YITAHOME MAYIHIdmRP

YITAHOME MAYIHIdmRP Convertible Sofa Chair Bed User Manual

Model: MAYIHIdmRP

PRODUCT OVERVIEW

The YITAHOME Convertible Sofa Chair Bed is a versatile 3-in-1 furniture piece designed to function as a sofa, lounge chair, or guest bed. Its compact design makes it suitable for various living spaces, including living rooms, studios, and offices. The unit features a 5-level adjustable backrest for customized comfort and a durable wood-steel hybrid frame supporting up to 400 lbs. Upholstered in breathable linen fabric with 28D foam cushioning, it offers comfort and support for daily use and overnight guests.

SETUP AND ASSEMBLY

Assembly of the YITAHOME Convertible Sofa Chair Bed is designed to be straightforward, typically taking about 15 minutes with two people. All necessary tools and pre-attached components are included. Follow the numbered instructions provided in the package for a smooth setup process.

Assembly Steps:

1. **Unpack Components:** Carefully remove all parts from the packaging and verify against the parts list.
2. **Attach Legs:** Securely attach the furniture legs to the base of the sofa chair.
3. **Connect Backrest:** Position and connect the backrest to the main seat frame.
4. **Install Pull-Out Mechanism:** Ensure the pull-out bed mechanism is correctly aligned and secured.
5. **Final Checks:** Confirm all connections are tight and the chair operates smoothly.

EASY CONVERSION

For detailed visual instructions, please refer to the official [Installation Manual \(PDF\)](#).

OPERATING INSTRUCTIONS

Converting Between Modes:

The YITAHOME Convertible Sofa Chair Bed offers three modes: sofa, chaise longue, and bed. To convert, gently pull the hidden bed frame from underneath the seat. The mechanism is designed for smooth operation.

1. **Sofa to Chaise Longue:** Pull the front section of the seat outwards. The hidden leg support will automatically extend.
2. **Chaise Longue to Bed:** Continue pulling the extended section forward until it fully unfolds, creating a flat sleeping surface.
3. **Bed to Sofa:** Reverse the process by pushing the bed section back into the chair, ensuring the support leg folds correctly.

Adjusting the Backrest:

The backrest features 5 adjustable positions, ranging from 90° (upright) to 180° (flat). To adjust, push the backrest slightly forward to release the locking mechanism, then recline or raise it to your desired angle. Release to lock it into place.

MAINTENANCE

Proper care ensures the longevity and appearance of your YITAHOME Convertible Sofa Chair Bed.

- **Cleaning:** Avoid water-based cleaning solutions. For spills, blot immediately with a clean, dry cloth. For general cleaning, use a soft brush or vacuum with an upholstery attachment to remove dust and debris.
- **Fabric Care:** The linen fabric is breathable and durable. Avoid direct sunlight exposure for prolonged periods to prevent fading.

- **Frame Care:** Periodically check all bolts and connections to ensure they remain tight. Retighten if necessary.
- **Moving:** When moving the furniture, lift it rather than dragging to prevent damage to the legs and frame.

TROUBLESHOOTING

If you encounter any issues with your sofa chair bed, refer to the following common solutions:

- **Difficulty Converting:** Ensure no objects are obstructing the pull-out mechanism. Check that the backrest is in an appropriate position (often fully upright or slightly reclined) before attempting conversion.
- **Unstable Feeling:** Verify that all assembly bolts are securely tightened. Ensure the foldable support leg for the backrest is fully extended when in chaise longue or bed mode.
- **Squeaking Noises:** This may indicate loose connections. Inspect and tighten all visible bolts and screws. Applying a small amount of silicone lubricant to moving metal parts can also help.
- **Fabric Stains:** Refer to the cleaning instructions in the Maintenance section. For stubborn stains, consult a professional upholstery cleaner.

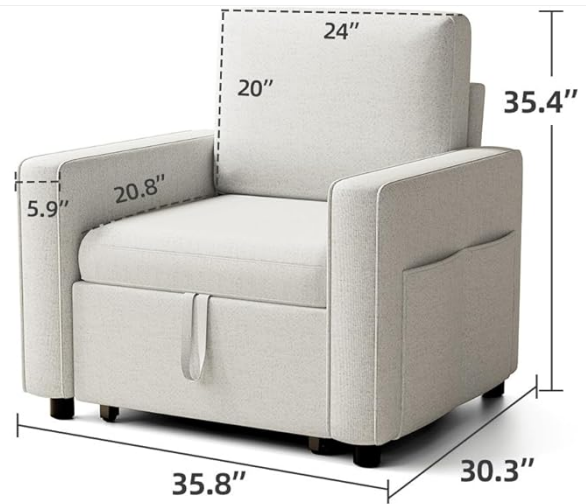

SPECIFICATIONS

Feature	Detail
Brand	YITAHOME
Model Number	MAYIHIdmRP
Type	Sofa Bed (3-in-1 Convertible)
Color	Beige
Upholstery Fabric Type	Linen
