

DICTAC LB-07pro

DICTAC Twin Over Twin Bunk Bed with Desk, LED Lights and Charging Station Instruction Manual

Model: LB-07pro

INTRODUCTION

This manual provides detailed instructions for the assembly, operation, and maintenance of your DICTAC Twin Over Twin Bunk Bed. This L-shaped bunk bed features integrated LED lighting, a study desk with a charging station, and various storage solutions designed to optimize space and functionality in children's and teen's rooms. Please read all instructions carefully before assembly and use to ensure safe and proper operation.

SAFETY INFORMATION

WARNING: Failure to follow these safety instructions could result in serious injury.

- Always use the ladder carefully to avoid falls.
- Do not exceed the maximum weight capacity of 400 pounds for the upper bunk and 450 pounds for the lower bunk.
- Be cautious of sharp edges during assembly and maintenance.
- The upper bunk is equipped with 13.11-inch full-length and heightened guardrails. Ensure these are properly installed.
- We recommend using a 4-6 inch thick mattress for the upper bunk to maintain proper clearance from the guardrails.
- Attach the anti-tipping device to the wall to enhance stability and prevent accidental tipping.
- Ensure all bolts and fasteners are securely tightened before use and periodically check for tightness.

House Bunk Bed For Kids

PACKAGE CONTENTS

Before beginning assembly, please verify that all components listed below are present and undamaged. If any parts are missing or damaged, please contact customer support immediately.

- Bunk Bed Frame Components
- Charging Station Unit
- Easy Assemble Tools
- Installation Manual (separate document)
- RGB LED Light Kit
- 1 Removable Bedside Caddy
- DIY Metal Decorative Mesh with 6 Hooks
- 1 Fabric Storage Drawer
- 1 Open Storage Shelf

SETUP AND ASSEMBLY

Assembly of the DICTAC Bunk Bed is designed to be straightforward. Each part is clearly labeled and numbered. Refer to the separate **Installation Manual** included in your package for step-by-step diagrams and detailed instructions.

Key Assembly Considerations:

- **Tools:** Basic assembly tools are included. A power drill on a low-power setting may expedite the process, but exercise caution to avoid stripping screws.
- **Part Alignment:** Pay close attention to the orientation of major poles and the alignment of holes to ensure proper fitment.
- **Tightening:** It is recommended to loosely assemble all components first, then tighten all bolts securely once the entire structure is in place to allow for minor adjustments.
- **Anti-Tipping Device:** Install the provided anti-tipping device as instructed in the manual to secure the bed to the wall.
- **Ladder Pads:** Attach the soft ladder pads to lessen discomfort when climbing.

Image: Soft and comfortable ladder pads, designed to ensure a pleasant climbing experience for children without foot discomfort.

OPERATING INSTRUCTIONS

RGB LED Lighting System

The integrated RGB LED lights offer customizable ambiance for the bed area. They can be controlled via a physical key controller or a dedicated smartphone application.

- **Control Methods:** Use the included key controller or download the specified app (details in LED kit manual) for advanced features.
- **Features:** Customize colors (over 60,000 options), adjust brightness, select flashing modes, and enable music synchronization.
- **Timing Function:** Set timers for the lights to turn on or off automatically.

Built-in Charging Station

The study desk includes a convenient charging station to power your electronic devices.

- **Outlets:** 2 AC outlets (125V/12A) for standard plugs.
- **USB Ports:** 2 USB ports (5V/2.1A) for charging smartphones, tablets, and other USB-powered devices.
- **Power Cord:** Features a 5.2-foot power cord for connection to a wall outlet.

Storage Features

The bunk bed is equipped with multiple storage options to help keep the room organized.

- **Study Desk:** Provides ample surface area (37 inches wide, 13.78 inches deep) for laptops, monitors, or other study materials.
- **Open Storage Shelf:** Located next to the desk, ideal for books or decorative items.
- **Fabric Storage Drawer:** A pull-out fabric drawer for concealed storage.
- **Metal Decorative Mesh:** Features 6 hooks for hanging headphones, keys, or small accessories.
- **Handy Clothes Rail:** A rail for hanging clothes or bags.
- **Removable Bedside Caddy:** A fabric caddy with 2 hooks that can be hung on the upper bunk for convenient access to small items like books, tablets, or game controllers.

MAINTENANCE

Regular maintenance will help prolong the life and appearance of your bunk bed.

- **Cleaning:** Wipe metal surfaces with a soft, damp cloth. Avoid abrasive cleaners or harsh chemicals that could damage the powder-coated finish. For wooden surfaces, use a wood-safe cleaner.
- **Fasteners:** Periodically check all bolts, screws, and connections to ensure they remain tight. Re-tighten as necessary to maintain structural integrity.
- **LED Lights:** Ensure the LED light strips are free from dust. If issues arise, refer to the LED kit's specific instructions.
- **Charging Station:** Keep the charging station free from dust and liquids. Do not overload the outlets or USB ports.
- **Ladder Pads:** Inspect ladder pads for wear and tear. Replace if they become loose or damaged.

TROUBLESHOOTING

If you encounter any issues with your DICTAC Bunk Bed, please refer to the following common solutions:

- **Wobbly Bed:** Ensure all bolts and fasteners are securely tightened. Verify the anti-tipping device is correctly installed and anchored to the wall.
- **Squeaking Noises:** Check all connections and tighten any loose bolts. The buckle design for slats is intended to minimize noise; ensure slats are properly seated.

- **LED Lights Not Working:** Check the power connection to the LED strip and the controller. Ensure the power adapter is plugged into a working outlet. Refer to the LED kit's specific troubleshooting guide.
- **Charging Station Not Functioning:** Verify the power cord is securely plugged into both the charging station and a working wall outlet. Test with different devices and cables.
- **Missing or Damaged Parts:** If you received a damaged, scratched, or missing part, please contact customer support within 24 hours of receipt.

SPECIFICATIONS
