## 1. IMPORTANT SAFETY INFORMATION

Please read and understand all instructions before assembly and use. Retain this manual for future reference.

- Maximum Weight Capacity:** Do not exceed the maximum weight recommendation of **280 pounds (127 kg)**. Exceeding this limit may result in injury or damage to the product.
- Heat and Liquids:** Keep the bar stools away from hot items or liquids to prevent burns, damage to the upholstery, or other accidents.
- Assembly:** Ensure all components are securely fastened before use. Periodically check and tighten all screws and bolts.
- Stability:** Use the bar stools on a flat, stable surface to prevent tipping.
- Children:** Supervise children around the bar stools to prevent misuse or injury.

## 2. PRODUCT OVERVIEW

The Garvee 24-inch Swivel Bar Stools are designed for comfort and durability, featuring a modern aesthetic suitable for various home environments. Each stool includes a 360-degree swivel seat, a sturdy metal frame, and a comfortable footrest.

## Key Features:

- **360° Swivel Seat:** Allows for easy rotation and interaction.
- **Comfortable Seating:** Upholstered with black synthetic leather and high-density foam padding.
- **Durable Construction:** Robust steel frame with a cross-support design for stability.
- **Integrated Footrest:** Positioned for comfortable leg support.
- **Floor Protection:** Equipped with plastic foot pads to prevent scratches and reduce noise.
- **Easy Maintenance:** Synthetic leather seat is easy to wipe clean; matte steel legs are scratch-resistant.

## 3. PACKAGE CONTENTS

Each package contains components for **four (4)** Garvee 24-inch Swivel Bar Stools. Please verify all parts are present before beginning assembly.

### Typical Components per Stool:

- Seat Cushion Assembly (1)
- Leg Frame Assembly (1)
- Footrest Ring (1)
- Hardware Pack (Screws, Washers, Allen Wrench)
- Plastic Foot Pads (4, usually pre-installed)

*Note: The exact number and type of fasteners may vary slightly. Refer to the included assembly instructions for precise details.*

## 4. ASSEMBLY INSTRUCTIONS

Assembly is required for the Garvee 24-inch Swivel Bar Stools. It is recommended to assemble the stools on a soft, clean surface to prevent scratching. Two people may be helpful for certain steps.

## Required Tools:

- Included Allen Wrench

## Assembly Steps:

1. **Unpack Components:** Carefully remove all parts from the packaging. Lay them out and compare with the parts list in the included assembly guide to ensure all pieces are present and undamaged.
2. **Attach Leg Frame to Seat:** Align the top of the leg frame assembly with the underside of the seat cushion assembly. Secure using the provided screws and washers. Do not fully tighten screws at this stage.
3. **Install Footrest Ring:** Position the footrest ring around the leg frame, aligning the pre-drilled holes. Attach the footrest ring to the legs using the appropriate screws. Again, do not fully tighten yet.
4. **Final Tightening:** Once all components are loosely assembled, place the stool upright on a flat surface. Apply gentle downward pressure to ensure all parts are seated correctly. Then, systematically tighten all screws and bolts using the Allen wrench until secure. Do not overtighten.
5. **Check Stability:** After assembly, gently rock the stool to ensure it is stable and does not wobble. If unstable, re-check all connections and tighten as necessary.

*For detailed, step-by-step instructions with diagrams, please refer to the separate assembly guide included in your product packaging.*

## 5. OPERATING INSTRUCTIONS (USAGE)

---

The Garvee Swivel Bar Stools are designed for straightforward use in kitchen, bar, or recreation areas.

- **Seating:** Sit centrally on the seat cushion. Avoid sitting on the edge of the stool to maintain balance.
- **Swivel Function:** The seat rotates 360 degrees. To swivel, simply shift your weight or gently push off the floor with your feet. Ensure there are no obstructions around the stool before rotating.
- **Footrest:** Utilize the integrated footrest for comfortable leg positioning and support.
- **Weight Limit:** Adhere strictly to the **280-pound (127 kg)** maximum weight capacity.

## 6. MAINTENANCE AND CARE

---

Proper care will extend the life and appearance of your Garvee Swivel Bar Stools.

- **Cleaning the Seat:** The synthetic leather seat is waterproof and easy to clean. Wipe spills immediately with a soft, damp cloth. For general cleaning, use a mild soap solution and wipe dry. Avoid harsh chemicals or abrasive cleaners.
- **Cleaning the Frame:** The matte steel legs are resistant to scratches. Wipe the metal frame with a soft, dry or slightly damp cloth. Avoid abrasive materials that could scratch the finish.
- **Regular Inspection:** Periodically check all screws and bolts to ensure they remain tight. Re-tighten if necessary to maintain stability and safety.
- **Avoid Direct Sunlight:** Prolonged exposure to direct sunlight may cause the synthetic leather to fade or crack over time.
- **Protect from Sharp Objects:** Avoid placing sharp objects on the seat or dragging them across the frame to prevent damage.

## 7. TROUBLESHOOTING

---

### Issue: Stool wobbles or feels unstable.

- **Solution:** Ensure all screws and bolts are fully tightened. Place the stool on a flat, level surface. If the issue persists, disassemble and reassemble, ensuring all parts are correctly aligned before tightening.

### Issue: Swivel mechanism is stiff or noisy.

- **Solution:** The swivel mechanism is designed to be maintenance-free. If stiffness or noise occurs, ensure no debris is obstructing the mechanism. Avoid applying lubricants unless specifically recommended by the manufacturer, as this may attract dust.

### Issue: Scratches on the floor.

- **Solution:** Verify that the plastic foot pads are securely in place on all four legs. If missing or damaged, contact customer support for replacements.

## 8. SPECIFICATIONS
