ARTPOWER Coffee Bar Cabinet

ARTPOWER 48-inch Coffee Bar Cabinet Instruction Manual

Model: Coffee Bar Cabinet

INTRODUCTION

This manual provides detailed instructions for the assembly, operation, and maintenance of your ARTPOWER 48-inch Coffee Bar Cabinet. Please read all instructions carefully before beginning assembly and retain this manual for future reference.

SAFETY INFORMATION

- Ensure all parts are present and undamaged before assembly. Do not use if any parts are missing or broken.
- Assemble the cabinet on a soft, clean surface to prevent scratches.
- Always use the provided hardware and tools as specified in the assembly instructions.
- Do not overload shelves or drawers. Distribute weight evenly.
- Keep small parts away from children during assembly.
- For stability, consider securing the cabinet to a wall, especially if children are present. Wall anchoring hardware may be sold separately.

PARTS LIST

Refer to the separate assembly guide included in your packaging for a complete list of parts and hardware. Each part is labeled for easy identification.

SETUP AND ASSEMBLY

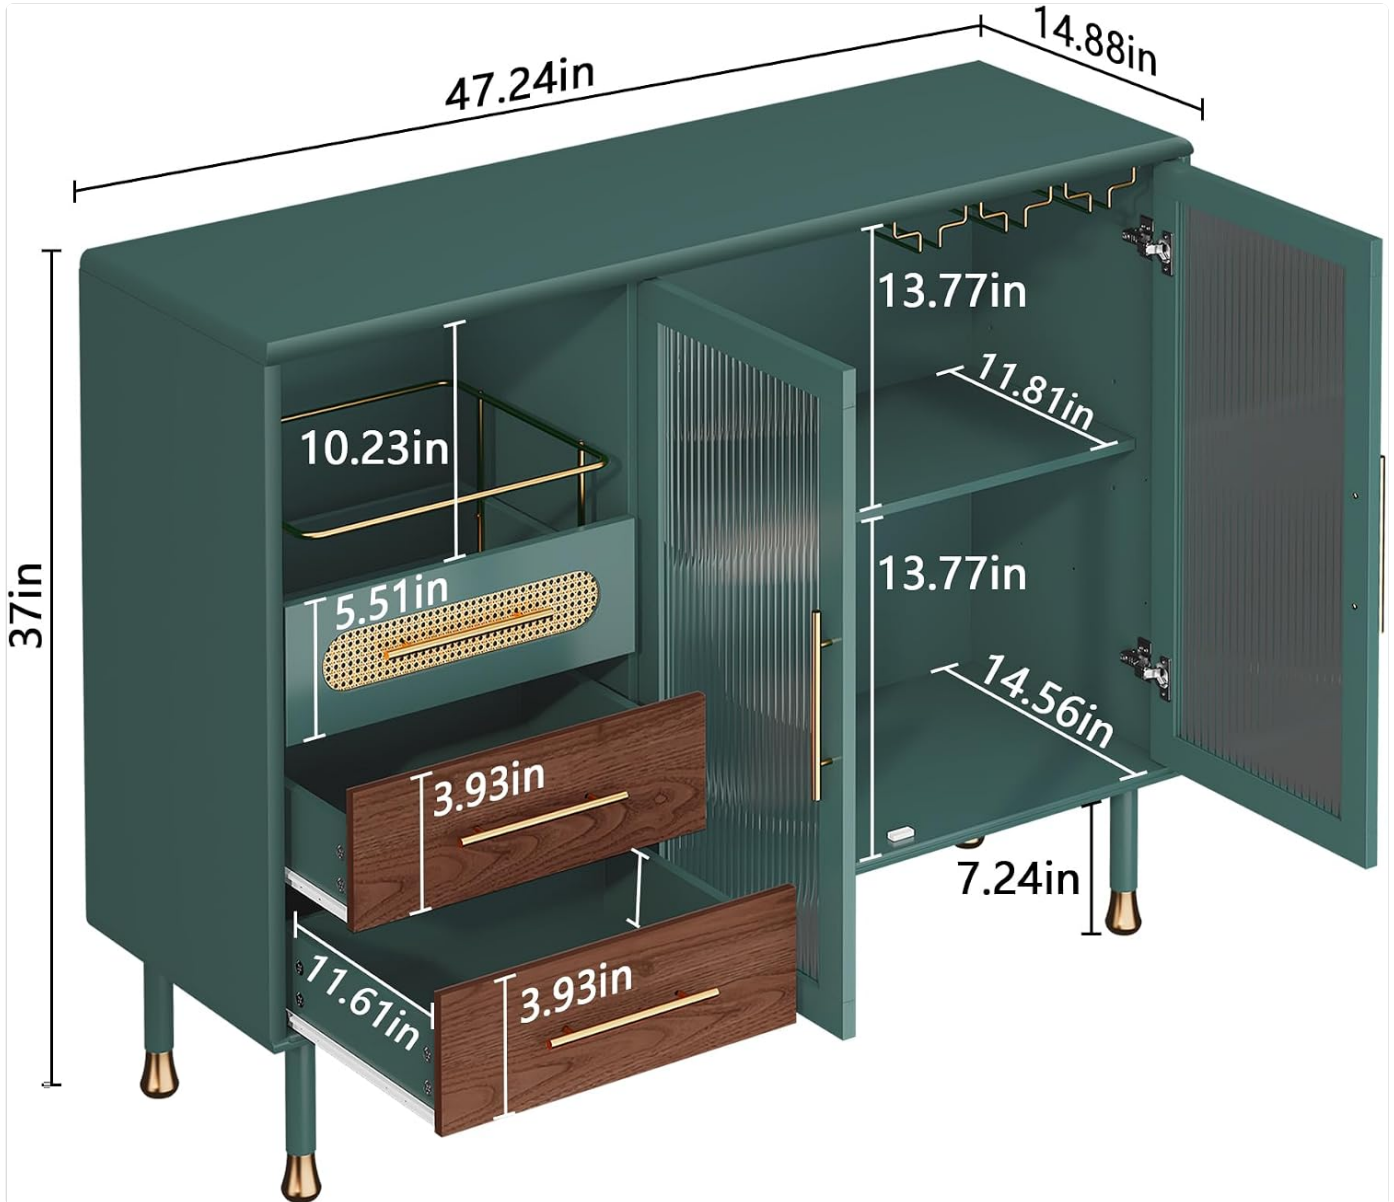

The ARTPOWER Coffee Bar Cabinet is designed for straightforward assembly. Clear instructions and all necessary hardware are included. Each part is labeled to facilitate quick identification and setup.

Assembly Steps:

1. **Unpack and Verify:** Carefully unpack all components and compare them against the parts list in the assembly guide. Ensure no parts are missing or damaged.
2. **Prepare Workspace:** Choose a spacious, clean, and level area for assembly. Lay down a blanket or cardboard to

protect the cabinet pieces and your floor.

3. **Follow Instructions:** Adhere strictly to the step-by-step instructions provided in the separate assembly manual. Pay close attention to diagrams and hardware usage for each step.
4. **Secure Connections:** Ensure all screws, dowels, and fasteners are tightened securely, but do not overtighten to avoid damaging the wood.
5. **Install Features:** Install the wine glass holders, pull-out bottle rack, and drawer slides as directed.
6. **Final Placement:** Once assembled, carefully move the cabinet to its desired location.

The ARTPOWER Coffee Bar Cabinet integrated into a living room environment, showcasing its aesthetic appeal.

OPERATING INSTRUCTIONS

The ARTPOWER Coffee Bar Cabinet features smart zoned storage designed for practical organization of your beverages and bar accessories.

