MSmask Twin Bed Frame with Storage Headboard

MSmask Twin Bed Frame with Storage Headboard & 4 Drawers

Model: Twin Bed Frame with Storage Headboard
Brand: MSmask

Important Safety Information

WARNING: Do not exceed the weight capacity of 800 lbs. Be careful around sharp edges and metal legs during assembly and use. Follow assembly instructions carefully to prevent instability or collapse.

Product Overview

The MSmask Twin Bed Frame is designed for comfort and functionality, featuring a storage headboard, integrated LED lighting, a charging station, and four spacious drawers. This platform bed eliminates the need for a box spring and is constructed with a heavy-duty metal frame for durability.

Key Features:

- **Ultimate Storage Solution:** Storage headboard with 2-layer shelf and 4 large-capacity sliding drawers. Side pockets for small items.
- **LED Bed Frame:** Multifunctional light strip with 60,000+ RGB colors, 29 dynamic modes, adjustable brightness/speed, music sync, microphone, and timing function. Control via remote or mobile app.
- **Twin Bed with Charging Station:** Integrated charging station in the headboard with 1 Type-C port, 1 USB port, and 2 AC sockets.
- **Sturdy and Durable Structure:** Heavy-duty metal frame, solid wooden slats, and metal legs support up to 800 lbs. EVA silent strips prevent noise.
- **Easy Assembly:** Designed for straightforward setup with clear instructions and all necessary components included.

1. Setup and Assembly

Your MSmask Twin Bed Frame is designed for easy assembly. All necessary components and clear numbered parts are included. No specialist skills or additional tools are required beyond what is provided.

Assembly Steps:

1. Unpack all components and verify against the parts list in the included manual.
2. Follow the detailed assembly instructions provided in the package.
3. Ensure all connections are secure before use.

2. Operating Instructions

LED Lighting System:

The integrated LED lights on the headboard and footboard offer a customizable ambiance for your room. They can be controlled via a remote control or a mobile application.

- **Color Options:** Choose from over 60,000 RGB colors.

- **Dynamic Modes:** Select from 29 dynamic lighting modes.
- **Brightness & Speed:** Adjust the brightness and speed of the light effects.
- **Music Synchronization:** Lights can synchronize with the rhythm of music using the built-in microphone function.
- **Timing Function:** Set a timer for the lights to turn on or off automatically.

Charging Station:

The headboard features a convenient charging station to power your electronic devices.

- **Ports:** Includes 1 Type-C port, 1 USB port, and 2 AC sockets.
- **Usage:** Connect your mobile phone, tablet, or other electronic devices for easy charging.

Storage Drawers:

The bed includes four large-capacity sliding drawers for convenient storage.

- **Access:** Gently pull the drawers out from under the bed.
- **Placement:** Drawers can be placed on either side of the bed depending on room layout.
- **Smooth Operation:** Equipped with smooth-gliding wheels for easy access.

Figure 5: The four storage drawers providing ample space under the bed.

3. Maintenance

- **Cleaning Upholstery:** For velvet upholstery, gently vacuum with a soft brush attachment to remove dust. For spills, blot immediately with a clean, dry cloth. Avoid harsh chemicals.
- **LED Lights:** Keep the LED light strip clean and free from dust. Do not attempt to replace individual LEDs.
- **Charging Station:** Ensure the charging station ports are free from dust and debris. Do not force plugs into ports.
- **Frame & Slats:** Periodically check all screws and connections to ensure they remain tight. Tighten if necessary.
- **Drawers:** Keep drawer tracks clean to ensure smooth operation.

4. Troubleshooting

Problem	Possible Cause	Solution
LED lights not working.	Power connection loose; remote battery dead; LED strip damaged.	Check power cable connection. Replace remote battery. Contact customer support if LED strip is damaged.
Charging station not providing power.	Power cable loose; device not compatible; power outage.	Ensure bed is properly plugged into a working wall outlet. Verify device compatibility. Test with another device.
Drawers are difficult to open/close.	Obstruction in track; wheels dirty; drawer overloaded.	Clear any obstructions. Clean wheels and tracks. Reduce load in drawers.
Bed frame is squeaking or unstable.	Loose screws; uneven floor.	Tighten all assembly screws. Ensure bed is on a level surface.
