2. SAFETY GUIDELINES

Always prioritize safety during installation and operation. Failure to follow these guidelines may result in injury or damage to the product or vehicle.

- Ensure the vehicle's ignition is off and the battery is disconnected before starting installation.
- Consult a professional technician if you are unsure about any installation steps.
- Do not operate the device in a manner that distracts you from driving.
- Keep the device away from water, moisture, and extreme temperatures.
- Use only approved accessories and wiring harnesses.

3. WHAT'S IN THE BOX

Verify that all components are present before beginning installation.

- GOHDDL Android 15 Car Stereo Unit
- Power Cable
- RCA Cable
- USB Cables (4-pin and 6-pin)

- GPS Antenna
- Radio Antenna & CAM & Original USB Cable
- AHD Rear Camera
- Canbus & Accessories (12 Screws)
- Installation Tool
- Microphone
- User Manual

4. TECHNICAL SPECIFICATIONS

Feature	Specification
Operating System	Android 15
RAM + Storage	4GB RAM + 64GB Storage
Display Size	9 Inches
Display Resolution	1280*720P IPS Touchscreen
Connectivity	Bluetooth, WiFi, USB
Special Features	Wireless Carplay, Android Auto, Mirror Link, GPS, FM/RDS, EQ, DSP, SWC, AHD Backup Camera
Item Weight	5.83 pounds
Package Dimensions	17.95 x 13.9 x 6.14 inches

5. SETUP & INSTALLATION

5.1 Pre-Installation Checklist

- Ensure your Ford F150 is a 2013 or 2014 model.
- Gather all tools required for dashboard disassembly (e.g., pry tools, screwdrivers).
- Disconnect the vehicle's battery to prevent electrical shorts.

5.2 Step-by-Step Installation

Follow these steps carefully to install your new car stereo. Refer to the provided videos for visual guidance.

1. **Connect Wiring Harnesses:** Connect the power cable, CANBUS box, 20-pin RCA cable, 3.5mm microphone, 4-pin USB cable, 6-pin USB cable, and GPS antenna to the main unit as shown in the video. Ensure all connections are secure.

Video 1: Detailed wiring harness connection guide.

Reversing Display

Waterproof night vision camera will automatically switch the reverse image when in reverse gear.

Steering Wheel Control

If the original car has buttons, you can use the steering wheel buttons to control the radio, making the operation more convenient

Figure 3: Connecting the main wiring harnesses to the stereo unit.

2. **Remove Dashboard Components:** Carefully remove the right storage box, unscrew the screws above the left dashboard, and remove the dashboard frame kit. Then, open the storage box and remove the screw.

Video 2: Step-by-step guide for disassembling the Ford F150 dashboard.

For Ford F150 2013 2014

Figure 4: Visual comparison of the dashboard before and after installation.

- 3. Unscrew Air Vents and Car Stereo:** Unscrew the screws on both sides of the air vents and then remove the screws securing the original car stereo. Disassemble the original car radio interface.

Figure 5: Removing the original car stereo and surrounding panels.

4. **Plug-in Connectors:** Connect the new wiring harnesses to the corresponding ports in the vehicle's dashboard.

Bluetooth

Built-in Bluetooth, support hands-free calling, phonebook synchronization and music streaming

FM/RDS Radio

High quality FM radio with preset 18 common stations, you can save your favorite stations and listen to live news, real-time traffic information, music and programs anytime

EQ

Various popular sound effects can be adjusted at will to enjoy the perfect car audio quality.

Figure 6: Plugging in the new connectors.

Test the New Unit: Before fully reassembling, place the new unit into the dashboard opening and reconnect the battery. Power on the unit and test the air conditioning and radio functions to ensure everything is working correctly.

Video 3: How to test the new unit's functions in-dash.

- Reassemble Dashboard:** Once testing is complete and successful, carefully reassemble all dashboard components in reverse order of disassembly.

6. OPERATING INSTRUCTIONS

6.1 Power On/Off & Touchscreen Interface

Press the power button to turn the unit on or off. The 9-inch ultra-high resolution touchscreen provides an intuitive interface for all functions. You can customize the home page and choose from multiple UI themes.

