## MINISO Disney Princess

# MINISO Disney Princess Eau De Parfum (Snow Kiss Citrus) User Manual

Model: Disney Princess | Brand: MINISO

## PRODUCT OVERVIEW

---

The MINISO Disney Princess Eau De Parfum in the Snow Kiss Citrus variant is a long-lasting fragrance designed for women. This 50 ML (1.7 OZ) perfume features a blend of fruity, floral, and citrus notes, offering a fresh and elegant scent profile.

## SCENT PROFILE

---

This fragrance is composed of distinct layers, designed to evolve over time:

- **Top Notes:** Citrus, Mandarin. These are the initial, light notes perceived immediately upon application.
- **Middle Notes:** Jasmine, Freesia, Rose, Violet. These heart notes emerge after the top notes fade, forming the main body of the fragrance.
- **Dry-down (Base Notes):** Sandalwood, Vanilla, Musk. These rich, deep notes appear as the fragrance dries down, providing depth and longevity.

## SETUP AND FIRST USE

The MINISO Disney Princess Eau De Parfum comes ready for immediate use. No assembly is required.

1. **Unboxing:** Carefully remove the perfume bottle from its packaging.
2. **Initial Spray:** Before first use, it is recommended to spray the perfume a few times into the air to prime the pump and ensure a consistent spray.

## OPERATING INSTRUCTIONS (APPLICATION)

---

For optimal fragrance diffusion and longevity, follow these application guidelines:

1. **Prepare Skin:** Apply to clean, dry skin. Fragrance lasts longer on moisturized skin.
2. **Target Pulse Points:** Spray 2-3 times onto pulse points such as wrists, neck, and behind the ears. These areas generate heat, which helps to diffuse the fragrance throughout the day.
3. **Avoid Rubbing:** After spraying, avoid rubbing the skin where the perfume was applied. Rubbing can break down the fragrance molecules and alter the scent's development.
4. **Layering (Optional):** For a more pronounced and lasting scent, consider layering with unscented body lotion or other products from the same fragrance line, if available.

This fragrance is designed to last for up to 7 hours.

