Kingone B0FVVXV92D

KINGONE USB-C Stylus for iPad (2018-2026 Models) Instruction Manual

Model: B0FVVXV92D

1. Introduction

Thank you for choosing the KINGONE USB-C Stylus for iPad. This stylus is designed to enhance your iPad experience with features like palm rejection, tilt detection, and fast charging. This manual provides detailed instructions for setup, operation, maintenance, and troubleshooting to ensure optimal performance.

2. Compatibility

This stylus is compatible with iPad models released from 2018 to 2026. Please verify your iPad model before use to ensure full compatibility. The stylus is **not compatible** with iPads released before 2018, iPhones, Android devices, or Windows devices.

Compatible iPad Models:

- **iPad Pro 12.9-inch:** 3rd, 4th, 5th, 6th Generation
- **iPad Pro 11-inch:** 1st, 2nd, 3rd, 4th Generation, and M4
- **iPad Pro 13-inch:** M4
- **iPad Air:** 3rd, 4th, 5th Generation, M2, M3
- **iPad Mini:** 5th, 6th, 7th Generation
- **iPad:** 6th, 7th, 8th, 9th, 10th, 11th Generation

3. Package Contents

Upon opening your KINGONE Stylus package, you should find the following items:

- 1 x KINGONE USB-C Stylus (equipped with a high-resistance ceramic fine tip)
- 3 x Replacement Tips
- 1 x USB-C Charging Cable

Figure 3.1: Included accessories: stylus, replacement tips, and USB-C cable.

4. Setup

4.1 Initial Charging

Before first use, it is recommended to fully charge your stylus. Connect the provided USB-C charging cable to the stylus's

USB-C port and to a power source. The clear light indicator will show the battery level during charging.

Figure 4.1: Stylus connected for USB-C fast charging.

4.2 Powering On/Off

To power on the stylus, simply tap twice on the top of the pen. To power off, tap twice on the top again. The stylus will automatically turn off after 90 minutes of inactivity to conserve energy. Manual shutdown is recommended after use to further extend battery life.

4.3 Bluetooth Connection (Not Required)

This stylus does not require a Bluetooth connection. It is ready for use immediately after powering on.

5. Operating Instructions

5.1 Writing and Drawing

Once powered on, simply touch the stylus tip to your iPad screen to begin writing or drawing. The 1.5mm tip ensures

pixel-perfect precision for fluid and stable strokes.

Figure 5.1: Smooth and precise writing experience with no latency.

5.2 Palm Rejection

The stylus features intelligent palm rejection, allowing you to rest your hand naturally on the iPad screen while writing or drawing without causing accidental marks. This is particularly useful for extended note-taking or detailed artwork.

Figure 5.2: Palm rejection in action, allowing natural hand placement.

5.3 Tilt Detection

The stylus incorporates AI-assisted tilt recognition. This feature automatically adjusts the thickness of your stroke based on the angle at which you hold the stylus, mimicking the natural feel of a traditional pencil. Note that this stylus offers tilt detection but not pressure sensitivity.

Figure 5.3: Tilt detection for variable stroke thickness.

5.4 Magnetic Attachment

The stylus features a powerful dual-magnet design, allowing it to securely attach to the edge of your compatible iPad. This provides convenient storage and transport. Please note that this magnetic attachment does not support wireless charging.

5.5 Quick Functions

- **Open Notes:** Double-tap the screen with the stylus to quickly open the Notes application.

