wudipatio 6-Piece Outdoor Patio Furniture Set with 60000 BTU Fire Pit Table (Model ZP06) User Manual

Brand: wudipatio | Model: ZP06

1. PRODUCT OVERVIEW

The wudipatio 6-Piece Outdoor Patio Furniture Set is designed to enhance your outdoor living space. This comprehensive set includes a three-seat sofa, two single chairs, two ottomans, and a 60000 BTU propane fire pit table. Constructed with durable PE rattan wicker and a high-quality steel frame, it offers stability and weather resistance. The cushions are filled with high-quality sponge for comfort and feature removable, washable covers.

Furniture Cover

Effectively prevent furniture from fadingProlong the life of the sofa

ATTENTION:

1. Our product comes in 4 boxes. Please check for any missing or damaged parts after receiving all the boxes. If any problems are found, please take photos and contact us promptly.
2. Don't tighten the screws before match them all the holes. (Tight all the screws to 60% first then tight to 100%.)
3. Don't expose the furniture to the sun or rainstorm for a long time. The use of furniture covers can effectively extend its service life.

3. ASSEMBLY INSTRUCTIONS

Assembly of the wudipatio patio furniture set requires careful attention to detail. It is recommended to have a second person assist with assembly. The set comes in 4 boxes, which may arrive on different days.

3.1 Important Assembly Tips:

- **Unpack All Boxes:** Ensure all parts are present and undamaged before beginning assembly. If any parts are missing or damaged, contact customer support promptly.
- **Do Not Overtighten Screws Initially:** Loosely fasten all screws to 60% tightness until all components are aligned and connected. Once all screws are in place, gradually tighten them completely.
- **Recommended Tools:** While basic tools are provided, using a small ratchet wrench with a 10mm socket and a 4mm ball T-Allen wrench can significantly speed up and ease the assembly process. A power screwdriver with a matching drill bit is also beneficial.

- **Cushion Expansion:** The seat cushions are vacuum-packed and will require several days to fully expand to their described size.
- **Sofa Connectors:** Use the provided U-shaped plastic clips to connect the sofa sections together, ensuring they remain a single, stable unit.

3.2 Step-by-Step Assembly (General Guidance):

1. Identify all components for each furniture piece (sofa, chairs, ottomans, fire pit table).
2. Attach the frame sections using the provided hardware, following the diagrams in the included manual. Remember to loosely tighten screws first.
3. Once the frames are assembled, fully tighten all screws.
4. Attach the adjustable feet to the bottom of each furniture piece. Adjust them to ensure stability on uneven surfaces.
5. Place the cushions onto the assembled furniture.
6. Assemble the fire pit table according to its specific instructions, ensuring all gas connections are secure.

Suggestion & Attention

1. Shipped in multiple boxes from the US (they may arrive at your location on different days)
2. Do not tighten all screws from the beginning. Suggest loosening each screw slightly until all screws are screwed in, and then tightening all screws.
3. Please note that the seat cushions are vacuum packed and will take several days to expand to the described size.
4. Covering or storing in adverse weather conditions.

Image 3.2: Important suggestions and attention points for product assembly and long-term care.

4. FIRE PIT TABLE OPERATION

The 60000 BTU gas fire pit table provides stable and sufficient warmth for your outdoor gatherings. Always follow the safety guidelines provided in the fire pit's specific manual.

4.1 Key Features:

- **60000 BTU Dual-Tube Stainless Steel Burner:** Ensures consistent heat output.
- **Fire Pit Windproof Cover:** Helps maintain flame stability.
- **Blue Crystal Beads:** Enhance the aesthetic appeal of the flames.
- **Integrated Design:** The rattan appearance of the fire pit table blends with the sofa for a cohesive look.

