Warranty & Support							

1. PRODUCT OVERVIEW

The MERITLINE Queen Horizontal Murphy Bed with Sofa and Storage Shelves is a versatile furniture solution designed to maximize space in your living area. This unit seamlessly integrates a comfortable queen-sized bed, a functional sofa, and practical storage shelves with integrated LED lighting. It allows for easy conversion between a sleeping area and a living space, making it ideal for multi-functional rooms.

2. SAFETY INFORMATION

Please read and understand all safety instructions before assembly and use of the MERITLINE Murphy Bed. Failure to follow these instructions may result in injury or product damage.

- **Wall Mounting:** This Murphy bed requires secure wall mounting for safe operation. Ensure the unit is firmly anchored to a sturdy wall structure according to the assembly instructions.
- **Safety Lock:** Always engage the integrated safety lock when the bed is in the stowed (sofa) position to prevent accidental deployment.
- **Weight Capacity:** Do not exceed the maximum bed weight capacity of 600 lbs (approximately 272 kg). This includes the mattress and occupants.
- **Assembly:** Follow all installation instructions carefully. It is recommended to have at least two adults for assembly to ensure stability and safety.

- **Clearance:** Ensure adequate clearance around the bed when deploying and stowing to avoid obstruction or damage.

SAFETY BUCKLE

When you use it as a sofa, you can buckle the safety lock to ensure your safety.

HYDRAULIC SYSTEM

Easily opens and closes the bed when you use it

COMFORTABLE SOFA

The Murphy Bed not only provides a comfortable sleeping space but also incorporates a sofa.

3. PACKAGE CONTENTS

Verify that all components are present before beginning assembly. If any parts are missing or damaged, please contact customer support.

- Murphy Bed Frame Components
- Sofa Components (Couch)
- Storage Shelf Units
- LED Light Kit
- Assembly Hardware (screws, bolts, connectors, etc.)

- Instruction Manual

4. SETUP AND ASSEMBLY

Assembly of the MERITLINE Murphy Bed requires careful attention to detail and is best performed by two adults. An installation instruction manual with clear illustrations is included with your product. Please refer to this manual for step-by-step guidance.

4.1 Recommended Tools (Not Included)

- Power screwdriver with hex-bit attachments
- Rubber mallet
- Drill (for wall mounting and potentially pre-drilling holes)
- Measuring tape
- Level

4.2 Assembly Tips

- **Read Instructions First:** Review the entire instruction manual before starting to familiarize yourself with the process.
- **Organize Parts:** Lay out all components and hardware, matching them against the parts list in the manual.
- **Two-Person Assembly:** Many steps require lifting and aligning large components, making two-person assembly essential for safety and efficiency.
- **Wall Mounting:** The unit must be securely mounted to a wall. Identify wall studs for proper anchoring.
- **Orientation:** Pay close attention to the orientation of pieces in the diagrams to avoid incorrect assembly.

Typical assembly time can range from 3 hours with multiple people to 11 hours for a single person, depending on experience and tools available.

5. OPERATING INSTRUCTIONS

5.1 Deploying the Bed

1. Ensure the area in front of the Murphy bed is clear of obstructions.
2. If engaged, disengage the safety lock mechanism.
3. Gently pull on the handles located on the bed panel. The hydraulic system will assist in lowering the bed.
4. As the bed lowers, flip the support legs down onto the floor to secure the bed in the horizontal position.
5. Ensure the bed is fully extended and stable before use.

The hide away bed is easy to use, simply pull on the handles and flip the support leg down onto the floor.

Unique Storage Design

With its unique storage design, the bed and mattress can be easily stowed away together, maximizing space efficiency and keeping your living area tidy.

Image 5.1: The unique storage design, illustrating how the bed and mattress are easily stowed away to maximize space.

5.2 Stowing the Bed (Sofa Mode)

1. Remove any bedding or pillows that might obstruct the stowing process.
2. Fold the support legs back into their stowed position.
3. Gently lift the bed panel using the handles. The hydraulic system will assist in raising the bed into the cabinet.
4. Once the bed is fully upright and secured within the cabinet, engage the safety lock to prevent accidental deployment.
5. The unit is now in sofa mode.

5.3 Using the LED Lights

The integrated LED lights provide soft illumination for the storage shelves and can serve as a night light. Locate the power switch for the LED lights, typically on the side or underside of the shelf unit, and toggle it to turn the lights on or off.

Bed with LED Light

In addition, this cabinet-type bed frame is equipped with LED lights, which can serve as night lights, emitting soft light to create a warm and comfortable atmosphere for you.

Image 5.2: A detailed view of the LED light strip, highlighting its integration into the shelving for ambient lighting.

6. MAINTENANCE

Regular maintenance will help prolong the life and ensure the safe operation of your MERITLINE Murphy Bed.

- **Fastener Check:** Periodically inspect all screws, bolts, and connections to ensure they remain tight. Tighten any loose fasteners as needed.
- **Cleaning:** Wipe down surfaces with a soft, damp cloth. Avoid using abrasive cleaners or harsh chemicals that could damage the finish. For linen parts, spot clean with a mild fabric cleaner.
- **Hydraulic System:** The hydraulic system is designed for smooth operation. If you notice any stiffness or unusual resistance, do not force the bed. Contact customer support for assistance.
- **LED Lights:** Check the LED lights periodically for proper function. If lights dim or fail, ensure the power connection is secure.

7. TROUBLESHOOTING

This section addresses common issues you might encounter with your Murphy bed.

7.1 Bed Not Deploying/Stowing Smoothly

- **Check for Obstructions:** Ensure there are no items blocking the bed's path during deployment or stowing.

- **Verify Assembly:** Double-check that all components, especially the hydraulic system and hinges, were assembled correctly and are not binding.
- **Hydraulic System:** If the bed feels unusually heavy or light, the hydraulic pistons may need inspection. Do not attempt to repair them yourself; contact customer support.

7.2 LED Lights Not Working

- **Power Connection:** Ensure the LED light power adapter is securely plugged into a working outlet and the connection to the light strip is firm.
- **Switch Position:** Verify that the LED light switch is in the 'ON' position.
- **Damaged Strip:** Inspect the LED strip for any visible damage.

7.3 Unit Feels Unstable

- **Wall Mounting:** Re-verify that the unit is securely anchored to the wall studs. Loose wall mounts are a primary cause of instability.
- **Tighten Fasteners:** Check and tighten all assembly fasteners throughout the frame and cabinet.
- **Level Surface:** Ensure the floor where the unit is placed is level. Use shims if necessary.

8. PRODUCT SPECIFICATIONS

Material	Solid Wood, MDF, Linen
