The BouPower Corner Wine Cabinet is designed to offer a stylish and space-saving solution for storing wine bottles, glasses, and other bar essentials. Its farmhouse style, combined with practical features like a detachable wine rack and glass holder, makes it a versatile addition to any living space.

Key Features:

- **Premium Material:** Constructed from engineered wood for durability and a long service life.
- **Large Capacity:** Designed to accommodate numerous wine bottles and accessories.
- **Space-Saving Design:** Corner-specific dimensions (18.5"D x 13.4"W x 60.6"H) optimize room utilization.
- **Stable Structure:** Features sturdy metal legs and an anti-fall design for enhanced stability.
- **Versatile Storage:** Includes 4 tiers of shelving, a detachable wine rack, and glass holders.

2. Safety Information

Please observe the following safety precautions during assembly and use to prevent injury or damage to the product.

- Always assemble the unit on a soft, clean surface to prevent scratches.
- Ensure all screws and fasteners are securely tightened before use. Do not overtighten.
- Do not exceed the maximum weight capacity for each shelf (refer to specifications).
- Keep small parts and packaging materials away from children and pets.
- Utilize the provided anti-fall design hardware to secure the cabinet to a wall, preventing tipping.
- Do not stand or climb on the cabinet.

3. Package Contents

Before assembly, verify that all components listed below are present and undamaged. If any parts are missing or damaged, please contact customer support.

- 1 x Corner Wine Cabinet (disassembled components)
- 1 x Hardware Bag (containing screws, bolts, anti-fall kit, etc.)
- 1 x Assembly Instruction Manual (this document)

4. Assembly Instructions

Basic assembly is required for this product. Please follow the step-by-step instructions provided in the separate assembly guide included in your hardware bag. Ensure you have a Phillips head screwdriver and a hammer (not included) for assembly.

1. **Unpack Components:** Carefully remove all parts from the packaging and lay them out on a clean, soft surface to prevent scratches.
2. **Identify Hardware:** Refer to the hardware list in the assembly guide to identify all screws, dowels, and other fasteners.
3. **Assemble Frame:** Begin by assembling the main frame structure according to the diagrams.
4. **Install Shelves:** Insert the shelves into their designated positions. The upper shelves are adjustable.
5. **Attach Doors:** Secure the mesh door to the lower cabinet section.
6. **Install Wine Rack & Glass Holder:** Attach the detachable wine rack and glass holders to the upper sections as desired.
7. **Secure Anti-Fall Device:** Attach the anti-fall device to the top rear of the cabinet and secure it to a wall stud using appropriate hardware. This step is crucial for safety.
8. **Adjust Feet:** Use the adjustable feet to level the cabinet on uneven surfaces.

6. Maintenance

Proper care will ensure the longevity and appearance of your BouPower Corner Wine Cabinet.

- **Cleaning:** Wipe surfaces with a soft, damp cloth. Avoid harsh chemicals or abrasive cleaners, as they may damage the finish. The engineered wood surfaces are designed to be waterproof, allowing for easy cleaning of spills.
- **Dusting:** Regularly dust with a dry, soft cloth.
- **Inspection:** Periodically check all fasteners to ensure they remain tight. Retighten if necessary.
- **Avoid Direct Sunlight:** Prolonged exposure to direct sunlight can cause fading or damage to the finish.
- **Humidity Control:** Maintain a stable room temperature and humidity level to prevent warping or cracking of the wood.

7. Troubleshooting

Problem	Possible Cause	Solution
Cabinet is wobbly or uneven.	Uneven floor; adjustable feet not properly set.	Adjust the leveling feet at the bottom of the cabinet until it is stable. Ensure all assembly screws are tight.
Door does not close properly.	Hinges misaligned; cabinet not level.	Check hinge alignment and adjust if necessary. Ensure the cabinet is level using the adjustable feet.
Parts do not fit during assembly.	Incorrect orientation of parts; wrong parts used.	Refer to the assembly guide diagrams carefully. Ensure you are using the correct parts for each step. Do not force parts together.

If you encounter issues not listed here, please contact BouPower customer support for assistance.
