children aged 6 years and older. Ensure the guardrails are always in place and secure.
- **Clearance:** Maintain adequate clearance between the top mattress and the ceiling (80-90 cm minimum) to prevent injury.
- **General Use:** Avoid rough play on or around the bunk bed. Do not use the bed as a trampoline or climbing frame.

## 5. MAINTENANCE

---

Proper maintenance will extend the life of your Sunny Jip Bunk Bed.

- **Cleaning the Frame:** Wipe the wooden frame with a soft, damp cloth. Avoid harsh chemicals or abrasive cleaners that could damage the wood finish.
- **Mattress Care:** The mattress covers are removable and washable at 30 °C. Allow them to air dry completely before reattaching. Regularly rotate and flip the mattresses to ensure even wear.
- **Hardware Check:** Periodically inspect all bolts, screws, and connections. Tighten any loose hardware to maintain the bed's stability and safety.
- **Ventilation:** Ensure good air circulation around the mattresses to prevent moisture buildup.

## 6. TROUBLESHOOTING

If you encounter any issues with your bunk bed, refer to the following common solutions:

- **Squeaking Noises:** Squeaking often indicates loose hardware. Re-tighten all bolts and screws on the frame and slatted bases.
- **Instability/Wobbling:** Ensure all connections are fully tightened. Check that the bed is placed on a flat, even surface.
- **Mattress Not Fully Expanded:** The hybrid mattresses require 24 hours to fully expand after unpacking. If it has been less than 24 hours, allow more time. Ensure it was unrolled correctly.
- **Missing Parts:** If any parts were missing upon delivery, contact customer support immediately.

7. SPECIFICATIONS

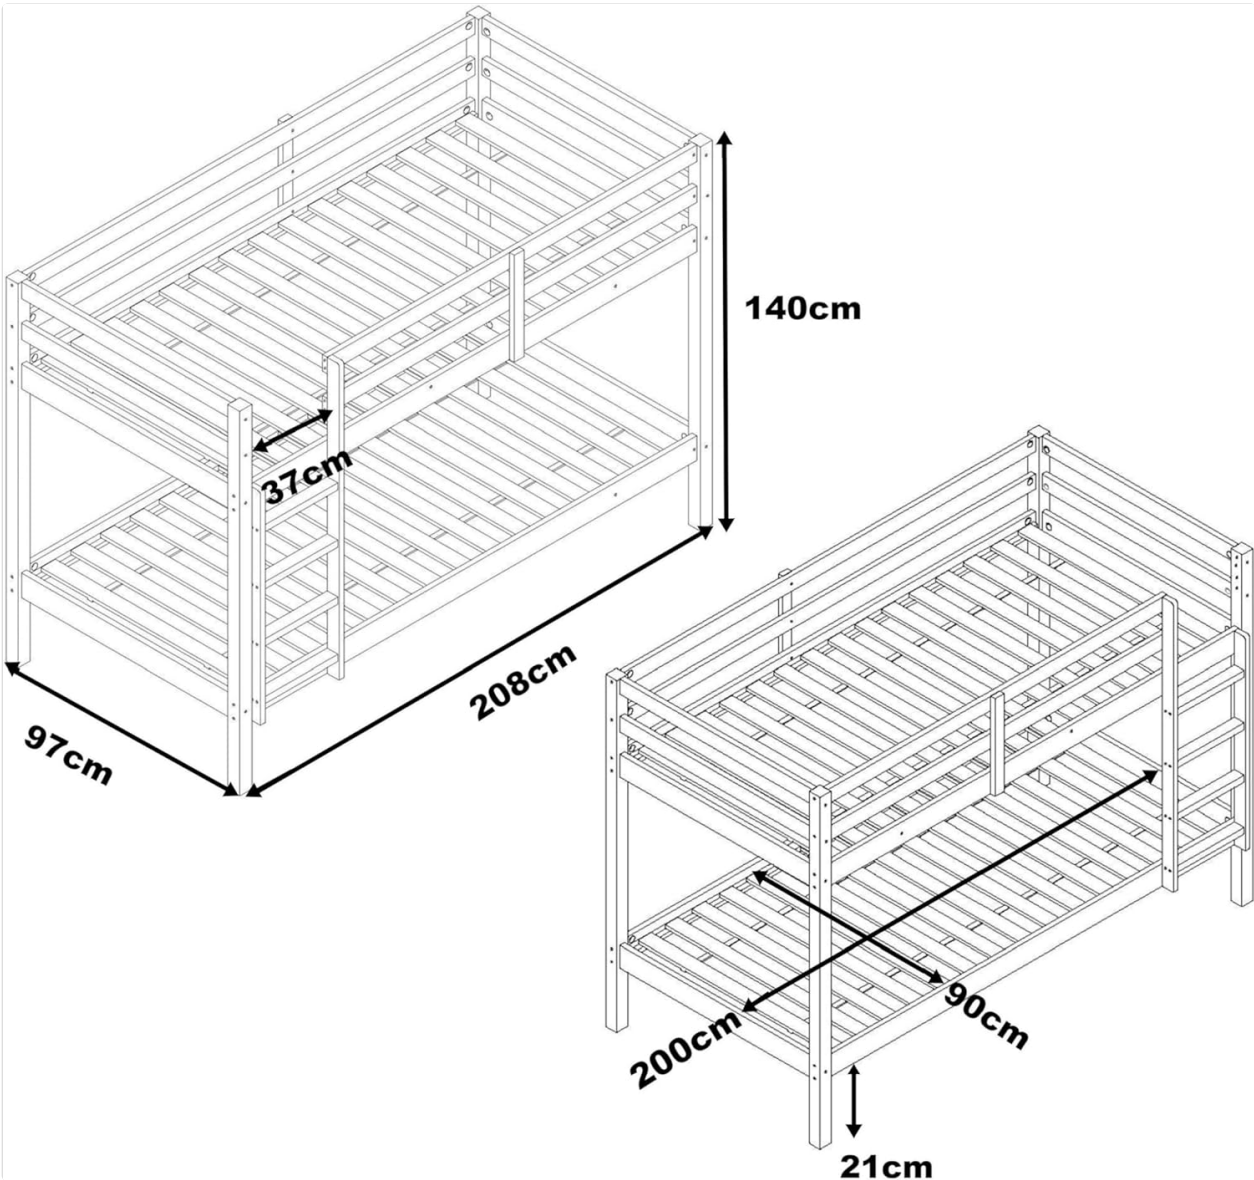

Image 7.1: Technical diagram illustrating the overall dimensions of the bunk bed, including length (208 cm), width (97 cm), and height (140 cm), as well as internal mattress dimensions and ladder width.

Feature	Detail
Brand	Sunny
Model Number	S070.310.05
