AOGUERBE KT-D009

AOGUERBE 10000mAh Foldable Magnetic Power Bank User Manual

Model: KT-D009

1. INTRODUCTION

Thank you for choosing the AOGUERBE 10000mAh Foldable Magnetic Power Bank. This device is a versatile 3-in-1 portable charger designed to provide convenient and fast power for your mobile devices. It features strong magnetic attachment for wireless charging, integrated USB-C and USB-A ports for wired charging, and a foldable stand for hands-free use.

2. SAFETY INFORMATION

To ensure safe and optimal operation of your power bank, please observe the following:

- Avoid overcharging, over-current, short circuits, and high temperatures. The power bank includes a built-in smart chip and low-temperature ice cores for protection.
- Charge the power bank once every 3 months if it is not used for a long time to maintain battery health.
- It is normal for the power bank to become slightly warm during charging.
- Keep the power bank clean and dry. Do not wash it with corrosive chemicals.
- Protect the environment; do not dispose of the device improperly.

3. PACKAGE CONTENTS

The package includes:

- 1 x AOGUERBE 10000mAh Wireless Power Bank
- 1 x USB-C Charging Cable
- 1 x User Manual

4. PRODUCT OVERVIEW

Image 2: Key features and ports of the AOGUERBE Power Bank.

The AOGUERBE 10000mAh Foldable Magnetic Power Bank integrates multiple functionalities:

- **3-in-1 Design:** Combines an integrated USB-C cable, a folding stand, and strong magnetic force for versatile charging.
- **Strong Magnetic & Fast Charging:** Supports 15W max wireless fast charging and features magnetic suction technology for immediate charging upon attachment.
- **High Capacity:** 10,000 mAh capacity capable of charging iPhone 12/13/14/15/16/17 Pro approximately twice, and iPhone 12/13/14/15/16/17 Pro Max about 1.5 times.
- **Multi-Device Charging:** Can charge up to three devices simultaneously via wireless, USB-A (22.5W max PD output), and USB-C (20W max output).

- **Foldable Stand:** Integrated kickstand allows for vertical or horizontal phone placement for comfortable viewing while charging.
- **LED Display:** A clear smart LED digital display shows the remaining power percentage.
- **Compact Design:** Lightweight (0.41 lbs) and slim (4.09*2.68*0.86 inches) design that does not block the camera lens.

5. SETUP

5.1 Charging the Power Bank

To charge your AOGUERBE power bank, use the provided USB-C cable or an 18W Lightning input cable. Connect the cable to the appropriate input port on the power bank and plug the other end into a power adapter. The LED display will show the charging progress.

Image 3: Charging the power bank via USB-C or Lightning cable.

5.2 Initial Power Check

Press the power button on the side of the power bank to activate the LED display and check the current battery level before first use.

6. OPERATING INSTRUCTIONS

6.1 Wireless Charging (MagSafe)

For iPhone 12/13/14/15/16/17 Series, simply align the power bank with the back of your iPhone. The strong magnetic force will snap it into place, and wireless charging will begin automatically. For optimal magnetic grip, use a MagSafe-compatible phone case or no case.

Strong Magnetic Attachment

Image 5: Recommended use with MagSafe cases or without cases for best magnetic grip.

6.2 Wired Charging

Use the integrated USB-C cable or connect your own USB-A cable to the respective output ports on the power bank to charge other devices. The power bank supports 22.5W max USB-A PD output and 20W max USB-C output for fast charging.

6.3 Using the Foldable Stand

Pull out the integrated kickstand from the back of the power bank. You can then place your phone vertically or horizontally on the stand for convenient viewing while it charges wirelessly.

Foldable Stand For Easy Viewing

Image 6: The foldable stand allows for hands-free viewing.

6.4 Charging Multiple Devices

The power bank can charge up to three devices simultaneously: one wirelessly via MagSafe, one via the integrated USB-C cable, and another via the USB-A output port.

Image 7: Charging an iPhone wirelessly, earbuds via USB-C, and another phone via USB-A.

6.5 Checking Battery Level

The digital LED display on the side of the power bank shows the exact remaining battery percentage. Press the power button to activate the display.

7. MAINTENANCE

- Keep the power bank in a cool, dry place away from direct sunlight and extreme temperatures.
- Clean the exterior with a soft, dry cloth. Do not use harsh chemicals or abrasive cleaners.
- Avoid dropping or subjecting the device to strong impacts.

8. TROUBLESHOOTING

- **Device not charging wirelessly:** Ensure your phone is MagSafe compatible (iPhone 12 series or newer) and that the power bank is properly aligned. If using a case, ensure it is MagSafe compatible.
- **Device not charging via cable:** Check that the cable is securely connected to both the power bank and your device. Ensure the power bank has sufficient charge.
- **Power bank turning off unexpectedly:** Ensure the power bank is adequately charged. If the issue persists, contact customer support.
- **Slow charging:** Verify that your device supports fast charging and that the cables used are capable of delivering fast charging speeds.

9. SPECIFICATIONS

Feature	Detail
Model Number	KT-D009
Battery Capacity	10000 Milliamp Hours (Lithium Polymer)
Wireless Charging Output	15W Max
USB-A PD Output	22.5W Max
USB-C Output	20W Max
USB-C Input	18W Max
Lightning Input	18W Max
Product Dimensions	4.1 x 0.8 x 2.5 inches
Item Weight	8 ounces
Special Features	Fast Charging, LED Indicator Lights, Pocket Size, Foldable Stand
