Care and Maintenance

Proper care will help maintain the appearance and extend the life of your Calvin Klein Arya Flap Crossbody bag.

- **Cleaning:** For general cleaning, wipe the exterior vinyl material with a soft, damp cloth. Use a mild soap solution if necessary, then wipe with a clean, damp cloth and air dry. Do not use harsh chemicals or abrasive cleaners.
- **Storage:** When not in use, store the bag in a cool, dry place away from direct sunlight. To help maintain its shape, you may stuff it lightly with tissue paper.
- **Avoid Overloading:** Do not overload the bag, as this can strain seams and distort its shape.
- **Protect from Moisture:** While the vinyl material offers some resistance, avoid prolonged exposure to heavy rain or moisture.

Troubleshooting

Refer to this section for solutions to common issues.

Issue	Possible Cause	Solution
Magnetic flap not closing securely	Bag is overfilled; objects obstructing closure; misalignment.	Reduce contents of the bag. Ensure no items are blocking the magnetic clasp. Align the flap carefully.
Zipper feels stiff	Accumulation of dust or debris; lack of lubrication.	Gently clean the zipper teeth with a soft brush. Apply a small amount of zipper lubricant (e.g., beeswax or silicone spray) if needed.
Strap twisting or kinking	Improper storage; natural material behavior.	Hang the bag when storing to allow the strap to relax. Gently straighten the strap by hand.
