PUTRIMS S36

PUTRIMS S36 Smart Projector User Manual

Model: S36

Brand: PUTRIMS

INTRODUCTION

Welcome to the PUTRIMS S36 Smart Projector user manual. This guide provides essential information to help you set up, operate, and maintain your projector, ensuring you get the most out of its advanced features. Please read this manual thoroughly before use and keep it for future reference.

PRODUCT OVERVIEW

Key Features

- **Exclusive Whale TV Smart System:** Access over 800 apps and 1000+ free live TV channels (via Whale TV+), including YouTube, Prime Video, Apple TV, and HBO.
- **Portable Design:** Weighing 1.9 pounds (0.8 kg) and similar in size to an iPad Mini, it's ideal for travel and outdoor use.
- **Native 1080P Resolution with 4K Support:** Delivers clear images with 600 ANSI lumens brightness. (Note: 4K content is displayed at native 1080p resolution.)
- **AI Automatic Setup:** Features autofocus, automatic keystone correction, obstacle avoidance, screen alignment, and up to 50% zoom for instant image clarity.
- **Advanced Connectivity:** Equipped with WiFi 6 for stable connections and two-way Bluetooth 5.2 for versatile audio options.
- **Flexible Mounting:** Built-in 330° rotating stand and M6 screw holes for various mounting options (wall, ceiling, outdoor screens).

Package Contents

- PUTRIMS S36 Smart Projector
- Remote Control (2*AAA batteries NOT included)
- Power Cord
- HDMI Cable
- Cleaning Kit
- User Manual

Component Identification

Familiarize yourself with the projector's ports and controls:

- **Power Input:** Located on the stand for a clean setup.
- **USB Port:** For connecting USB devices.
- **HDMI Port:** For connecting external video sources (e.g., gaming consoles, TV sticks). Supports ARC & CEC.
- **3.5mm Audio Jack:** For connecting external speakers or headphones.
- **Power Button:** To turn the projector on or off.
- **Lens:** The projection lens.

SETUP

Initial Setup

1. **Power Connection:** Connect the power cord to the projector's stand and then to a power outlet.
2. **Remote Control:** Insert 2 AAA batteries (not included) into the remote control.
3. **Power On:** Press the power button on the projector or remote to turn it on.
4. **Network Connection:** Follow the on-screen prompts to connect to your WiFi 6 network for smart features.
5. **Language Selection:** Select your preferred language during the initial setup process.

Placement and Positioning

The PUTRIMS S36 offers versatile placement options:

- **Integrated 330° Rotating Stand:** Adjust the projector's angle for projection onto walls, ceilings, or screens.
- **Mounting Options:** Utilize the M6 screw holes for ceiling mounting, or place on a table or tripod.

OPERATING INSTRUCTIONS

Basic Operation

- **Power On/Off:** Use the power button on the projector or the remote control.
- **Navigation:** Use the remote control's directional buttons and OK button to navigate the on-screen menus.

Smart Features (WhaleOS)

The PUTRIMS S36 runs on the exclusive WhaleOS system, providing access to a wide range of entertainment options.

- **Accessing Apps:** Navigate to the app section to find pre-installed applications like YouTube, Prime Video, Apple TV, and HBO. You can also download additional apps.
- **Live TV:** Enjoy over 1000+ free live TV channels via Whale TV+ without a subscription.
- **Smartphone Control:** Download the TV Casting App on your smartphone to control the projector directly.

Image Adjustment

The PUTRIMS S36 features AI-powered image adjustments for optimal viewing:

- **AI Autofocus:** The projector automatically adjusts focus for a sharp image.
- **Automatic Keystone Correction:** Corrects distorted images caused by angled projection.
- **Automatic Obstacle Avoidance & Screen Alignment:** The projector intelligently adjusts the image to avoid

obstacles and fit the screen perfectly.

- **Digital Zoom:** Adjust the image size up to 50% without moving the projector.
- **Throw Ratio:** With a 1.19:1 throw ratio, the projector can produce a large, clear image even in smaller rooms.

Image: Explains the 1.19:1 throw ratio, demonstrating how the projector can achieve a large screen size even when placed close to the projection surface.

