NOUUI NU-HS012

NOUUI NU-HS012 Open Ear Headphones User Manual

Model: NU-HS012 | Brand: NOUUI

INTRODUCTION

Thank you for choosing the NOUUI NU-HS012 Open Ear Headphones. These headphones are designed to provide high-definition stereo sound while allowing you to remain aware of your surroundings. Featuring an AI noise-cancelling microphone, Bluetooth 5.3, and dual device connectivity, they are suitable for various activities including work, workouts, and calls. This manual provides essential instructions for setup, operation, and maintenance to ensure optimal performance and longevity of your device.

PACKAGE CONTENTS

- NOUUI NU-HS012 Open Ear Headphones
- Magnetic Induction Charger
- User Manual

PRODUCT OVERVIEW

Familiarize yourself with the components of your NOUUI NU-HS012 headphones.

Image 1: NOUUI NU-HS012 Open Ear Headphones. This image displays the overall design of the headphones, highlighting the open-ear hooks and the adjustable microphone boom.

- **Open-Ear Hooks:** Designed to rest gently on the outer ear, providing comfort and situational awareness.
- **Adjustable Microphone:** A 270° rotatable boom microphone with AI noise cancellation for clear voice pickup.
- **Multifunction Button (MFB):** Controls power, calls, and music playback.
- **Volume Controls:** Buttons located on the side for adjusting audio levels.
- **Charging Port:** For connecting the magnetic induction charger.

SETUP

1. Charging the Headphones

Before first use, fully charge your NOUUI NU-HS012 headphones.

1. Connect the magnetic induction charger to a USB power source.
2. Place the headphones onto the charging base, ensuring the magnetic contacts align.
3. The indicator light on the headphones will show charging status (refer to LED indicator section for details).
4. A full charge takes approximately 2 hours and provides up to 14 hours of playback time.

2. Bluetooth Pairing

Pair your headphones with your device (smartphone, tablet, laptop, etc.) via Bluetooth.

1. Ensure the headphones are powered off.
2. Press and hold the Multifunction Button (MFB) until the LED indicator flashes blue and red, indicating pairing mode.
3. On your device, enable Bluetooth and search for available devices.
4. Select "NOUUI NU-HS012" from the list.
5. Once connected, the LED indicator will flash blue slowly.

Note: The effective Bluetooth range is up to 15 meters (49 feet).

Image 2: NOUUI NU-HS012 Headphones demonstrating dual connection. The headphones are shown wirelessly connected to both a smartphone and a tablet, illustrating the ability to pair with two devices simultaneously.