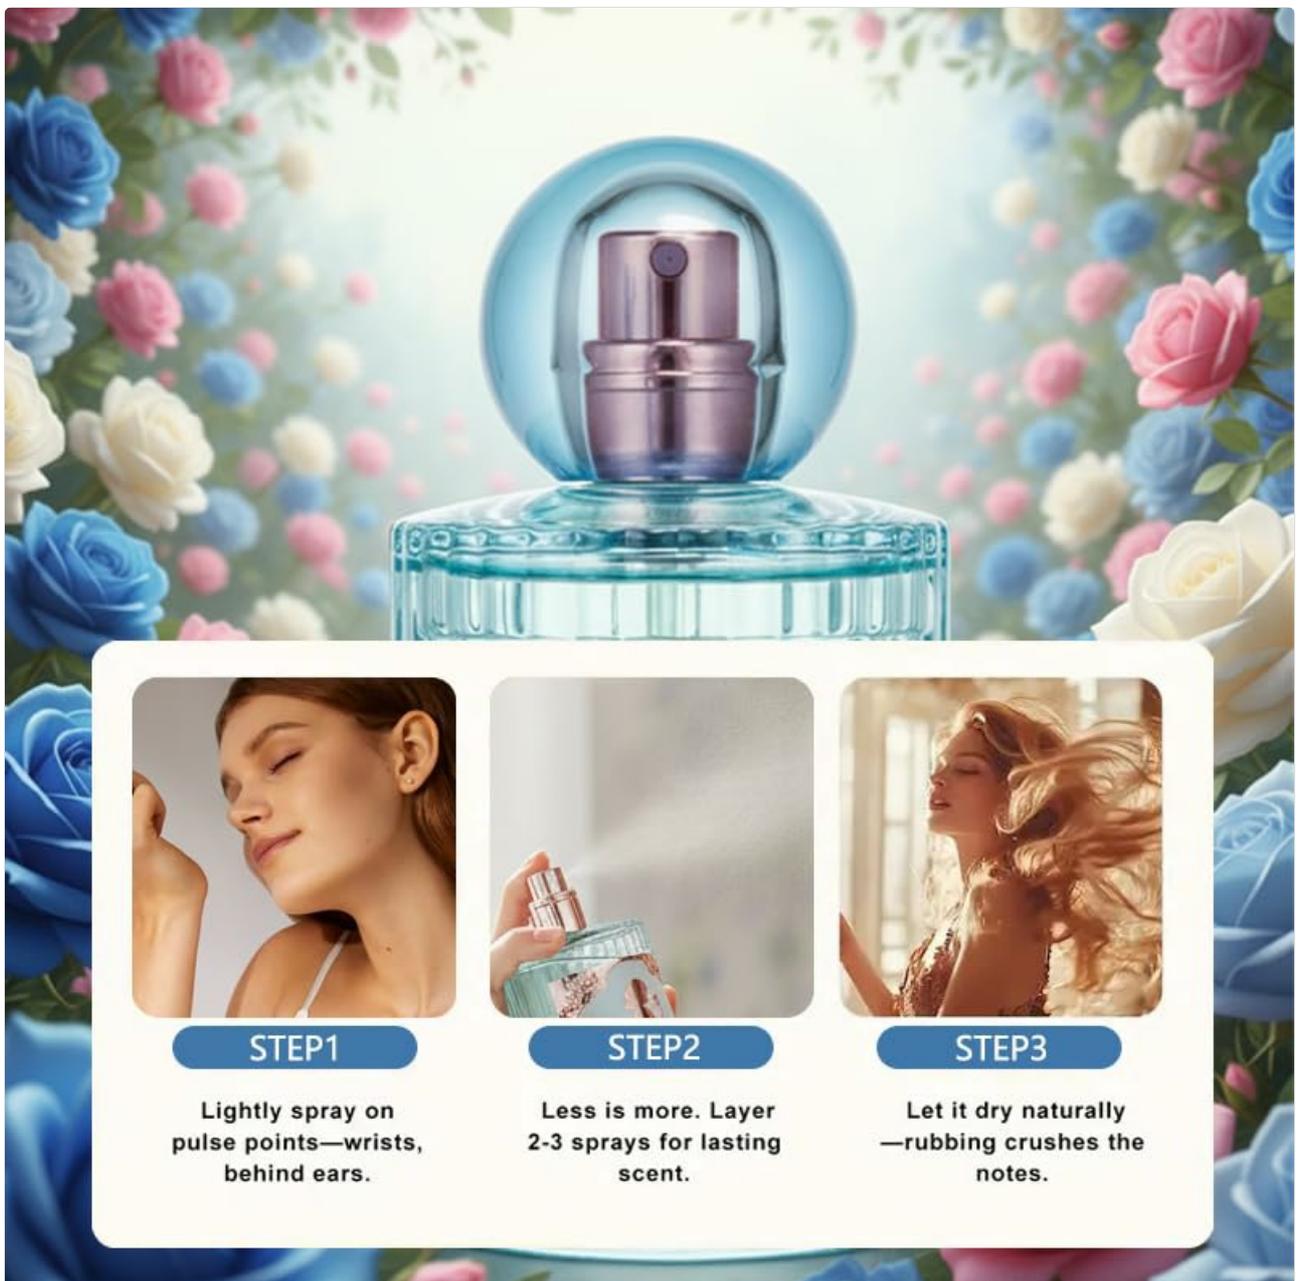

Image: A visual guide demonstrating the three steps for proper perfume application: spraying on pulse points, layering, and allowing to dry naturally.

## MAINTENANCE AND STORAGE

---

Proper care and storage will help preserve the quality and longevity of your Eau De Parfum:

- **Store in a Cool, Dark Place:** Keep the bottle away from direct sunlight and extreme temperatures. Heat and light can degrade the fragrance over time.
- **Keep Upright:** Store the bottle upright to prevent leakage and maintain the integrity of the sprayer.
- **Secure Cap:** Always ensure the cap is tightly closed after each use to prevent evaporation and contamination.
- **Avoid Humidity:** High humidity can also affect the fragrance. Avoid storing in bathrooms.

## SAFETY INFORMATION

---

- **For External Use Only:** Do not ingest.
- **Flammable:** Keep away from open flames, hot surfaces, and other ignition sources.
- **Avoid Contact with Eyes:** In case of contact, rinse immediately with water. If irritation persists, seek medical attention.
- **Keep Out of Reach of Children:** Store in a secure location inaccessible to children and pets.

- **Skin Sensitivity:** Discontinue use if skin irritation or rash occurs.
- **Dye Free:** This product is dye-free.

## TROUBLESHOOTING

Issue	Possible Cause / Solution
Fragrance does not last long.	<ul style="list-style-type: none"> <li>◦ Ensure application on pulse points.</li> <li>◦ Avoid rubbing the skin after application.</li> <li>◦ Skin might be dry; apply to moisturized skin.</li> <li>◦ Environmental factors (e.g., dry air) can affect longevity.</li> <li>◦ Consider reapplying after 4-6 hours for extended wear.</li> </ul>
Scent seems different or off.	<ul style="list-style-type: none"> <li>◦ Improper storage (exposure to heat/light) can alter the fragrance. Store in a cool, dark place.</li> <li>◦ Individual body chemistry can affect how a fragrance smells.</li> </ul>
Skin irritation after application.	<ul style="list-style-type: none"> <li>◦ Discontinue use immediately.</li> <li>◦ Cleanse the affected area with mild soap and water.</li> <li>◦ If irritation persists, consult a healthcare professional.</li> </ul>
