1. IMPORTANT SAFETY INSTRUCTIONS

Please read all instructions carefully before using the VGR V-196 & 996 Professional Barber Combo Hair Clipper & Trimmer Kit. Retain this manual for future reference.

- **Children Safety:** Keep the appliance out of reach of children. Use only under adult supervision. Do not allow children to play with or clean the appliance.
- **Water Exposure:** Do not immerse the appliance in water or use it near water (e.g., bathtub, shower, sink).
- **Power Source:** Use only the provided USB charging cable. Ensure the power source voltage is compatible with the device.
- **Damage:** Do not operate the appliance if it has a damaged cord, plug, or if it is not working properly. Contact customer support for assistance.
- **Blades:** Handle blades with care. Ensure blades are properly attached before use. Do not use if blades are damaged or bent.
- **Cleaning:** Always turn off and unplug the appliance before cleaning.
- **Storage:** Store the appliance in a dry place when not in use.

2. PRODUCT OVERVIEW

The VGR V-196 & 996 Professional Barber Combo is a versatile grooming kit designed for precise hair cutting and trimming. It features ceramic and titanium-coated blades for smooth performance, high-speed motors, and an LED display for monitoring battery and speed.

Precision Sharpness with Ultra-Smooth Performance

Built to Perform Up to 4× Longer*

*Performance Tests Show **5X Longer**
Lasting Sharpness

Key Features:

- **Precision Cutting:** Ceramic and titanium-coated blades for smooth, accurate trimming of hair, beard, and mustache.
- **Long-Lasting Battery:** 2000mAh lithium batteries provide up to 300 minutes runtime for the trimmer and 200 minutes for the clipper.
- **Guide Comb Set:** Includes 6 clipper guide combs (1.5 mm, 3 mm, 4.5 mm, 6 mm, 10 mm, 13 mm) and 4 trimmer guide combs (1.5 mm, 3 mm, 4.5 mm, 6 mm), plus 10 additional combs for versatile styling.
- **LED Display:** Digital display shows battery percentage and motor speed (up to 7000 RPM).
- **Cordless & USB Charging:** Offers cordless operation and convenient USB charging for portability.
- **Professional Quality:** Designed for both professional and home use, ensuring consistent performance.

4. SETUP

4.1 Initial Charging

1. Before first use, fully charge both the hair clipper and trimmer.
2. Connect the USB charging cable to the charging port on the device and plug the other end into a compatible USB power adapter (not included) or a computer USB port.
3. The LED display will indicate the charging status and battery percentage. A full charge is indicated by 100% on the display.
4. Charging time for the clipper is approximately 3.5 hours for 200 minutes of runtime.
5. Charging time for the trimmer is approximately 5 hours for 300 minutes of runtime.

4.2 Attaching Guide Combs

1. Ensure the device is turned off before attaching or detaching guide combs.
2. Select the desired guide comb for your preferred hair length.
3. Align the comb with the blade and push it firmly until it clicks into place.
4. To remove, gently pull the comb away from the blade.

5. OPERATION

5.1 General Use

1. Ensure your hair is clean and dry before trimming or clipping.
2. Select and attach the appropriate guide comb for the desired hair length.
3. Press the ON/OFF button to turn on the device. The LED display will show battery percentage and current speed.
4. For the clipper (V-196), you can adjust the blade lever for fine-tuning cutting lengths between 0.8mm and 2.0mm without a comb.
5. Gently move the device against the direction of hair growth for an even cut.

6. For best results, use slow, controlled movements.
7. After use, press the ON/OFF button to turn off the device.

5.2 Hair Clipper (V-196)

- Ideal for cutting larger sections of hair and creating fades.
- Use the included 6 guide combs for lengths from 1.5mm to 13mm.
- The adjustable taper lever allows for seamless blending and precise cutting without a comb.

5.3 Hair Trimmer (V-996)

- Suitable for detailing, outlining, beard trimming, and achieving sharp lines.
- Use the included 4 guide combs for lengths from 1.5mm to 6mm.
- Can be used without a comb for a close trim.

6. MAINTENANCE

6.1 Cleaning the Blades

1. After each use, turn off the device and remove any attached guide comb.
2. Use the provided cleaning brush to remove loose hairs from the blades.
3. For a more thorough cleaning, the blades can be carefully detached (refer to specific instructions in the included user manual for blade removal). Rinse the blades under running water if they are detachable and washable. Ensure they are completely dry before reattaching.
4. Do not rinse the main body of the clipper/trimmer under water unless explicitly stated as waterproof.

6.2 Lubricating the Blades

1. After cleaning and drying the blades, apply a few drops of the provided lubricating oil to the teeth of the blades.
2. Turn on the device for a few seconds to allow the oil to distribute evenly.
3. Wipe off any excess oil with a soft cloth.
4. Regular oiling ensures smooth operation and extends blade life.

6.3 Storage

- Store the clipper and trimmer in a dry, cool place, away from direct sunlight and moisture.
- Always attach the blade protection cap when storing to prevent damage to the blades.

7. TROUBLESHOOTING

Problem	Possible Cause	Solution
Device does not turn on.	Battery is depleted.	Charge the device fully using the USB cable.
Poor cutting performance or pulling hair.	Blades are dull, dirty, or not lubricated.	Clean the blades thoroughly and apply lubricating oil. If blades are dull, consider replacement (contact support).
Device makes unusual noise.	Blades are misaligned or need lubrication.	Ensure blades are properly aligned and lubricated. If the issue persists, contact customer support.
Battery life is shorter than expected.	Battery not fully charged or aging battery.	Ensure the device is fully charged before use. Over time, battery capacity may decrease.

8. SPECIFICATIONS

Feature	Detail
Model Numbers	V-196 (Clipper) & V-996 (Trimmer)
Blade Material	Ceramic & Titanium Coated
Motor Speed	Up to 7000 RPM
Battery Type	Lithium-ion
Battery Capacity	2000mAh (each device)
Clipper Runtime	Up to 200 minutes
Trimmer Runtime	Up to 300 minutes
Charging Interface	USB
Product Dimensions (Clipper)	Approximately 17.5 x 6.5 x 4 cm
Item Weight	273 g (total for combo)
Power Source	Battery Powered
