Assembly Instructions

Difficulty Level: 4/5. This kit is designed for builders aged 12 and above. Patience and attention to detail are key to a successful build.

1. **Preparation:** Unpack all nanoblock pieces and organize them by color and shape if desired. Refer to the included instruction sheet for a visual guide.
2. **Step-by-Step Building:** Follow the numbered steps in the provided instruction sheet carefully. Each step illustrates which pieces to use and where to place them.
3. **Connecting Pieces:** Nanoblock pieces connect securely. Apply gentle, even pressure to snap them into place. Avoid excessive force to prevent damage.
4. **Detailing:** Pay close attention to the smaller details to accurately capture the likeness of the Rathalos monster.

Operating and Display

Once assembled, your nanoblock Rathalos model is a static display piece. It is not designed for active play but rather for exhibition and appreciation of its intricate design.

- Place the model on a stable, flat surface to prevent accidental falls.
- The model is stackable, allowing for creative display arrangements with other nanoblock creations.
- This product is intended for manual operation, primarily for assembly and display.

Maintenance and Care

- To clean your nanoblock model, gently wipe it with a soft, dry cloth. Avoid using harsh chemicals or abrasive materials.
- Keep the model away from direct sunlight and extreme temperatures to prevent discoloration or deformation of the plastic pieces.
- If pieces become loose, reattach them carefully.

Troubleshooting

- **Missing Pieces:** In the rare event of missing pieces, please contact KAWADA customer support with your product details.
- **Difficulty with Assembly:** Double-check the instruction sheet for any missed steps. Sometimes, a small misplacement can affect subsequent steps.
- **Loose Connections:** Ensure pieces are fully pressed together. If a piece consistently feels loose, try replacing it with a spare if available, or contact support.
