2. WHAT'S INCLUDED

- 2 x Wireless Earbuds
- 1 x Charging Case
- 1 x USB-C Cable
- 1 x User Manual

3. SETUP

3.1 Charging the Earbuds and Case

Before first use, fully charge the earbuds and charging case. The case features an LED digital display to show the current battery percentage. Use the provided USB-C cable for charging.

- Place the earbuds into the charging case.
- Connect the USB-C cable to the charging port on the case and to a power source.
- The LED display on the case will show the charging status. A full charge for the case typically takes 1 hour.

- The earbuds provide up to 12 hours of continuous play time on a single charge, with the charging case offering an additional 48 hours of playtime.

3.2 Wearing the Earbuds

The Psadhi J500 Plus earbuds feature an open-ear, ergonomic design with ear hooks for a secure and comfortable fit without entering the ear canal. This design allows you to hear your surroundings while enjoying audio.

1. Take out the earbuds from the charging case.
2. Hang the end of the earbud over your ear bone.
3. Turn the earbud and slide it behind your ear.
4. Adjust the ear hook for a secure and comfortable fit.

3.3 Bluetooth Pairing

The earbuds utilize Bluetooth 5.4 technology for fast and stable connections.

- Open the charging case. The earbuds will automatically enter pairing mode.
- On your device (smartphone, tablet, etc.), go to Bluetooth settings.
- Select "J500 Plus" from the list of available devices to connect.
- Once paired, the earbuds will automatically connect to your device when taken out of the case.

Secure and Stable Ear Hook Design

The ear hook adapts to different ear shapes ensuring a secure fit and preventing slips perfect for sports

4. OPERATING THE EARBUDS

4.1 Music Playback

Experience rich audio with built-in 15.3mm dynamic drivers and 360° Spatial Audio. The open-ear design ensures you can enjoy your music while remaining aware of your environment.

4.2 Call Management

The earbuds are equipped with dual-mic ENC (Environmental Noise Cancellation) technology for crystal-clear communication, reducing background noise during calls.

Snug-Fit Design

The earphones fit snugly in the ear canal, reducing sound leakage and enhancing sound clarity and fidelity.

4.3 Touch Controls

The earbuds feature flexible touch controls, enabling you to perform various functions with a gentle tap. Refer to the included user manual for specific tap commands for play/pause, skipping tracks, answering/ending calls, and activating voice assistants.

5. MAINTENANCE

5.1 Water Resistance

The Psadhi J500 Plus earbuds are IPX7 water-resistant, making them suitable for workouts and outdoor activities. They are protected against immersion in water up to 1 meter for 30 minutes. Avoid prolonged exposure to water or submersion.

3D Six-Axis Head Tracking

Experience immersive sound with 3D six-axis head tracking and spatial audio output.

Image: An earbud with water droplets, demonstrating its water-resistant capabilities (rated IPX7).

6. TROUBLESHOOTING

6.1 Changing Voice Prompt Language

If the voice prompts on your earbuds are not in English, you can easily switch the language:

- With the earbuds connected and active, perform four quick taps on either earbud.
- You will hear a voice prompt confirming the language change to English.
