SAFETY INFORMATION

- Always assemble the dresser on a soft, clean surface to prevent scratches.
- Ensure all hardware is securely tightened before use. Periodically check and re-tighten as needed.
- To prevent tipping, always install the anti-tipping device provided with the dresser. This is crucial for household safety, especially in homes with children.
- Do not allow children to climb on or play with the dresser.
- Distribute weight evenly across drawers to maintain stability.

SETUP AND ASSEMBLY

The HOUROM dresser is designed for straightforward assembly. It includes clear instructions and labeled parts. An electronic screwdriver can expedite the process.

Required Tools (Not Included):

- Phillips head screwdriver (manual or electronic)
- Hammer (for dowels, if applicable)

Assembly Steps:

1. **Unpack and Verify:** Carefully unpack all components and hardware. Compare them against the parts list in your included assembly guide to ensure all pieces are present and undamaged.
2. **Assemble Frame:** Follow the step-by-step diagrams in the assembly guide to construct the main frame of the dresser. Ensure all connections are tight and secure.

3. **Install Drawer Glides:** Attach the drawer glides to the dresser frame according to the instructions. Pay attention to the orientation of the glides.
4. **Assemble Drawers:** Construct each of the nine drawers. Ensure the bottom panels are properly seated and all screws are tightened.
5. **Insert Drawers:** Carefully slide the assembled drawers into their respective glides on the dresser frame.
6. **Attach Anti-Tipping Device:** Securely fasten the anti-tipping device to the back of the dresser and to a wall stud, following the specific instructions provided. This step is critical for safety.

Sturdy Structure

OPERATING INSTRUCTIONS

The HOUROM dresser features a minimalist design with concealed handles and smooth-operating drawers.

Drawer Operation:

- **Opening:** The drawers are designed with concealed handles. To open, gently pull the top or bottom edge of the

drawer front. The buffer track system allows for smooth, effortless opening.

- **Closing:** Push the drawer gently to close. The buffer track will ensure a soft and silent retraction, preventing sudden slams and reducing noise, which is beneficial for maintaining a quiet environment.

Storage Capacity:

This dresser features nine spacious drawers, providing ample storage for various items. The extra-wide design helps organize clothing, accessories, and other personal belongings efficiently.

Smooth and Quiet Glides

- This is more than just a functional component—it's a moment of tranquility we've carefully crafted for you.

MAINTENANCE AND CARE

Proper care will help maintain the appearance and functionality of your dresser.

- **Cleaning:** Wipe surfaces with a soft, damp cloth. Avoid harsh chemicals or abrasive cleaners, which can damage the finish.
- **Spills:** The dresser features a waterproof countertop. For spills, wipe immediately with a dry cloth to prevent any potential damage, although the surface is designed to resist moisture.
- **Dusting:** Regularly dust with a dry, soft cloth to prevent buildup.
- **Hardware:** Periodically check all screws and fasteners to ensure they remain tight. Re-tighten as necessary to maintain structural integrity.
- **Placement:** Avoid placing the dresser in direct sunlight or near heat sources, as this can cause fading or warping over time.

Waterproof Countertop

- Perfectly replicates the grain of natural wood while offering exceptional water resistance.

TROUBLESHOOTING

If you encounter any issues with your HOUROM dresser, refer to the following common solutions:

- **Drawers Stick or Don't Close Smoothly:**

- Check if the drawer is overloaded or if items are obstructing the glides.
- Ensure the drawer glides are clean and free of debris.
- Verify that the drawer is assembled correctly and all screws on the glides are tight.

- **Dresser Feels Unstable:**

- Confirm that all assembly hardware is fully tightened.
- Ensure the dresser is placed on a level surface. Adjust any leveling feet if present.
- Verify that the anti-tipping device is correctly installed and securely anchored to the wall.

- **Minor Scratches or Dents:**

- For minor imperfections, a furniture repair marker or wood filler matching the walnut finish can be used.
