MAINTENANCE AND CARE

To ensure your Madesa Venus Wardrobe remains in excellent condition, follow these care guidelines:

- **Cleaning:** Wipe surfaces with a soft, damp cloth. For stubborn marks, use a mild, non-abrasive cleaner specifically designed for furniture. Dry immediately with a clean, soft cloth.
- **Avoid Harsh Chemicals:** Do not use abrasive cleaners, solvents, or polishes containing silicone, as these can damage the finish.
- **Protect from Moisture:** Avoid prolonged exposure to moisture. Wipe up spills immediately.
- **Sunlight and Heat:** Place the wardrobe away from direct sunlight and heat sources to prevent fading, warping, or cracking of the material.
- **Mirror Care:** Clean mirrors with a glass cleaner and a soft, lint-free cloth. Avoid spraying cleaner directly onto the mirror edges to prevent damage to the backing.
- **Hardware:** Periodically check and tighten any loose screws or fittings to maintain stability.

TROUBLESHOOTING

If you encounter any issues with your wardrobe, consider the following common solutions:

- **Doors Not Closing Properly:** Check if the wardrobe is level. Adjust the leveling feet if necessary. Ensure hinges are securely fastened and properly aligned.
- **Drawers Sticking or Not Sliding Smoothly:** Verify that the drawer slides are correctly installed and free of obstructions. Ensure the drawer is not overloaded. Check if the wardrobe is level.
- **Loose Handles:** Tighten the screws securing the handles from the inside of the door.
- **Wobbling Wardrobe:** Ensure all assembly screws are tightened. Check that the wardrobe is placed on a flat, level surface. Use shims if the floor is uneven.
