Laffizz B0FV8DRR5J

Laffizz Electric Candle Lighter User Manual

Model: B0FV8DRR5J

INTRODUCTION

This manual provides instructions for the safe and effective use of your Laffizz Electric Candle Lighter. This USB rechargeable, flameless plasma arc lighter is designed for various lighting needs, including candles, BBQs, camping, and fireworks.

IMPORTANT SAFETY WARNINGS

- **Child Safety Lock:** The lighter is equipped with a child safety lock. You must push the safety lock switch first, then press the ignition switch to activate the arc.
- **7-Second Auto-Off:** For safety, the electric arc will automatically turn off after 7 seconds of continuous use.

- **Keep Away from Children:** Store the lighter out of reach of children.
- **Avoid Extreme Temperatures:** Do not expose the lighter to direct sunlight, high temperatures (above 50°C/122°F), or open flames.
- **Do Not Puncture:** Do not puncture or incinerate the lighter.
- **Use with Caution:** Do not use near flammable materials, liquids, or gases.
- **Do Not Touch Arc:** Avoid touching the electric arc directly, as it can cause burns.

PACKAGE CONTENTS

- 2 x Laffizz Electric Candle Lighters (Black + Silver)
- 2 x USB Type-C Charging Cables
- 1 x User Manual

KEY FEATURES

- **Flameless Plasma Arc:** Generates a powerful electric arc for ignition, eliminating the need for fuel.
- **Wind & Splash-Proof Design:** Ensures reliable ignition even in windy or damp conditions.
- **USB Type-C Rechargeable:** Conveniently recharges via a Type-C USB cable, eliminating disposable lighters.
- **LED Power Indicators:** Four LED lights display the battery charge level (25%, 50%, 75%, 100%).
- **Child Safety Lock:** A dedicated switch prevents accidental activation.
- **7-Second Auto-Off:** The electric arc automatically shuts off after 7 seconds for enhanced safety.
- **Slim & Portable Design:** Compact dimensions (7.4"L x 0.6"W x 0.4"Th) and a 3.2-inch long flexible neck for easy handling and reaching deep candles.

SETUP: CHARGING YOUR LIGHTER

Before first use, or when the battery is low, charge your Laffizz Electric Candle Lighter.

1. Locate the USB Type-C charging port on the lighter.
2. Connect one end of the provided USB Type-C charging cable to the lighter's port.
3. Connect the other end of the cable to a compatible USB power source (e.g., computer, wall adapter, power bank).
4. The LED power indicator lights will illuminate to show the charging status. All four LEDs will be solid when the lighter is fully charged.
5. Once fully charged, disconnect the charging cable.

OPERATING INSTRUCTIONS

Follow these steps to safely operate your electric lighter:

1. **Unlock the Lighter:** Slide the child safety lock switch upwards to the 'ON' position.
2. **Activate the Arc:** Press and hold the ignition button. A purple plasma arc will appear between the electrodes at the tip of the lighter.
3. **Light the Item:** Carefully direct the plasma arc to the wick of a candle, BBQ charcoal, or other ignitable material.
4. **Deactivate the Arc:** Release the ignition button to turn off the arc. The arc will automatically shut off after 7 seconds of continuous use.
5. **Lock the Lighter:** After use, slide the child safety lock switch downwards to the 'OFF' position to prevent accidental activation.

MAINTENANCE

- **Cleaning:** Use a soft, dry cloth to clean the exterior of the lighter. If the electrodes become dirty, gently wipe them with a dry cotton swab. Do not use water or cleaning agents.
- **Storage:** Store the lighter in a cool, dry place, away from direct sunlight and moisture. Ensure the safety lock is engaged when storing.
- **Battery Care:** To prolong battery life, avoid fully discharging the lighter frequently. Recharge it when the LED indicators show a low charge.

TROUBLESHOOTING

Problem	Possible Cause	Solution
Lighter does not turn on	Safety lock is engaged; Battery is low/dead	Slide safety lock to 'ON'; Recharge the lighter
Arc is weak or inconsistent	Low battery; Dirty electrodes	Recharge the lighter; Gently clean electrodes with a dry cloth
Lighter not charging	Loose cable connection; Faulty cable/charger	Ensure cable is securely connected; Try a different USB cable or power source

SPECIFICATIONS

- **Brand:** Laffizz
- **Model:** B0FV8DRR5J
- **Color:** Black+silver
- **Material:** Alloy, Ceramic
- **Fuel Type:** Electric
- **Item Weight:** 0.11 Kilograms
- **Product Dimensions:** 7.4"L x 0.6"W x 0.4"Th
- **Number of Items:** 2
