

OTTOCAST CP88-T3

OTTOCAST Mini Pot 2025 Wireless CarPlay & Android Auto Adapter Instruction Manual

Model: CP88-T3 | Brand: OTTOCAST

1. INTRODUCTION

The OTTOCAST Mini Pot 2025 is a compact 2-in-1 adapter designed to convert your vehicle's existing wired Apple CarPlay or Android Auto system into a wireless experience. This device offers instant connection, stable performance, and broad compatibility, enhancing your in-car connectivity without the need for cables.

Figure 1: The OTTOCAST Mini Pot enables wireless CarPlay and Android Auto.

Key Benefits:

- **Seamless Wireless Upgrade:** Transforms wired CarPlay/Android Auto into a wireless system.
- **Fast Auto Connection:** Reconnects automatically within seconds upon vehicle startup.
- **Compact Design:** Ultra-small form factor for discreet integration.
- **Wide Compatibility:** Supports most 2016+ cars with wired CarPlay/Android Auto, compatible with iPhone (iOS 10+) and Android (Android 11+ with 5GHz WiFi).

2. PRODUCT OVERVIEW

Figure 2: The OTTOCAST Mini Pot adapter and included USB converters.

Compact and Stable Design:

The Mini Pot adapter features an ultra-compact design, making it lighter than a coin and easy to conceal within your vehicle's console. Its tapered connector ensures a secure fit, minimizing the risk of disconnection even on uneven roads.

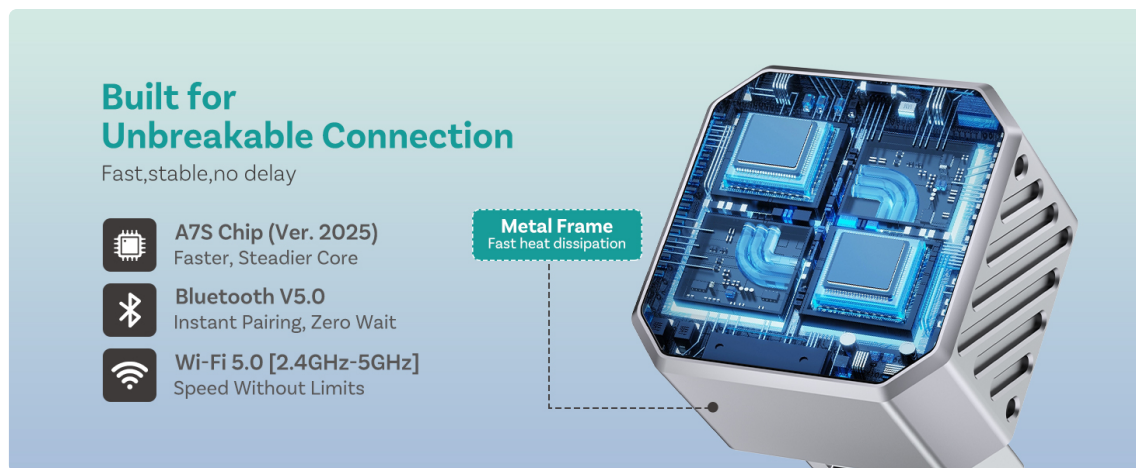

Figure 3: The Mini Pot's ultra-compact size and secure USB plug-in design.

Advanced Connectivity:

Equipped with an A7S Chip (Ver. 2025), Bluetooth V5.0, and Dual Wi-Fi (2.4GHz-5GHz), the adapter provides fast, stable, and anti-interference connectivity. The metal frame aids in fast heat dissipation for optimal performance.