OPERATING INSTRUCTIONS

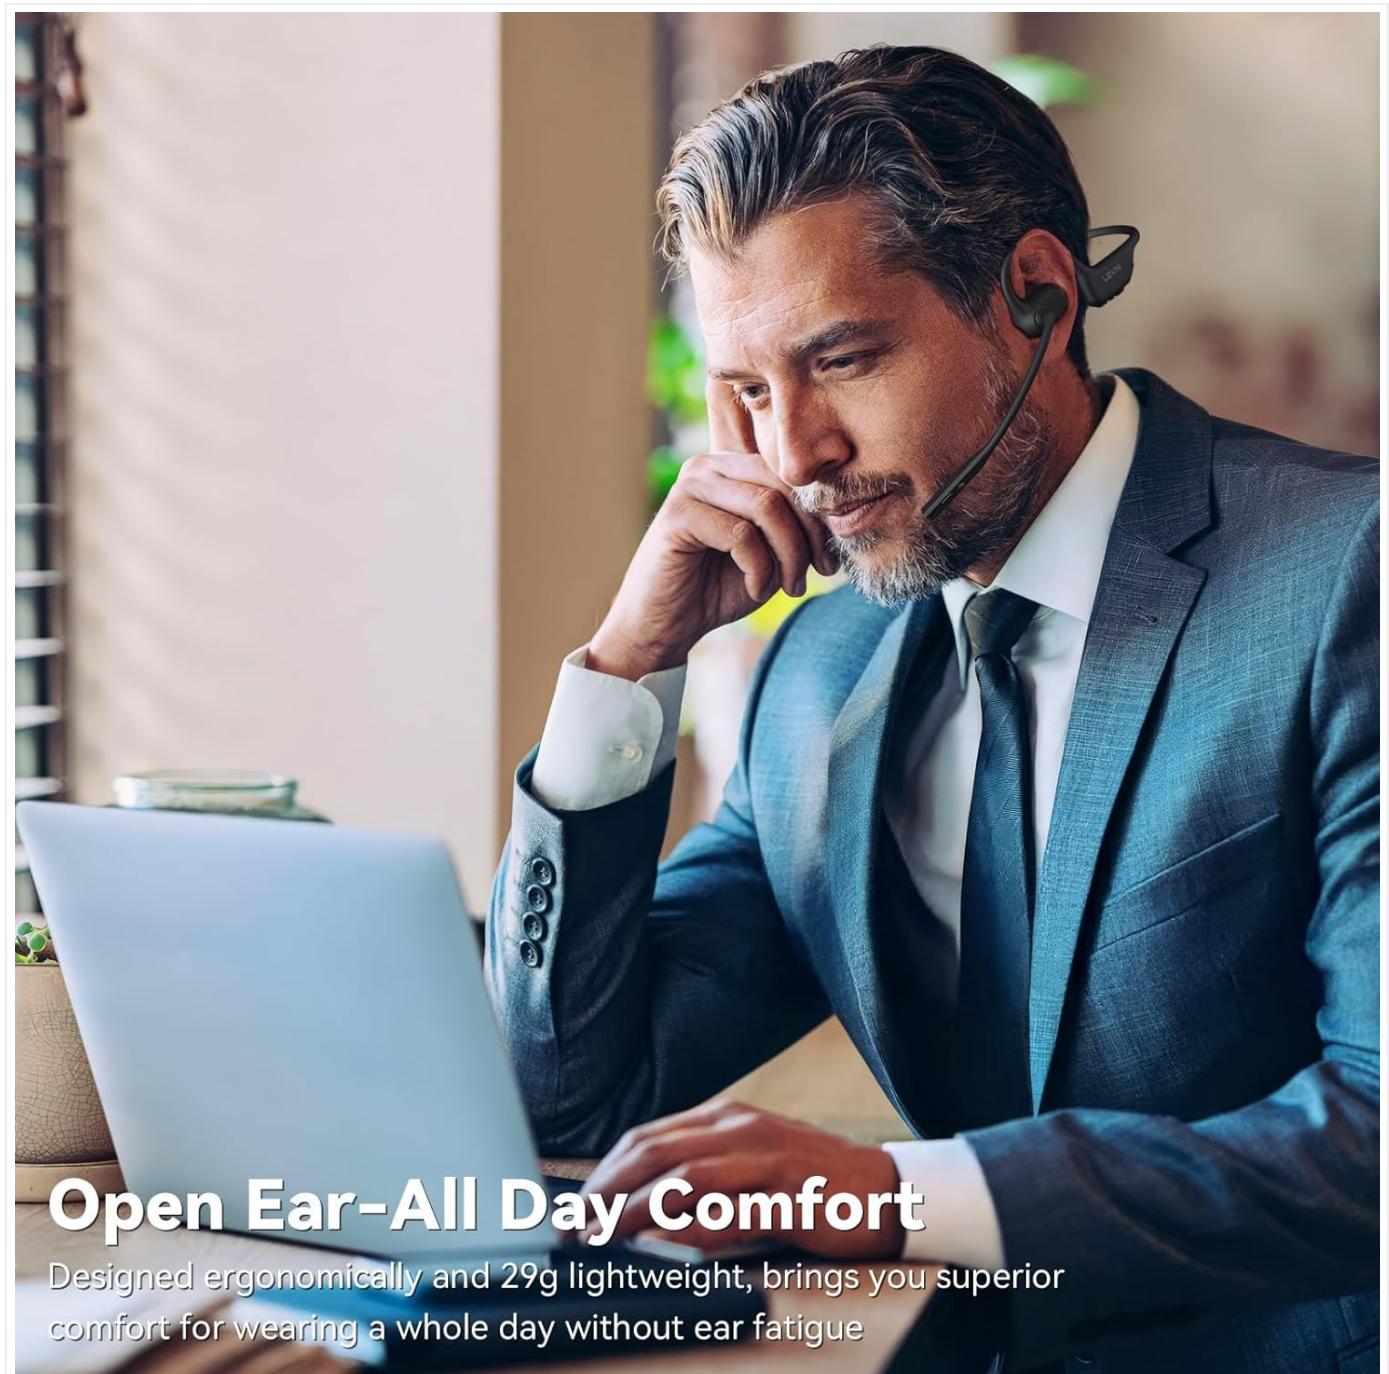

Power On/Off

- **Power On:** Press and hold the MFB for 3 seconds. The LED indicator will flash blue.

- **Power Off:** Press and hold the MFB for 5 seconds. The LED indicator will flash red and then turn off.

Call Management

- **Answer/End Call:** Press the MFB once.
- **Reject Call:** Press and hold the MFB for 2 seconds.
- **Mute Microphone:** During a call, press the dedicated mute button on the microphone boom. Press again to unmute.
- **Adjust Microphone:** The microphone boom can be rotated 270° to position it optimally for clear voice pickup.

Open Ear-All Day Comfort

Designed ergonomically and 29g lightweight, brings you superior comfort for wearing a whole day without ear fatigue

Music Playback

- **Play/Pause:** Press the MFB once.
- **Next Track:** Double-press the MFB.
- **Previous Track:** Triple-press the MFB.

Volume Control

- **Increase Volume:** Press the Volume Up button.
- **Decrease Volume:** Press the Volume Down button.

Dual Device Connection

The NOUUI NU-HS012 headphones can be connected to two Bluetooth devices simultaneously.

1. Pair the headphones with the first device as described in the "Bluetooth Pairing" section.
2. Disable Bluetooth on the first device. The headphones will re-enter pairing mode.
3. Pair the headphones with the second device.
4. Re-enable Bluetooth on the first device. The headphones should automatically connect to both devices.
5. Audio will switch between devices based on which one is actively playing media or receiving a call.

