3. SAFETY INFORMATION

- Always follow the installation instructions provided in the package.
- Keep electrical components away from water to prevent electric shock.
- Do not place heavy objects on the vanity that could cause it to tip over.
- Keep the vanity away from heat sources to prevent damage to the mirror or electrical components.
- Ensure all connections are secure before use.

4. ASSEMBLY INSTRUCTIONS

The JUMMICO Makeup Vanity Desk requires assembly. Detailed assembly instructions and necessary tools are included in the product packaging. For a more efficient and safer assembly process, it is recommended to have two people work together.

1. Unpack all components and verify against the parts list provided in the instruction manual.
2. Follow the step-by-step diagrams and instructions carefully.

3. Ensure all screws and fasteners are tightened securely, but do not overtighten.
4. Attach the mirror unit to the main desk structure as instructed.

5. OPERATING INSTRUCTIONS

5.1 LED Lighted Mirror

The vanity features a large LED mirror (31.5 inches wide x 17.3 inches high) with three lighting modes to suit various needs. The lighting can be adjusted by touching the control button located on the mirror surface.

- **Central Drawer:** A large drawer in the center is suitable for storing jewelry and other items.
- **Side Drawers:** Six deep drawers (three on each side) provide ample space for bottled skincare products and other essentials. These drawers glide smoothly.
- **Open Shelves:** The desktop features six open shelves and three extra-wide storage compartments for frequently used beauty items.

6. MAINTENANCE

- **Cleaning:** Wipe the vanity surfaces with a soft, damp cloth. Avoid abrasive cleaners or harsh chemicals that may damage the finish.
- **Mirror Care:** Use a glass cleaner specifically designed for mirrors to clean the LED mirror. Do not spray cleaner directly onto the mirror; apply it to a cloth first.
- **Electrical Components:** Ensure the power strip and hairdryer holder are kept dry. Regularly check cords for any signs of damage.
- **Drawer Maintenance:** Periodically check drawer slides for smooth operation. Clean any dust or debris that may accumulate.

7. TROUBLESHOOTING

- **LED Mirror Not Lighting Up:** Ensure the vanity is properly plugged into a working power outlet. Check the connection of the mirror's power cord to the vanity's internal power source.
- **Power Outlets Not Working:** Verify that the main power cord for the vanity's charging station is securely plugged into a wall outlet. Check if the wall outlet itself is functional.
- **Drawers Sticking:** Ensure drawers are not overloaded. Check for any obstructions in the drawer slides.