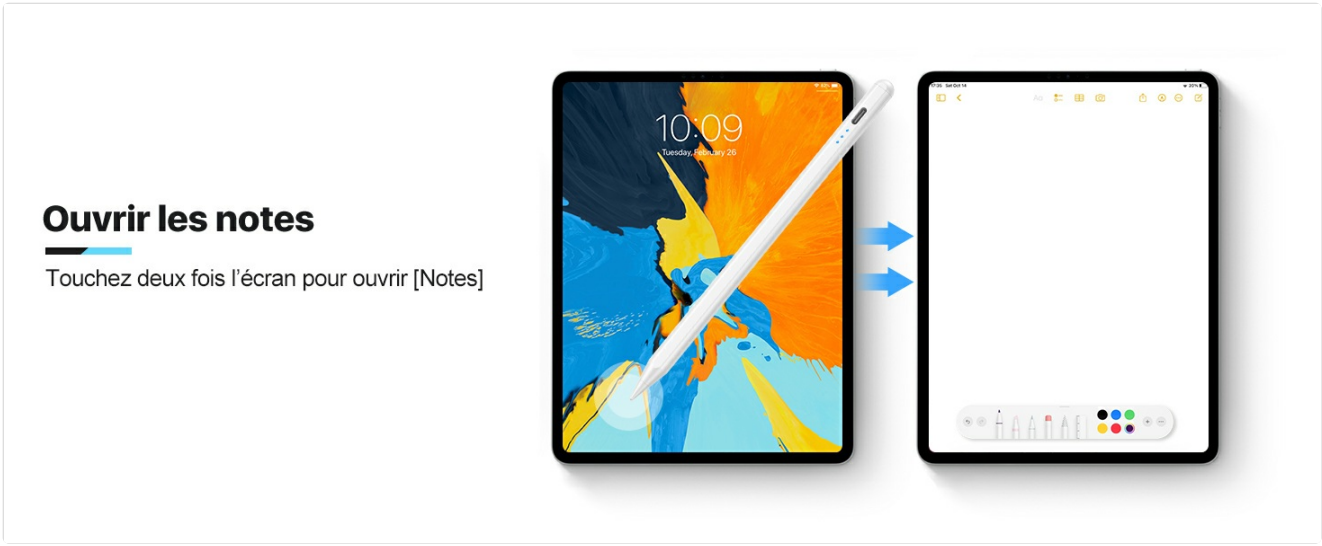

Figure 5.5: Double-tap to open Notes.

- **Shape Correction:** Draw shapes effortlessly. The stylus can assist in correcting imperfect shapes into perfect ones in compatible applications.

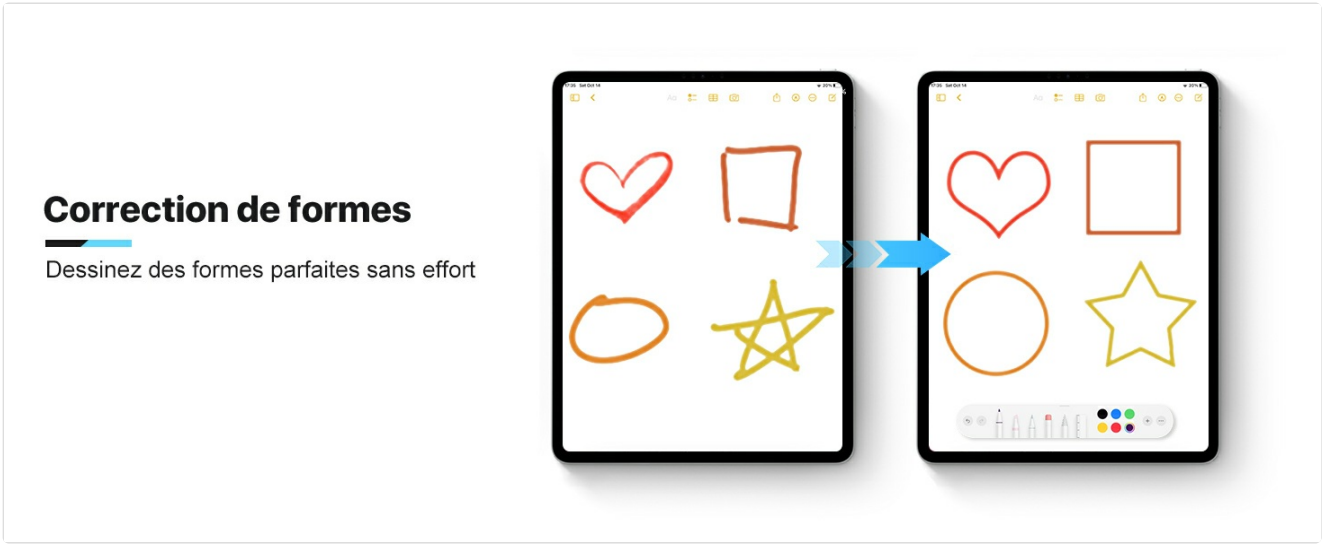

Figure 5.6: Effortless shape correction.

- **Handwriting to Text Conversion:** Write freely, and in compatible applications, your handwriting can be converted into digital text.

6. Maintenance

6.1 Cleaning

To clean your stylus, gently wipe it with a soft, dry cloth. Avoid using harsh chemicals or abrasive materials, as these can damage the stylus's finish or internal components.

6.2 Replacing Tips

The stylus comes with three replacement tips. If the tip becomes worn or damaged, it can be easily replaced. Gently pull the old tip straight out from the stylus and push a new tip firmly into place until it is secure.

6.3 Storage

Store the stylus in a cool, dry place away from direct sunlight and extreme temperatures. The magnetic attachment feature allows for secure storage on your iPad when not in use.

7. Troubleshooting

- **Stylus not responding:**
  - Ensure the stylus is powered on (double-tap the top).
  - Check the battery level using the light indicator and charge if necessary.
  - Ensure your iPad model is compatible (refer to Section 2).
  - Restart your iPad.
- **Inaccurate or intermittent writing:**
  - Check if the stylus tip is securely attached.
  - Replace the stylus tip if it appears worn or damaged.
  - Ensure your iPad screen is clean.
  - Make sure there are no other styluses or Apple Pencils connected via Bluetooth to your iPad, as this can cause interference.
- **Palm rejection not working:**
  - Ensure your iPad's settings for Apple Pencil (if applicable) are configured correctly, or that no other stylus is interfering.
- **Stylus not charging:**
  - Ensure the USB-C cable is properly connected to both the stylus and the power source.
  - Try a different USB-C cable or power adapter.

8. Specifications

Attribute	Detail
Brand	Kingone
Model	B0FVVXV92D