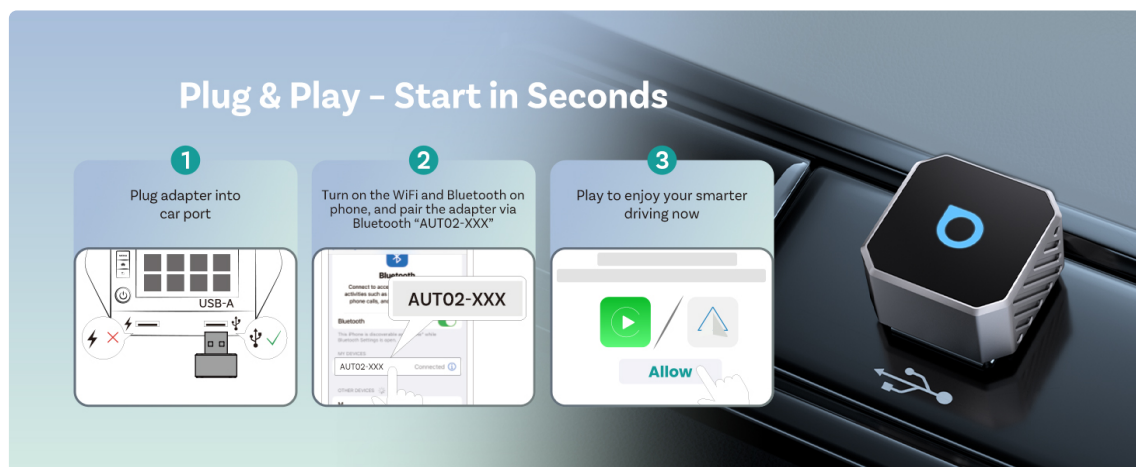

Figure 4: Internal components and connectivity features for stable performance.

3. COMPATIBILITY

The OTTOCAST Mini Pot is designed for broad compatibility with vehicles and mobile devices.

Vehicle Compatibility:

- Supports most cars manufactured in 2016 or later that come with factory-wired Apple CarPlay or Android Auto.
- Works with over 800+ car models.
- **Note:** Not compatible with BMW or Tesla vehicles.

Figure 5: Broad compatibility with over 800 car models.

Mobile Device Compatibility:

- **iPhone:** iOS 10 and above (iPhone 6 and above series).
- **Android:** Android 11 and above with 5GHz WiFi support.

4. PACKAGE CONTENTS

Your OTTOCAST Mini Pot package includes the following items:

- 1x Wireless CarPlay/Android Auto Adapter (OTTOCAST Mini Pot)
- 1x USB Plug Adapter (Type-A to Type-C)
- 1x User Manual

5. SETUP GUIDE

Follow these steps for quick and easy setup of your OTTOCAST Mini Pot adapter:

1. **Plug Adapter into Car Port:** Connect the OTTOCAST Mini Pot adapter into your car's USB port (USB-A or USB-C using the provided adapter).
2. **Enable Bluetooth & Wi-Fi on Phone:** Turn on both Bluetooth and Wi-Fi on your iPhone or Android device.
3. **Pair with Adapter:** Search for the adapter's Bluetooth name (e.g., "CAR2-XXXX") in your phone's Bluetooth settings and pair.

4. **Allow Permissions:** Grant any necessary permissions on your phone to allow CarPlay or Android Auto to connect.
5. **Start Wireless CarPlay/Android Auto:** Your car's infotainment system should automatically launch wireless CarPlay or Android Auto.

6. OPERATING YOUR ADAPTER

Once connected, the OTTOCAST Mini Pot provides a seamless and intuitive wireless experience.

Accessing Apps:

Enjoy full functionality of all your supported CarPlay or Android Auto applications, including navigation, music, messaging, and more, directly on your car's display.

Figure 8: Seamless access to all supported applications on your car's display.

Vehicle Controls:

Maintain use of your car's original controls, including touchscreen, steering wheel buttons, and voice assistant (Siri/Google Assistant), for a familiar and safe driving experience.

Dual Device Memory:

The adapter can remember up to two paired devices, allowing for seamless switching between phones without the need for re-pairing. It automatically reconnects to the last used device within 10 seconds.

Figure 9: The adapter supports dual device memory for quick switching.

