4. SETUP AND ASSEMBLY

Assembly is required for this product. Please follow the detailed instructions provided in the included accessory kit. A general overview of the assembly process is as follows:

1. **Unpack Components:** Carefully remove all parts from the packaging and lay them out on a clean, soft surface to prevent scratches.
2. **Identify Parts:** Refer to the parts list in the accessory kit to identify each component (e.g., panels, metal frames, hardware).
3. **Assemble Frame:** Attach the metal frame components using the provided screws and tools. Ensure all connections are firm.
4. **Install Panels:** Secure the engineered wood panels to the frame.
5. **Assemble Drawers:** Construct the two drawers and install the slide rails. Insert the drawers into their designated slots.
6. **Install Charging Station:** Integrate the charging station into its designated slot, ensuring the power cord is accessible.
7. **Final Check:** Verify that all screws are tightened and the table is stable. Adjust the leveling feet if necessary.

6. MAINTENANCE

To maintain the appearance and longevity of your side end table:

- **Cleaning:** Wipe the surfaces with a dry cloth. Avoid using harsh chemicals or abrasive cleaners, which may damage the finish.
- **Spills:** Immediately wipe up any spills to prevent staining or damage to the engineered wood.
- **Inspection:** Periodically check all screws and connections to ensure they remain tight. Retighten if

necessary.

- **Weight Limit:** Adhere to the maximum weight recommendation of 200 pounds (91 kg) to prevent structural damage.

7. TROUBLESHOOTING

If you encounter any issues with your side end table, consider the following:

- **Table Wobbles:** Ensure the table is on a level surface. Adjust the leveling feet at the bottom of the legs to stabilize the table.
- **Drawers Stick:** Check that the drawer slide rails are properly aligned and free of obstructions. Ensure the drawers are not overloaded.
- **Charging Station Not Working:** Verify that the power cord is securely plugged into both the table and a functioning wall outlet. Check if the wall outlet is receiving power.
- **Missing Parts:** If any parts are missing or damaged upon arrival, contact customer support for assistance.
