Xixini 6-Drawer Tall Wood Dresser Instruction Manual

Model: B0FVSGW53V

INTRODUCTION

Welcome and thank you for choosing the Xixini 6-Drawer Tall Wood Dresser. This manual provides detailed instructions for assembly, safe use, and maintenance of your new furniture.

This dresser features a sturdy construction made from P2 engineered wood, designed for durability and scratch resistance. It includes six deep drawers with metal handles and smooth-gliding rails, offering ample storage. The wide wooden tabletop can also serve as a TV stand or display area.

IMPORTANT SAFETY INFORMATION

- Always use the provided anti-tip kit to secure the dresser to a wall. This prevents accidental tipping and ensures safety, especially in households with children.
- Do not exceed the weight limits: The top surface supports up to 150 lbs. Each small drawer holds up to 15 lbs, and each large drawer holds up to 35 lbs.
- Ensure all screws and fasteners are tightened securely during assembly and periodically check for tightness.
- Keep small parts away from children during assembly.

PACKAGE CONTENTS

Before beginning assembly, verify that all parts listed below are present:

- All wooden panels for the dresser frame and drawers.
- Six (6) drawer fronts.
- Six (6) metal handles.
- Drawer slide rails.
- Assembly hardware (screws, dowels, cam locks, etc.).

- Anti-tip kit.
- Instruction Manual.

SETUP AND ASSEMBLY

Assembly is required. Please follow these steps carefully. Two people are recommended for assembly.

Tools Required: Phillips head screwdriver (not included).

Step 1: Unpack and Identify Parts

Carefully unpack all components and lay them out on a clean, soft surface to prevent scratches. Identify each part using the provided labels.

Step 2: Assemble the Main Frame

Follow the diagrams in the included instruction booklet to connect the side panels, back panel, and top/bottom panels of the dresser frame. Ensure all cam locks and screws are securely fastened.

Step 3: Install Drawer Slide Rails

Attach the drawer slide rails to the interior sides of the dresser frame using the designated screws. Ensure they are level and aligned for smooth drawer operation.

Step 4: Assemble Drawers

Assemble each of the six drawers. Attach the side panels to the front and back panels, then slide the bottom panel into place. Secure the metal handles to the drawer fronts. Note that there are two smaller drawers and four larger drawers.

Image: Illustration of drawer dimensions and their respective weight capacities (15 lbs for small, 35 lbs for large).

Step 5: Insert Drawers and Attach Anti-Tip Kit

Carefully slide the assembled drawers into their respective slots on the dresser frame. Finally, attach the anti-tip kit to the back of the dresser and secure it to a wall stud according to the instructions provided with the kit.

OPERATING INSTRUCTIONS

Drawer Usage

To open and close drawers, gently pull or push the metal handles. The built-in slide rails ensure smooth operation. Avoid forcing drawers open or closed.

Weight Capacity

The top surface can hold up to 150 lbs. The two smaller top drawers can hold up to 15 lbs each, and the four larger bottom drawers can hold up to 35 lbs each. Distribute weight evenly to maintain stability.

CARE AND MAINTENANCE

- **Cleaning:** Wipe the dresser with a damp cloth for easy cleaning. Air dry immediately. Avoid harsh chemicals or abrasive cleaners.
- **Dusting:** Regularly dust with a soft, dry cloth.
- **Spills:** Blot spills immediately with a clean, dry cloth.
- **Inspection:** Periodically check all fasteners and connections to ensure they remain tight.

TROUBLESHOOTING

Drawers do not slide smoothly:

- Check if the drawer slide rails are properly aligned and securely fastened.
- Ensure the drawer is not overloaded, exceeding its weight capacity.
- Verify that no objects are obstructing the drawer's path.

Dresser feels unstable:

- Confirm that the anti-tip kit is correctly installed and secured to a wall stud.
- Ensure all assembly screws and cam locks are fully tightened.
- Place the dresser on a level surface.