7. ADVANCED FEATURES

GPS Passthrough:

The Mini Pot features exclusive GPS passthrough technology for stable navigation, ensuring no signal loss even in weak areas, unlike some other adapters.

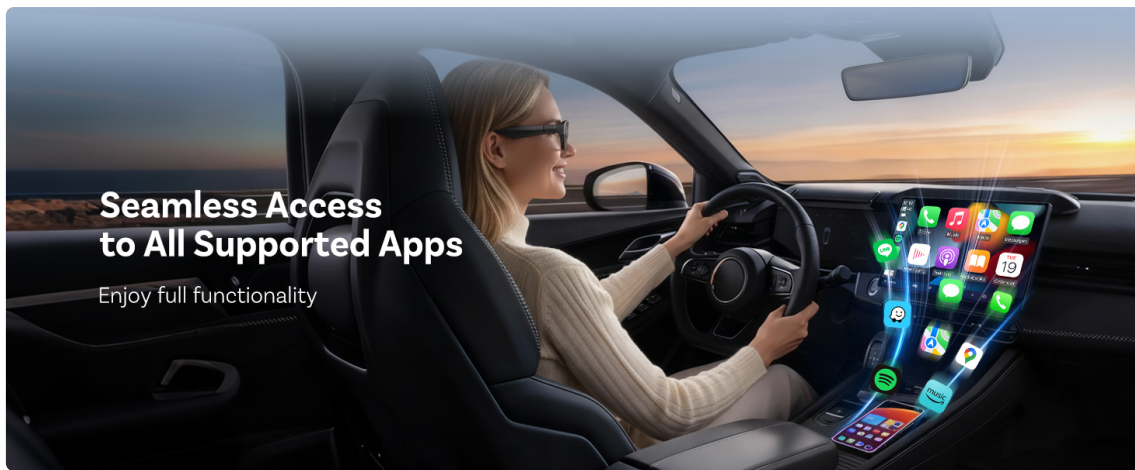

Figure 10: Stable GPS navigation with passthrough technology.

Firmware Updates:

The adapter supports online firmware upgrades to ensure optimal performance and compatibility with the latest software versions. You can check for and install updates via a web interface accessible through your phone's browser when connected to the adapter's Wi-Fi.

Figure 11: Steps to update the adapter's firmware online.

8. TROUBLESHOOTING

If you encounter any issues with your OTTOCAST Mini Pot adapter, consider the following:

- **Connection Issues:** Ensure both Bluetooth and Wi-Fi are enabled on your phone and that the adapter is correctly plugged into the car's USB port. Try restarting your phone and the car's infotainment system.
- **Compatibility Check:** Verify that your vehicle and phone meet the compatibility requirements (2016+ car with wired CarPlay/Android Auto, iOS 10+, Android 11+ with 5GHz WiFi).
- **Firmware Update:** Check for and install any available firmware updates as described in the Advanced Features section. Updates often resolve known issues and improve performance.
- **Phone Switching:** If switching between devices, ensure the previously connected phone's Bluetooth and Wi-Fi are temporarily disabled to allow the new device to connect.
- **Factory Reset:** If problems persist, you may perform a factory reset via the adapter's web interface (192.168.1.101) to clear all previous settings.

9. SPECIFICATIONS

- **Model Number:** CP88-T3
- **Product Dimensions:** 0.87 x 0.87 x 1.02 inches (2.21 x 2.21 x 2.59 cm)
- **Item Weight:** 1.44 ounces (40.82 grams)
- **Material:** Metal
- **Wireless Communication Standard:** 802.11ac (5GHz Wi-Fi)
- **Bluetooth:** V5.0

10. WARRANTY AND SUPPORT

2-Year Warranty:

The OTTOCAST Mini Pot is backed by a 24-month (2-year) warranty from the date of purchase. This warranty covers manufacturing defects and ensures reliable wireless performance. Proof of purchase is required for warranty claims.