Connectivity

- **WiFi 6:** Connect to your home network for fast and stable streaming.
- **Two-Way Bluetooth 5.2:** Connect external Bluetooth speakers for enhanced audio, or use the projector as a Bluetooth speaker for your phone.
- **HDMI ARC & CEC:** Connect compatible devices for seamless audio return and control multiple devices with a single remote.
- **USB & 3.5mm Audio Jack:** Connect various devices such as PS4/PS5, smartphones, speakers, Switch, laptops, soundbars, and earphones.

Image: Highlights the two-way Bluetooth feature, allowing the projector to be used as a standalone Bluetooth speaker.

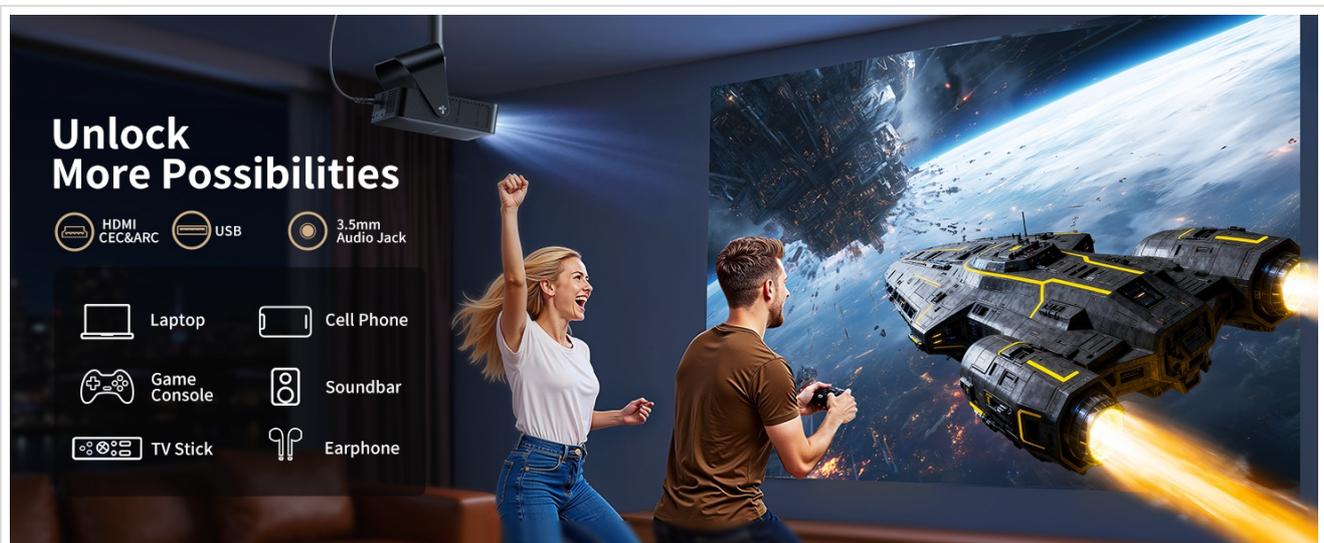

Image: Displays the wide range of connectivity options, including HDMI, USB, and 3.5mm audio jack, and compatible devices such as game consoles, laptops, and soundbars.

MAINTENANCE

- **Cleaning:** Use the provided cleaning kit to gently clean the projector lens and exterior. Avoid abrasive materials.
- **Software Updates:** Periodically check for system updates through the projector's settings menu to ensure optimal performance and access to the latest features.

TROUBLESHOOTING

If you encounter any issues, refer to the following common solutions:

- **No Image/Blurry Image:** Ensure the projector is powered on and properly focused. Use the AI autofocus feature or manually adjust if available. Check cable connections.
- **No Sound:** Verify volume settings on the projector and connected devices. Check audio cable connections or Bluetooth pairing.
- **Connectivity Issues:** Ensure WiFi is enabled and connected to the correct network. For Bluetooth, ensure devices are in pairing mode and within range.
- **Remote Not Responding:** Check battery levels in the remote control. Ensure there are no obstructions between the remote and the projector.

For further assistance, please contact customer support.

SPECIFICATIONS

Specification	Detail
Brand	PUTRIMS
Model	S36
Display Technology	LCD
Image Brightness	600 ANSI Lumens
Display Resolution	Native 1920 x 1080 Pixels (4K Supported)
