## 4. SETUP AND CONNECTION MODES

The Gtheos Captain 370 offers four versatile connection modes:

### 1. 2.4GHz USB Wireless Connection:

Connect the USB-A wireless receiver to your PS4, PS5, PC, Mac, or smartphone. This mode provides

low-latency audio with a communication range of up to 15 meters. Note: The external microphone is not supported when connected to Nintendo Switch via this mode.

## 2. Type-C Wireless Connection:

Detach the USB-A adapter from the wireless receiver to reveal the Type-C connector. Plug the Type-C receiver into compatible smartphones, tablets, or PS5 consoles for wireless audio.

## 3. Bluetooth 5.3 Connection:

Activate Bluetooth on your smartphone, tablet, or laptop and pair with the headset. This mode is ideal for general audio listening and communication.

## 4. 3.5mm Wired Connection:

Use the included 3.5mm audio cable to connect to PS4, PS5, Nintendo Switch, PC, or Xbox One Series consoles. Note: Game consoles typically support only wired connections for full functionality.