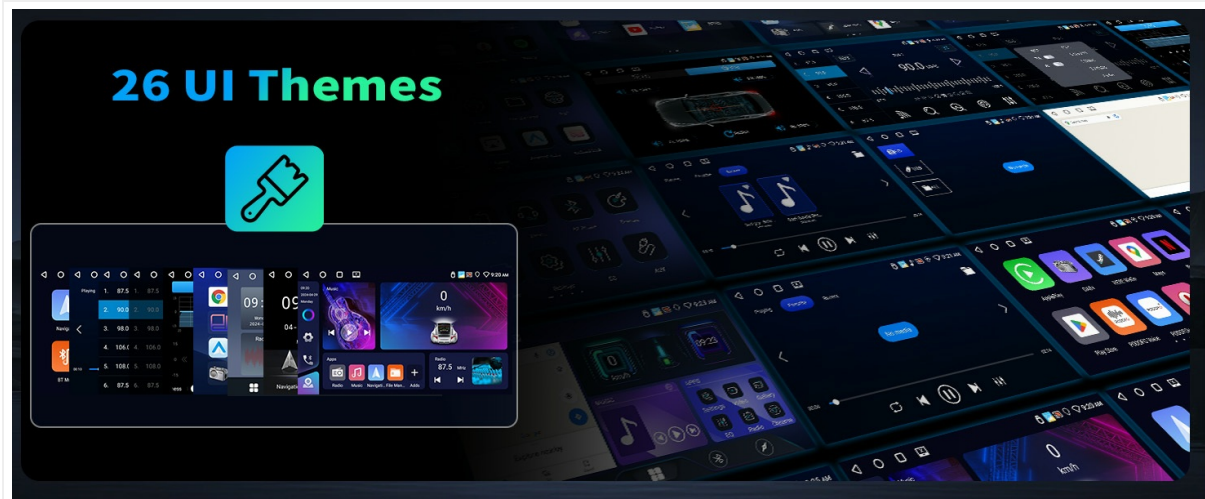

Figure 7: High-resolution IPS Touchscreen.

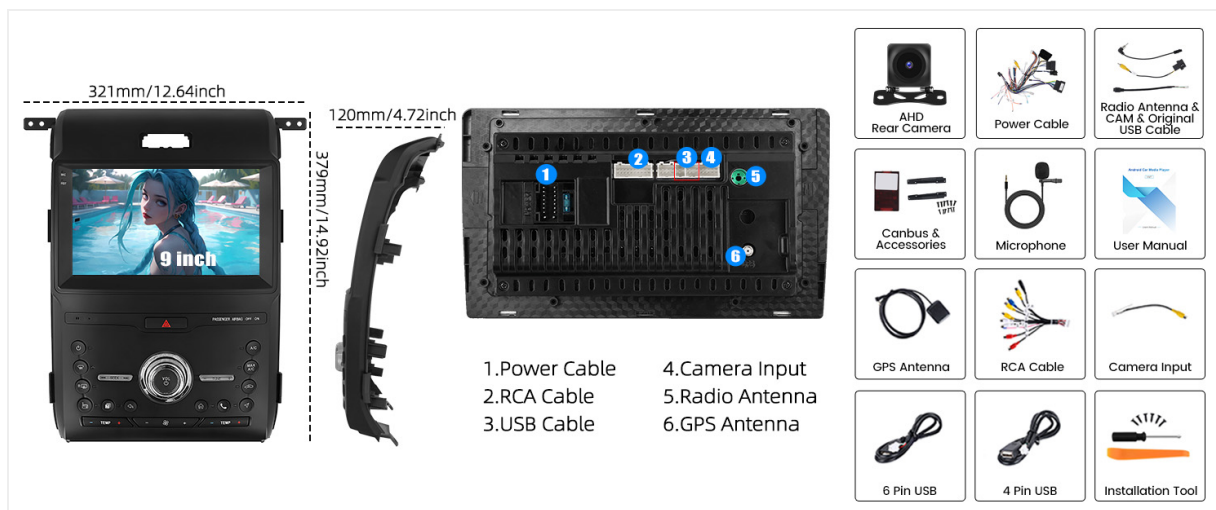

Figure 8: Customizable UI Themes.

