## WallarGe HP006

# WallarGe HP006 Neckband Bluetooth Earphones and Hearing Amplifier User Manual

## INTRODUCTION AND OVERVIEW

The WallarGe HP006 Neckband Bluetooth Earphones are designed to provide both personal hearing amplification and high-quality Bluetooth audio. This device is user-friendly, combining essential functionalities without unnecessary complexity. It features a built-in microphone for sound collection and amplification, making conversations and TV watching clearer.

### Hearing Amplifier & Bluetooth 2 in 1

Image: An elderly woman and a young man engaging in conversation, both wearing the WallarGe Neckband Bluetooth Earphones. The image highlights the digital hearing amplification feature, promoting clear communication.

## PRODUCT FEATURES

- **Personal Hearing Amplifier:** Equipped with a built-in microphone to collect and amplify surrounding sounds, enhancing clarity for conversations and TV viewing.
- **Individual Volume Adjustment:** The neckband includes separate controls on both the left and right sides, allowing for personalized volume settings to suit individual hearing needs.
- **Fast Charging & Long Battery Life:** A built-in rechargeable battery provides approximately 35 hours of continuous use on a single charge, which takes about 3.5 hours.
- **2-in-1 Bluetooth Headphones:** Functions as both a hearing amplifier and Bluetooth 5.3

headphones, offering low-latency audio for calls and music.

- **User-Friendly Design:** Designed for simplicity with a single switch button, focusing on core amplification and Bluetooth functionalities.

## WHAT'S IN THE BOX

Your WallarGe HP006 package includes:

- WallarGe Neckband Bluetooth Earphones (Model: HP006)
- Charging Station
- USB-C Charging Cable
- Adapter
- Multiple sizes of ear tips for a comfortable fit

## SETUP INSTRUCTIONS

1. **Charge the Device:** Before first use, fully charge your earphones using the provided USB-C cable and adapter. The built-in rechargeable battery fully charges in approximately 3.5 hours.
2. **Power On:** Press and hold the power button (typically located on the right side of the neckband) for 2 seconds until the indicator light illuminates.
3. **Bluetooth Pairing:** Once powered on, the earphones will automatically enter pairing mode (indicated by a flashing light). On your device (smartphone, tablet, TV), enable Bluetooth and select
