

Monster AC225

Monster Open Ear AC225 Earbuds User Manual

Model: AC225

INTRODUCTION

Thank you for choosing the Monster Open Ear AC225 Earbuds. These wireless headphones are designed to provide a comfortable listening experience with open-ear design, clear audio, and extended battery life. This manual provides detailed instructions for setup, operation, maintenance, and troubleshooting to ensure optimal performance.

WHAT'S IN THE BOX

- Open Ear Headphones
- Wireless Charging Case
- User Manual

SETUP

1. Charging the Earbuds and Case

Before first use, fully charge the earbuds and the charging case. Place the earbuds into the charging case. Connect the charging case to a power source using a compatible USB-C cable (not included). The charging time is approximately 1 hour for a full charge. The case provides additional charges for a total playtime of up to 36 hours.

All-Day Comfort Meets Sleek Style for Every Moment

Image: The earbuds and charging case, illustrating 8 hours of playtime per single charge and 36 hours total with the charging case.

2. Bluetooth Pairing

1. Ensure the earbuds are charged and placed in the charging case.
2. Open the charging case. The earbuds will automatically enter pairing mode, indicated by a flashing LED light.
3. On your device (smartphone, tablet, laptop), enable Bluetooth.
4. Search for available Bluetooth devices and select "Monster Open Ear AC225" from the list.
5. Once connected, the LED indicator on the earbuds will stop flashing, and you will hear a confirmation tone.

OPERATING INSTRUCTIONS

1. Wearing the Earbuds

The AC225 earbuds feature an ergonomic open-ear clip-on design for comfortable and secure fit. Gently clip each earbud onto your ear, ensuring the speaker is positioned correctly for optimal sound delivery. The adaptive bridge conforms to your ear shape for all-day comfort.

Image: A diagram demonstrating the ergonomic clip-on design and adaptive fit of the earbuds on the ear.

2. Power On/Off

- **Power On:** Open the charging case, or take the earbuds out of the case. They will power on automatically.
- **Power Off:** Place the earbuds back into the charging case and close the lid. They will power off automatically.

3. Music Playback

The 13mm dynamic drivers deliver immersive stereo sound with clear highs and punchy bass. Control music playback using the touch controls on the earbuds.

4. Call Management

The built-in ENC (Environmental Noise Cancellation) microphone reduces background noise by up to 95% for clear calls, even in noisy environments. Use the touch controls to manage calls.

Music All Day and Night

Get 8 hours of non-stop music on a single charge and up to 36 hours total with the charging case—keeping your soundtrack going from day to night.

36 Hours
With Charging Case

8 Hours
Single Charge

MAINTENANCE

1. Cleaning

Regularly clean the earbuds and charging case with a soft, dry, lint-free cloth. Avoid using abrasive materials, solvents, or aerosol sprays.

2. Water Resistance

The earbuds are IPX6 waterproof, meaning they are resistant to high-pressure water jets from any direction. They can withstand sweat and rain, making them suitable for workouts and outdoor activities. However, they are not designed for submersion in water.

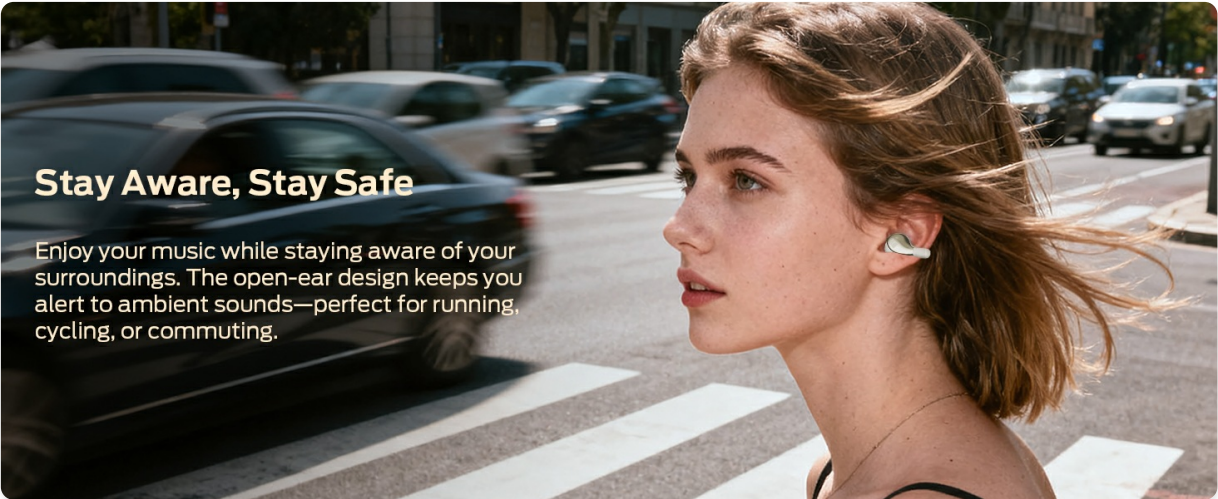

Image: A person wearing the earbuds in a wet environment, demonstrating IPX6 water resistance.

3. Storage

When not in use, store the earbuds in their charging case to protect them and ensure they remain charged. Store in a cool, dry place away from extreme temperatures.

TROUBLESHOOTING

- **No Sound:** Ensure earbuds are charged, connected to your device, and volume is turned up. Check if the correct audio output is selected on your device.
- **Cannot Pair:** Make sure Bluetooth is enabled on your device and the earbuds are in pairing mode. Try turning Bluetooth off and on again on your device. If issues persist, reset the earbuds (refer to manufacturer's website for specific reset instructions if not in manual).
- **Intermittent Connection:** Ensure your device is within the Bluetooth range (up to 12 meters) and there are no significant obstructions. Avoid strong electromagnetic interference.
- **Charging Issues:** Verify the charging cable and power adapter are working correctly. Ensure the charging contacts on the earbuds and case are clean and dry.

SPECIFICATIONS

Feature	Detail
Model Name	AC225 Earbuds
