

Phone Stand

Generic Brachiosaurus Dinosaur Adjustable Cell Phone Stand User Manual

Model: Phone Stand

INTRODUCTION

Thank you for choosing the Generic Brachiosaurus Dinosaur Adjustable Cell Phone Stand. This stand is designed to provide a stable and ergonomic viewing experience for your smartphone or tablet, allowing for hands-free use in various settings. Its foldable and adjustable design ensures portability and comfort.

SETUP

Follow these steps to set up your cell phone stand:

- 1. Unfold the Base:** Gently unfold the base of the stand until it lies flat and stable on your desired surface.
- 2. Extend the Support Arm:** Pull the adjustable support arm upwards from the base to your preferred height. The stand features a telescopic design for height adjustment.
- 3. Adjust the Device Holder:** Tilt the device holder at the top to your desired viewing angle. The holder can be adjusted up to 135 degrees for optimal viewing.

FREELY ADJUST HEIGHT & ANGLES

Compatible with devices with 4.4 - 6.3 inch

Image: The stand can be freely adjusted in height and angle, compatible with devices from 4.4 to 6.3 inches. Dimensions for height and angle adjustments are shown.

OPERATING INSTRUCTIONS

Using your adjustable cell phone stand is straightforward:

- **Device Placement:** Place your smartphone or tablet onto the device holder. Ensure it rests securely within the cradle. The stand is compatible with devices ranging from 4 to 13 inches.
- **Charging Access:** The stand features a reserved charging hole, allowing you to charge your device while it is on the stand without obstructing the charging port.
- **Screen Visibility:** The design ensures that the device holder does not block the screen, providing full visibility of your content.
- **Stability:** The base is equipped with anti-skid pads to prevent the stand from sliding on smooth surfaces, ensuring your device remains stable.

COMPATIBILITY

Different heights and angles for different devices

9-13inch

7-10inch

4-8inch

Image: The stand offers different heights and angles for various devices, demonstrating compatibility with 9-13 inch tablets, 7-10 inch tablets, and 4-8 inch smartphones.

MAINTENANCE

To ensure the longevity and proper function of your cell phone stand, follow these simple maintenance guidelines:

- **Cleaning:** Wipe the stand with a soft, damp cloth. Avoid using abrasive cleaners or solvents, as these may damage the material.
- **Storage:** When not in use, fold the stand to its compact size and store it in a dry place away from direct sunlight or extreme temperatures.
- **Inspection:** Periodically check the hinges and adjustable parts for any signs of wear or looseness.

TROUBLESHOOTING

If you encounter any issues with your cell phone stand, refer to the following common solutions:

- **Stand is unstable:**

- Ensure the base is fully unfolded and placed on a flat, stable surface.
- Verify that the anti-skid pads on the base are clean and intact.
- Check that your device is centered on the holder to distribute weight evenly.

- **Device does not fit:**

- Confirm your device size is within the compatible range of 4 to 13 inches.
- Remove any bulky cases from your device that might prevent it from seating properly.

- **Adjustments are stiff:**

- Apply gentle, even pressure when adjusting height or angle. Avoid forcing the mechanisms.
- Ensure no debris is obstructing the moving parts.
