Bonnlo Fireplace TV Stand (Model BL0SM07WA) User Manual

For models supporting up to 80-inch TVs with Electric Fireplace, LED Lighting, and Storage

Introduction	Safety Information	Package Contents	Setup & Assembly	Operating Instructions
	Maintenance	Troubleshooting	Specifications	Warranty & Support

1. INTRODUCTION

Thank you for choosing the Bonnlo Fireplace TV Stand. This versatile media console is designed to accommodate TVs up to 80 inches and features an integrated electric fireplace with 3-sided glass, dynamic LED lighting, and ample storage solutions. This manual provides detailed instructions for assembly, operation, and maintenance to ensure safe and optimal use of your product.

The Bonnlo Fireplace TV Stand combines functionality with aesthetic appeal, offering a cozy ambiance with its electric fireplace and organized storage for your media devices and decor. Its durable construction and thoughtful design make it a central piece for any living space.

2. IMPORTANT SAFETY INFORMATION

Please read all instructions carefully before assembling or operating this product. Failure to follow these instructions may result in electric shock, fire, property damage, or personal injury.

General Safety Precautions:

- Keep the instruction manual for future reference.
- Ensure all components are present and undamaged before assembly. Do not assemble if any parts are missing or damaged.
- Assembly should be performed on a soft, clean surface to prevent scratches.
- Always use two or more people for assembly and moving the TV stand to prevent injury.
- Do not overload the TV stand. Adhere to the maximum weight capacity for the top surface and shelves.
- Place the TV stand on a level, stable surface.

- Keep children and pets away from the product during assembly.

Electric Fireplace Safety:

- This electric fireplace is for indoor use only.
- Do not operate the fireplace with a damaged cord or plug, or if the heater malfunctions.
- Keep combustible materials (furniture, bedding, papers, clothes, curtains) at least 3 feet (0.9 meters) from the front of the heater.
- Do not insert or allow foreign objects into any ventilation or exhaust opening as this may cause an electric shock or fire, or damage the heater.
- The fireplace features CSA-certified overheat protection. If the heater overheats, it will automatically shut off. Unplug the unit and allow it to cool before restarting.
- Always unplug the fireplace before cleaning or performing any maintenance.

3. PACKAGE CONTENTS

Your Bonnlo Fireplace TV Stand package includes the following items. Please verify all components are present before beginning assembly.

- TV Stand components (various engineered wood panels, hardware)
- Electric Fireplace Insert
- Instruction Book (for assembly)
- Remote Control (for fireplace and LED lighting)

Note: The TV stand and fireplace insert may be delivered in two separate packages and might arrive on different days. Please ensure both packages have arrived before starting assembly.

4. SETUP & ASSEMBLY

Assembly of the Bonnlo Fireplace TV Stand typically requires 2-4 hours with two people. Follow the detailed instructions provided in the included Instruction Book. Ensure you have adequate space and the necessary tools (e.g., screwdriver) before starting.

Assembly Steps Overview:

1. **Unpack and Identify Parts:** Carefully unpack all components and hardware. Refer to the parts list in your Instruction Book to identify each piece.
2. **Assemble the Main Frame:** Follow the step-by-step diagrams to construct the main body of the TV stand.
3. **Install Drawers and Cabinets:** Assemble the two smooth-glide drawers and install the glass-door cabinets. Ensure drawer slides are properly aligned for smooth operation.
4. **Insert Electric Fireplace:** Carefully place the electric fireplace insert into its designated opening in the center of the TV stand.
5. **Install LED Lighting:** Follow instructions for installing the full-color LED strip.
6. **Final Adjustments:** Ensure all screws are tightened, and the stand is stable. Adjust shelves as needed.

Important: Some users have reported that drawers may require careful alignment during assembly. If you encounter issues, double-check the orientation of the drawer slides and ensure all hardware is correctly installed as per the Instruction Book.

