HOMCOM FR838-534V90WT

HOMCOM Kitchen Buffet Cabinet Instruction Manual

Model: FR838-534V90WT

Introduction

Thank you for choosing the HOMCOM Kitchen Buffet Cabinet. This manual provides essential information for the safe assembly, operation, and maintenance of your new storage unit. Please read all instructions carefully before beginning assembly and retain this manual for future reference.

Safety Information

- **Anti-Tip Device:** This cabinet is equipped with an anti-tip device. It is crucial to install this device to prevent the cabinet from tipping over, especially in households with children or pets. Failure to install the anti-tip device can result in serious injury.
- **Weight Capacity:** Do not exceed the maximum weight capacity of 30 kg total, 10 kg for the top surface, and 5 kg per shelf or drawer. Overloading can compromise stability and cause damage.
- **Stable Surface:** Always place the cabinet on a flat, level, and stable surface.
- **Assembly:** Ensure all parts are correctly assembled and fasteners are tightened securely before use. Periodically check and re-tighten fasteners as needed.
- **Glass Components:** Handle glass doors with care to avoid breakage. Clean glass surfaces using appropriate glass cleaner and a soft cloth.

Package Contents

Your HOMCOM Kitchen Buffet Cabinet is typically shipped in two separate packages. Please ensure all components listed in the included assembly guide are present before beginning assembly. If any parts are missing or damaged, contact customer support.

The HOMCOM Kitchen Buffet Cabinet is typically shipped in two separate packages for easier handling and transport.

Setup and Assembly Instructions

Assembly of this cabinet is required. Please follow the step-by-step instructions provided in the separate assembly manual included with your product. Ensure you have all necessary tools before starting.

1. **Unpack Components:** Carefully unpack all parts and hardware. Lay them out on a clean, soft surface to prevent scratches.
2. **Follow Manual:** Refer to the detailed assembly manual for specific instructions on connecting panels, installing drawers, and attaching doors.
3. **Install Anti-Tip Kit:** As a critical safety measure, install the anti-tip kit according to the instructions. Secure the cabinet to a wall stud using appropriate hardware.

For enhanced safety, install the provided anti-tip kit to secure the cabinet to the wall, preventing accidental tipping.

Operating Instructions

The HOMCOM Kitchen Buffet Cabinet is designed for versatile storage in your kitchen, dining room, or living area.

The cabinet offers ample storage with four-level closed shelving and two spacious drawers, ideal for organizing various items.

Adjustable Shelves

The internal shelves are adjustable to three different heights, allowing you to customize the storage space to fit items of various sizes.

- To adjust a shelf, carefully remove all items from the shelf.
- Lift the shelf and reposition the shelf pins into the desired holes.
- Ensure the shelf is level and securely seated on all four pins before placing items back.

The shelves can be adjusted to three different heights, providing flexibility to accommodate items of varying sizes.

Glass Doors and Drawers

The cabinet features four glass doors and two spacious drawers for organized storage.

- **Glass Doors:** The glass doors allow for display of your items while protecting them from dust. They are equipped with magnetic latches to keep them securely closed.
- **Drawers:** The two lower drawers provide concealed storage for various household items. Pull the practical black handles to open and push to close.

The cabinet features elegant glass doors, secure magnetic latches, and ergonomic black handles for easy access.

Maintenance

Proper care will extend the life and appearance of your HOMCOM cabinet.

- **Cleaning:** Wipe surfaces with a soft, damp cloth. Avoid harsh chemicals or abrasive cleaners, which can damage the finish. For glass, use a standard glass cleaner.
- **Spills:** Clean up spills immediately to prevent staining or damage to the engineered wood.
- **Inspection:** Periodically check all screws and fasteners to ensure they remain tight. Re-tighten as necessary.
- **Avoid Direct Sunlight:** Prolonged exposure to direct sunlight can cause fading or discoloration.

Troubleshooting

- **Cabinet is Wobbly:** Ensure the cabinet is on a level surface. Check all assembly screws and tighten them. Verify the anti-tip device is securely installed.
- **Doors or Drawers Don't Close Properly:** Check for any obstructions. Ensure hinges and drawer slides are correctly aligned and tightened. Adjust hinges if necessary.
- **Scratches on Surface:** Minor scratches on engineered wood can sometimes be touched up with a furniture

repair marker matching the cabinet's color.
