## PACKAGE CONTENTS

---

Before assembly, please ensure all components listed below are present in your package:

- Wooden kitchen components (main structure, shelves, doors)
- Microwave unit
- Oven unit
- Sink basin and faucet
- 6 Stainless Steel Accessories (e.g., pots, pans, spatulas, ladles)
- 6 Cutting Vegetables (e.g., corn, pepper, eggplant, carrot)
- Assembly hardware (screws, wall anchor)

## SETUP AND ASSEMBLY

1. **Unpacking:** Carefully remove all components from the packaging. Verify all parts are present against the included parts list (refer to the separate assembly guide for a detailed list).
2. **Assembly:** Follow the step-by-step assembly instructions provided with the product. A Phillips head screwdriver is required for assembly.
3. **Secure Connections:** Ensure all screws are tightened securely, but avoid overtightening to prevent damage to the wooden components.
4. **Wall Anchoring:** For enhanced stability and safety, use the provided wall anchor to secure the play kitchen to a wall. This prevents accidental tipping.
5. **Placement:** Place the assembled kitchen on a flat, stable surface, away from heat sources or direct sunlight.

## OPERATING INSTRUCTIONS

The AIYAPLAY Wooden Play Kitchen is designed for imaginative play. Here's how to interact with its features:

- **Stove Knobs:** The stove knobs produce a realistic "click" sound when turned, simulating a real kitchen experience. No batteries are required for this feature.
- **Microwave:** The microwave door opens and closes. The keypad and display are for pretend play.
- **Oven:** The oven door opens and closes, providing storage space for play food or accessories.
- **Sink and Faucet:** The sink basin can be used for pretend washing of play food. The faucet handles turn for realistic play.
- **Storage:** Utilize the shelves and hooks for organizing play accessories and keeping the play area tidy.

## MAINTENANCE

- **Cleaning:** Wipe surfaces with a soft, damp cloth. Avoid abrasive cleaners or harsh chemicals, which can damage the wood finish.
- **Inspection:** Regularly check all screws and connections to ensure they remain tight. Retighten as necessary to maintain structural integrity.
- **Storage:** Store the play kitchen in a dry environment, away from direct sunlight or extreme temperatures, to preserve the wood and prevent warping or fading.

## TROUBLESHOOTING

- **Loose Parts:** If any parts become loose during play, gently tighten the corresponding screws. Do not overtighten.
- **Missing Parts:** If any parts are missing upon unboxing, please contact AIYAPLAY customer support immediately for assistance.
- **Stability Issues:** Ensure the kitchen is placed on a level surface. If tipping is a concern, verify that the wall anchor is properly installed and secured.