5. OPERATING INSTRUCTIONS

Electric Fireplace Operation:

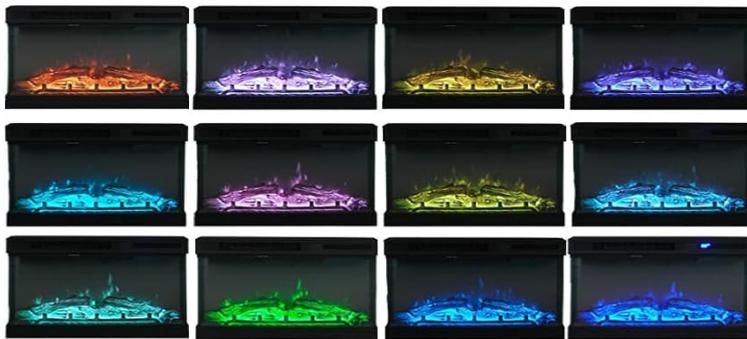

The 36-inch electric fireplace can be controlled via the included remote control or the touch panel on the unit.

- **Power On/Off:** Press the power button on the remote or touch panel to turn the fireplace on or off.
- **Flame Colors:** Choose from 12 flame colors to match your mood or decor. Use the flame color button on the remote or touch panel to cycle through options.
- **Brightness Levels:** Adjust the flame brightness with 5 available levels.
- **Heat Settings:** The heater offers adjustable temperatures from 62°F to 95°F. Use the temperature controls to set your desired warmth. The fireplace can operate with or without heat.
- **Timer Function:** Set an automatic shut-off timer for 0.5 to 6 hours.

LED Lighting Operation:

The integrated full-color LED lighting strip can be controlled via a dedicated app or the remote control.

- **Color Selection:** Access millions of color options through the app or remote to customize the ambiance.
- **Music Rhythm Mode:** Activate this mode to synchronize the LED lights with your music, creating a dynamic visual experience.
- **Auto-Off Timer:** Set a timer for the LED lights to automatically turn off.

Storage Features:

- **Glass-Door Cabinets:** Two cabinets with glass doors provide enclosed storage for media, books, or decorative items. Adjustable shelves allow for flexible organization.
- **Smooth-Glide Drawers:** Two drawers offer concealed storage for smaller items, ensuring a clutter-free appearance.
- **Open Shelf:** A central open shelf is ideal for media players, game consoles, or soundbars.

6. MAINTENANCE

Regular maintenance will help preserve the appearance and functionality of your Bonnlo Fireplace TV Stand.

- **Cleaning the Wood Surfaces:** Wipe wood surfaces with a soft, damp cloth. Avoid harsh chemicals or abrasive cleaners that can damage the finish. Dry immediately with a clean cloth.
- **Cleaning Glass Doors:** Use a standard glass cleaner and a soft, lint-free cloth. Spray cleaner onto the cloth, not directly onto the glass, to prevent overspray onto wood surfaces.

- **Fireplace Insert:** Ensure the fireplace is unplugged and cool before cleaning. Wipe the exterior with a soft, damp cloth. Do not spray water directly into the unit.
- **Dusting:** Regularly dust all surfaces with a soft, dry cloth to prevent buildup.
- **Hardware Check:** Periodically check all screws and fasteners to ensure they are tight. Retighten if necessary.

7. TROUBLESHOOTING

If you encounter issues with your Bonnlo Fireplace TV Stand, refer to the following common problems and solutions:

Problem	Possible Cause	Solution
Electric fireplace does not turn on.	Not plugged in; power outlet issue; overheat protection activated; remote control battery low.	Ensure the power cord is securely plugged into a functional outlet. Check your home's circuit breaker. If overheat protection activated, unplug and let cool for 15-20 minutes. Replace remote control batteries.
LED lights are not working.	Loose connection; app/remote control issue; LED strip damage.	Check all LED strip connections to ensure they are secure. Verify the app or remote control is functioning correctly (e.g., battery). If the issue persists, contact customer support.
Drawers do not close smoothly or are misaligned.	Incorrect assembly of drawer slides; loose hardware.	Review the assembly instructions for drawer slide installation. Ensure all screws are tightened and the slides are correctly oriented and aligned. Adjust as necessary.
Heater produces no heat, but flames are visible.	Heater function is off; temperature setting too low.	Ensure the heater function is activated via the remote or touch panel. Increase the temperature setting to a desired level.