6.2 Wireless Carplay & Android Auto

Connect your iPhone or Android phone wirelessly via Bluetooth or hotspot to access maps, music, calls, and apps directly on the 9-inch screen. Split-screen mode allows for simultaneous navigation and media control. Mirror Link extends compatibility to other devices.

Video 4: Demonstration of Carplay function operation.

Video 5: Overview of Fuluku Android Car Radio with Carplay and Android Auto features.

Figure 9: Wireless Carplay, Android Auto, and Mirror Link functionality.

6.3 Bluetooth Connectivity

Connect your phone via Bluetooth for hands-free calls and wireless music streaming. This allows you to answer calls safely and play your favorite playlists while driving.

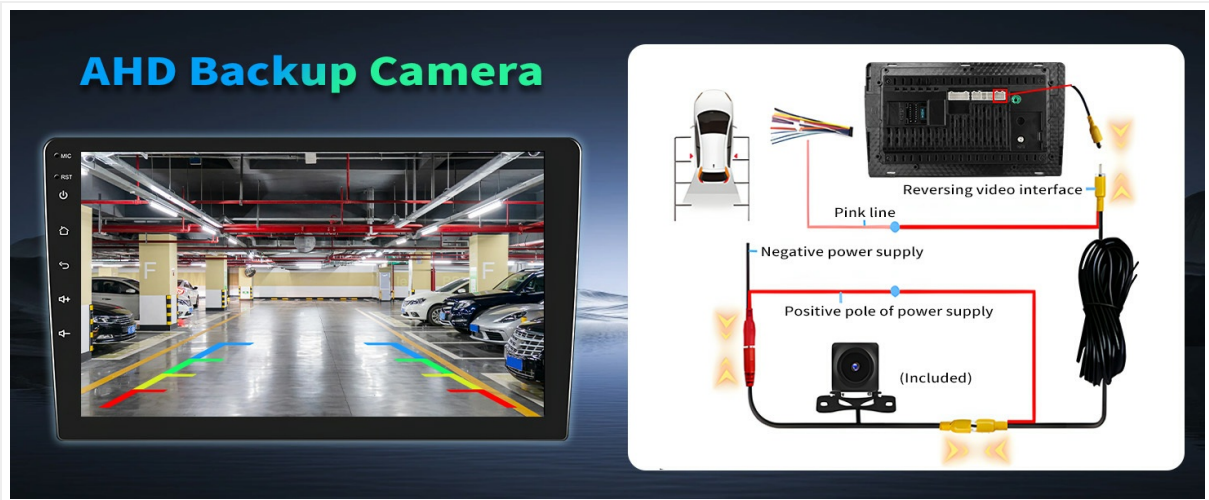

Figure 10: Bluetooth features for calls and music.

6.4 FM/RDS Radio

The high-quality FM radio allows you to save multiple preset stations for easy access. RDS (Radio Data System) provides real-time traffic information, music, and program details.

Figure 11: FM/RDS Radio interface.

6.5 GPS Navigation & WiFi

The built-in GPS navigation provides real-time traffic updates and helps avoid congestion. Connect to Wi-Fi for system updates, online navigation, and sharing movie/music hotspots.