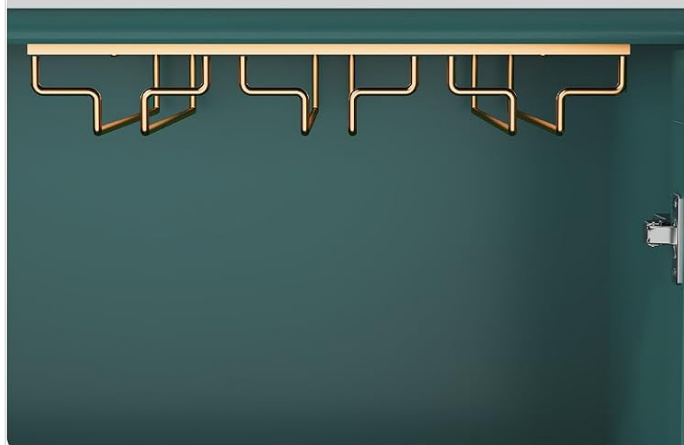

Key Features:

- **Wine Glass Holders:** Utilize the 3 built-in wine glass holders located inside the cabinet section to neatly hang your stemware.
- **Pull-Out Bottle Rack:** The smooth-gliding pull-out bottle rack is ideal for storing opened large bottles or frequently accessed items.
- **Dual Drawers:** Two drawers provide dedicated space for bar tools, coasters, or other small accessories, keeping them organized and out of sight.
- **Adjustable/Removable Partition:** The cabinet section includes a removable partition, allowing you to customize the

internal space to fit various items perfectly. Adjust its height or remove it entirely based on your storage needs.

- **Tempered Glass Doors:** The heat-resistant tempered glass doors offer a view of your stored items while protecting them.

MAINTENANCE AND CARE

Proper care will ensure the longevity and appearance of your ARTPOWER Coffee Bar Cabinet.

- **Cleaning:** Clean the cabinet surfaces with a soft, damp cloth. Avoid harsh chemicals or abrasive cleaners, which can damage the finish.
- **Spills:** Wipe up spills immediately to prevent staining or damage to the wood and finish.
- **Dusting:** Regularly dust with a dry, soft cloth.
- **Glass Care:** For the tempered glass doors, use a non-ammonia glass cleaner and a soft cloth to avoid streaks.
- **Hardware:** Periodically check all hardware (screws, hinges, drawer slides) to ensure they remain tight. Tighten as needed.
- **Avoid Direct Sunlight:** Prolonged exposure to direct sunlight can cause fading or discoloration of the finish.
- **Humidity Control:** Maintain a stable humidity level in the room to prevent wood from warping or cracking.

TROUBLESHOOTING

Problem	Possible Cause	Solution
Cabinet is wobbly or unstable.	Loose fasteners; uneven floor.	Check and tighten all screws and bolts. Ensure the cabinet is on a level surface; use shims if necessary.
Drawers do not slide smoothly.	Improper installation of drawer slides; obstruction.	Verify drawer slides are installed correctly and aligned. Check for any objects obstructing the slides.
Doors do not close properly or are misaligned.	Loose hinges; cabinet not level.	Adjust hinges as per assembly instructions. Ensure the cabinet is level.
Missing parts or damaged components upon arrival.	Shipping damage; packaging error.	Do not proceed with assembly. Contact customer support immediately for replacement parts.
