6. Maintenance

6.1 Fabric Care (Boucle/Lamb Fleece)

The bed frame is upholstered in skin-friendly, breathable boucle/lamb fleece fabric. To maintain its appearance:

- **Regular Cleaning:** Gently vacuum with an upholstery attachment to remove dust and debris.
- **Spot Cleaning:** For spills, blot immediately with a clean, dry cloth. For stubborn stains, use a mild fabric cleaner diluted with water, applying it to a clean cloth first, then gently dabbing the stain. Do not rub vigorously. Test in an inconspicuous area first.
- **Avoid Harsh Chemicals:** Do not use bleach or abrasive cleaners, as these can damage the fabric.