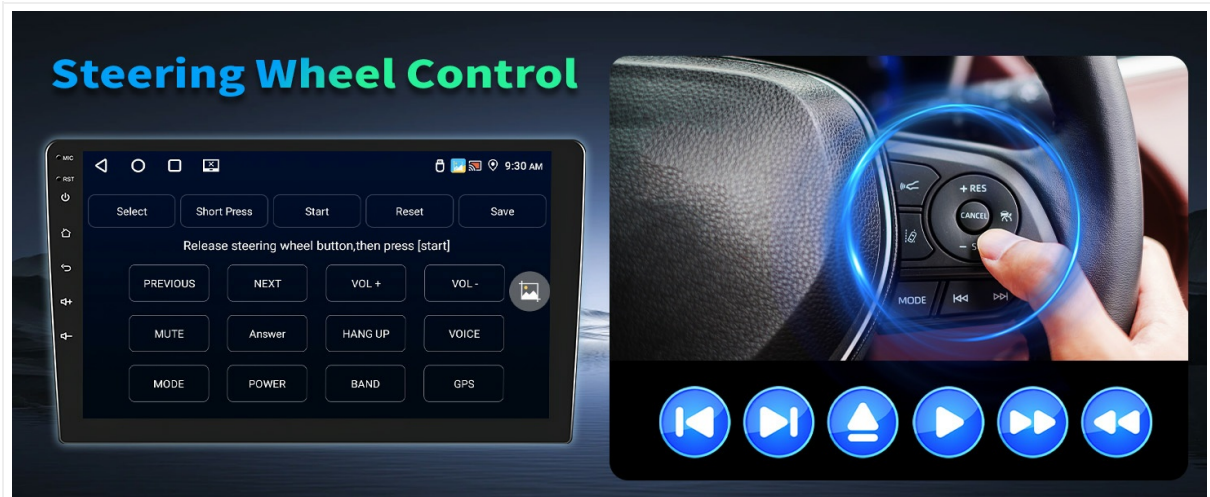

Figure 12: GPS Navigation and WiFi Hotspot.

6.6 Audio Settings (EQ & DSP)

Customize your audio experience with AI DSP and a 32-band EQ setting for optimal sound quality. Adjust various sound effects to suit your preferences.

Figure 13: Equalizer (EQ) settings.

Figure 14: FM RDS & 32-band EQ DSP.

6.7 AHD Backup Camera

The included 170° ultra-wide AHD camera eliminates blind spots, making parking effortless. Night vision ensures clear rear views even in low-light conditions.

Figure 15: Reversing Display with AHD Camera.

6.8 Steering Wheel Control (SWC)

If your vehicle has original steering wheel buttons, you can use them to control the radio, adjust volume, skip tracks, or answer calls without taking your hands off the wheel.

Video 6: How to customize single key button shortcut functions.

Figure 16: Steering Wheel Control interface.

7. MAINTENANCE

Proper maintenance ensures the longevity and optimal performance of your car stereo.

- **Cleaning:** Use a soft, dry cloth to clean the touchscreen and unit exterior. Avoid abrasive cleaners or solvents.
- **Software Updates:** Periodically check for software updates via the WiFi connection to ensure optimal performance and access to the latest features.
- **Temperature:** Avoid exposing the unit to extreme temperatures for extended periods.

8. TROUBLESHOOTING

If you encounter any issues, refer to the table below for common problems and solutions.

Problem	Possible Cause	Solution
Unit does not power on	Loose power connection, blown fuse	Check power cable connections. Inspect vehicle fuses.
No sound after installation	Incorrect wiring, amplifier incompatibility	Verify all audio connections. If your car has an aftermarket amplifier, ensure compatibility or consult support.
GPS signal is weak or lost	GPS antenna placement	Ensure the GPS antenna is placed in the glove box or an unobstructed area, not behind the dashboard.
Carplay/Android Auto not connecting	Bluetooth/WiFi issue, phone settings	Check phone's Bluetooth/WiFi settings. Ensure hotspot is enabled if connecting wirelessly. Restart phone and stereo.
Steering Wheel Controls not working	Incorrect CANBUS connection, SWC settings	Verify CANBUS box connection. Check SWC settings in the stereo's menu.

9. WARRANTY & SUPPORT

9.1 Warranty Information

This product comes with a manufacturer's warranty. Please refer to the warranty card included in your package for specific terms and conditions. Keep your proof of purchase for warranty claims.

9.2 Customer Support

For further assistance, technical support, or warranty inquiries, please contact GOHHDL customer service through the retailer where you purchased the product. You may also visit the official GOHHDL store on Amazon for additional resources.