MAINTENANCE

Cleaning

- Wipe the headphones with a soft, dry, lint-free cloth.
- Do not use abrasive cleaners, solvents, or aerosol sprays.

Storage

- Store the headphones in a cool, dry place away from direct sunlight and extreme temperatures.
- Avoid placing heavy objects on the headphones.

Water Resistance

Important: The NOUUI NU-HS012 headphones are **not water resistant**. Avoid exposure to water, rain, sweat, or other liquids to prevent damage.

TROUBLESHOOTING

Problem	Solution
Headphones do not power on.	Ensure the headphones are fully charged. Connect to the magnetic charger for at least 30 minutes.
Cannot pair with device.	<ul style="list-style-type: none">• Ensure headphones are in pairing mode (flashing blue/red LED).• Disable and re-enable Bluetooth on your device.• Move headphones closer to your device (within 15 meters).• Forget "NOUUI NU-HS012" from your device's Bluetooth list and try pairing again.

Problem	Solution
No sound or low volume.	<ul style="list-style-type: none"> Increase volume on both the headphones and your connected device. Ensure the headphones are properly connected to your device. Check if another device is connected via dual connection and is playing audio.
Microphone not working.	<ul style="list-style-type: none"> Ensure the microphone is not muted (check the mute button). Verify that the headphones are selected as the input device in your call application settings. Adjust the microphone boom closer to your mouth.