4.2 Operating Instructions:

1. Ensure the propane tank is securely connected and the gas valve is open.
2. Follow the ignition instructions on the fire pit control panel. Typically, this involves turning a knob to the "ON" position and pressing an igniter button.
3. Adjust the flame height using the control knob to your desired level.
4. To turn off, close the gas valve on the propane tank first, then turn the control knob on the fire pit to the "OFF" position.
5. Allow the fire pit to cool completely before covering or storing.

Image 4.1: Close-up of the fire pit table, highlighting the stainless steel burner, blue crystal glass beads, glass wind guard, and reinforced glass tile top.

5. CARE AND MAINTENANCE

Proper care and maintenance will extend the lifespan and preserve the appearance of your wudipatio patio furniture set.

5.1 Frame and Rattan Care:

- The PE rattan wicker is weather-resistant and fade-resistant. Clean with a soft cloth and mild soap solution. Rinse thoroughly and dry.
- The steel frame is anti-rust. Inspect periodically for any signs of wear or rust and address as needed.
- Adjustable sofa feet allow for stability on uneven ground. Ensure they are properly adjusted to prevent rocking.

5.2 Cushion Care:

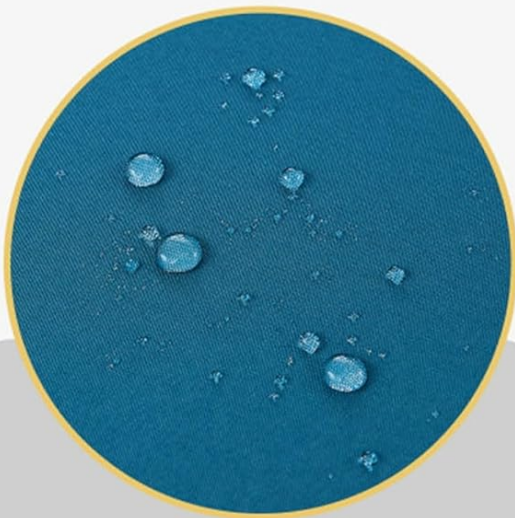

- The cushions are made from breathable 250G polyester fabric, which is anti-UV and water repellent.

- The detachable zipper design allows for quick removal and cleaning of cushion covers. Machine wash cold with mild detergent and air dry.
- While water repellent, avoid prolonged exposure to heavy rain to prevent water from eroding the sponge.
- Store cushions indoors during extended periods of non-use or adverse weather conditions.

5.3 General Protection:

- Use the provided furniture cover to protect the set from sun, rain, and dust when not in use. This significantly prolongs its service life.
- Do not expose the furniture to direct sun or rain for a long time without protection.

PRODUCT DETAILS

Water Resistant

Our seat cushion cover can prevent water splashes from eroding the sponge (please do not expose it to heavy rain for a long time)

The cushion is filled with high-quality rebound sponge; The detachable cushion cover is easy to clean

High quality cushion

6. TROUBLESHOOTING

This section addresses common issues you might encounter with your patio furniture set.

Problem	Possible Cause	Solution
Missing or Damaged Parts	Shipping damage or packaging error.	Inspect all boxes upon arrival. Contact customer support immediately with photos of damage or a list of missing parts.
Difficulty during Assembly	Screws overtightened prematurely, misaligned parts, or inadequate tools.	Ensure screws are only 60% tightened until all parts are aligned. Use recommended tools (ratchet wrench, power screwdriver). Refer to the manual's diagrams carefully.

Problem	Possible Cause	Solution
Fire Pit Not Igniting	Propane tank valve closed, igniter issue, or gas line obstruction.	Check propane tank connection and valve. Ensure igniter is clean and functional. Consult the fire pit's specific manual for detailed troubleshooting.
Cushions Sliding	Smooth surface contact between cushion and frame.	Consider using non-slip pads or straps (e.g., luggage straps) to secure cushions, especially on ottomans.
Unstable Furniture	Uneven ground or improperly adjusted feet.	Adjust the leveling feet on each furniture piece to ensure stability.
