2. Safety Information

WARNING: To reduce the risk of fire, electric shock, or injury, always follow basic safety precautions when using electrical appliances.

- Read all instructions before using the appliance.
- Do not immerse the appliance, cord, or plug in water or other liquids.
- Close supervision is necessary when any appliance is used by or near children. The unit includes a child safety lock.
- Unplug from outlet when not in use and before cleaning. Allow to cool before putting on or taking off parts.
- Do not operate any appliance with a damaged cord or plug, or after the appliance malfunctions or has been damaged in any manner.
- Do not use outdoors. This appliance is for indoor household use only.
- Do not let the cord hang over the edge of a table or counter, or touch hot surfaces.

- Do not place on or near a hot gas or electric burner, or in a heated oven.
- Always attach plug to appliance first, then plug cord into the wall outlet. To disconnect, turn any control to 'off', then remove plug from wall outlet.
- Use this appliance only for its intended use as described in this manual.
- The appliance is equipped with overheat protection for enhanced safety.

Components:

- Towel Warmer Unit
- Detachable Lid with Handle

- Inner Fragrance Pad Holder
- Power Cord

4. Setup

1. **Unpacking:** Carefully remove the towel warmer from its packaging. Retain packaging for future storage or transport.
2. **Placement:** Place the towel warmer on a flat, stable, heat-resistant surface away from water sources. Ensure adequate clearance around the unit for ventilation.
3. **Power Connection:** Plug the power cord into a standard electrical outlet. The unit is designed for plug-and-play operation.

Effortless One-Touch Operation.

User-Friendly Design

Designed for Everyday Ease

No setup required – plug in and enjoy instant warmth.

Image 5.1: Loading towels and operating the one-touch control.

5.2 Powering On and Setting Timer

1. **Power On:** Short press the power button to turn the unit on. The LED display will illuminate.
2. **Set Timer:** Press the timer button to cycle through the available warming durations: 5, 15, 45, and 60 minutes. Select your desired time.
3. The unit will begin heating automatically after a timer is selected.

5.3 Aromatherapy Function

1. Locate the inner fragrance pad holder inside the lid.

2. Insert a fragrance pad (sold separately) into the holder.
3. Close the lid. The heat will gently diffuse the fragrance into your towels.

Image 5.2: Using the aromatherapy scent pod.

5.4 Auto Shut-off

The towel warmer will automatically turn off once the selected warming cycle is complete. This feature prevents overheating and conserves energy.

6. Maintenance

6.1 Cleaning

1. Always unplug the unit and allow it to cool completely before cleaning.
2. Wipe the exterior with a soft, damp cloth. Do not use abrasive cleaners or harsh chemicals.
3. The interior can be wiped with a damp cloth. Ensure no water enters the electrical components.
4. Do not immerse the unit in water.

6.2 Storage

When not in use, store the towel warmer in a cool, dry place. Ensure the unit is clean and dry before storing.

7. Troubleshooting

Problem	Possible Cause	Solution
Unit does not turn on.	Not plugged in; power outlet malfunction; unit malfunction.	Ensure the power cord is securely plugged into a working outlet. Test the outlet with another appliance. If the issue persists, contact customer support.
Towels are not warm enough.	Insufficient warming time; unit overloaded; lid not closed properly.	Increase the warming time. Reduce the number of items inside. Ensure the lid is securely closed.
Unit emits unusual odor.	New unit odor; foreign object inside; overheating.	Initial use may produce a slight odor, which should dissipate. Unplug and inspect for foreign objects. If the odor is strong or persistent, discontinue use and contact support.
LED display not working.	Electrical issue; unit malfunction.	Unplug the unit for a few minutes and plug it back in. If the display remains off, contact customer support.

8. Specifications
