occiam T19

occiam T19 Active Noise Cancelling Earbuds User Manual

Model: T19

1. PRODUCT OVERVIEW

The occiam T19 Active Noise Cancelling Earbuds are designed to provide a high-quality audio experience with enhanced comfort and durability. Featuring active noise cancellation, these wireless Bluetooth headphones are suitable for various activities including work, sports, and running. The earbuds come with over-ear hooks for a secure fit and are IPX7 waterproof, making them resistant to sweat and splashes.

2. PACKAGE CONTENTS

Verify that all items listed below are included in your package:

- Wireless Earbuds (Left and Right)
- Charging Case
- USB-C Charging Cable

- User Manual
- Eartips (S, M, L sizes)

Image: All items included in the occiam T19 earbud package.

3. SETUP

3.1. Charging the Case and Earbuds

Before first use, fully charge the charging case and earbuds. The charging case features a digital battery display to show the remaining power and charging status of the earbuds.

1. Connect the provided USB-C charging cable to the charging port on the case and to a compatible USB power source.
2. The digital display on the case will show the charging progress.
3. Place the earbuds into the charging case. Ensure they are correctly seated; magnetic contacts will guide them into place.
4. The earbuds will begin charging automatically. The case display will indicate the charging status of each earbud.
5. A full charge for the case takes approximately 2 hours.

3.2. Pairing with a Device

The earbuds feature one-step pairing and a built-in Hall switch for instant connection.

1. Open the charging case. The earbuds will automatically power on and enter pairing mode.
2. On your Bluetooth-enabled device (smartphone, tablet, laptop, etc.), go to the Bluetooth settings.
3. Search for available devices and select "T19" from the list.
4. Once connected, you will hear an audio prompt, and the earbuds will be ready for use.
5. For subsequent uses, simply open the case, and the earbuds will automatically connect to the last paired device.

4. OPERATING INSTRUCTIONS

4.1. Wearing the Earbuds

The occiam T19 earbuds are designed for a comfortable and secure fit, especially during physical activity.

1. Choose the appropriate size eartips (S, M, L) for a snug fit in your ear canal.
2. Place the earbud in your ear, ensuring the ear hook wraps securely over your ear.
3. Adjust the angle of the earbud and ear hook until it feels comfortable and stable.

4.2. Button Controls

Each earbud features a physical button for easy control of audio playback and calls.

- **Play/Pause:** Single press the button on either earbud.
- **Volume Control:** Double press the button on the right earbud to increase volume, or on the left earbud to decrease volume.
- **Next Track:** Triple press the button on the right earbud.
- **Previous Track:** Triple press the button on the left earbud.
- **Answer/End Call:** Single press the button on either earbud during an incoming call or active call.
- **Reject Call:** Press and hold the button on either earbud during an incoming call.
- **Activate Voice Assistant:** Press and hold the button on either earbud for 2 seconds.

- **Active Noise Cancellation (ANC):** Press and hold the button on either earbud for 3 seconds to toggle ANC on/off.

Listen for Longer

Each earbud can play for 8H per charge. Combined with the charging case, when using one earbud each time, you can obtain a maximum 90H playback.

8 Hrs	48 Hrs	90 Hrs
Single Charge	Two Earbuds with Case	One Earbud with Case

Type-C charging

4.3. Mono and Binaural Modes

The earbuds support both binaural (using both earbuds) and mono (using a single earbud) modes, offering flexible listening options.

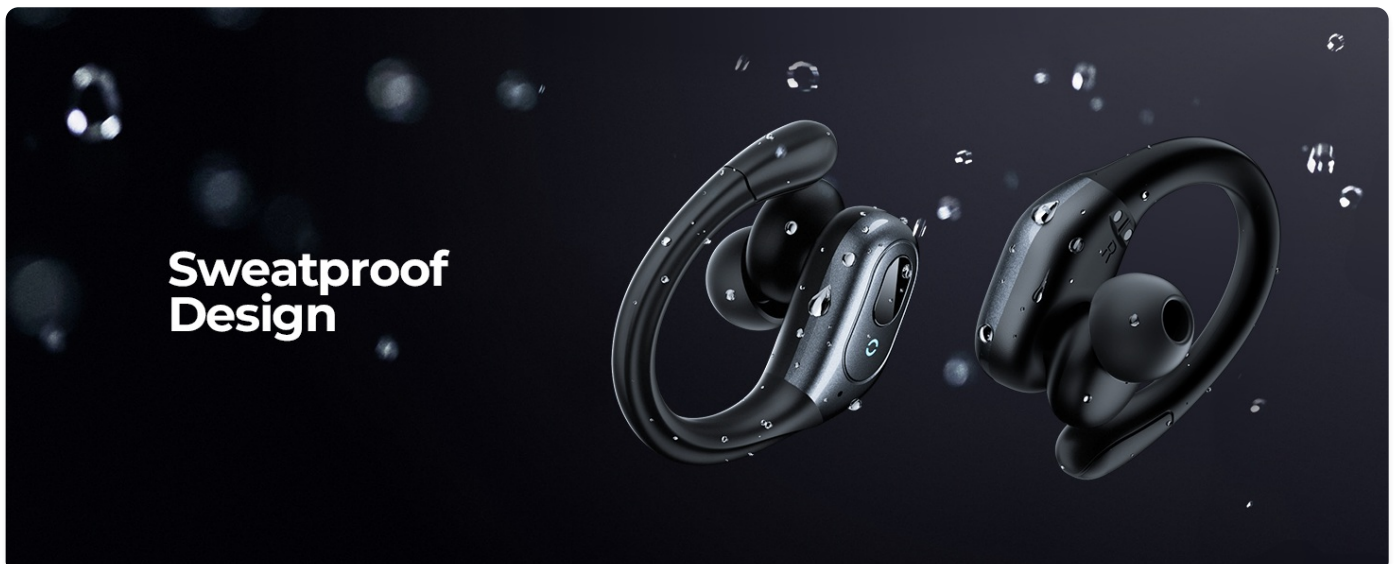

- **Binaural Mode:** Use both earbuds for a stereo audio experience.
- **Mono Mode:** Use either the left or right earbud independently. The unused earbud can remain in the charging case.

5. MAINTENANCE

5.1. Cleaning

To ensure optimal performance and longevity, regularly clean your earbuds and charging case.

- Wipe the earbuds and charging case with a soft, dry, lint-free cloth.
- If the earbuds have been exposed to sweat or water, ensure they are completely dry before placing them back in the charging case to prevent charging failures due to electrolyte reaction.
- Gently remove any earwax or debris from the eartips and speaker mesh using a small, soft brush or cotton swab.

5.2. Storage

When not in use, store the earbuds in their charging case to protect them and keep them charged.

- Store the earbuds and case in a cool, dry place away from extreme temperatures and direct sunlight.
- Avoid storing them near sharp objects that could scratch or damage the earbuds or case.

6. TROUBLESHOOTING

Issue	Possible Solution
Earbuds not pairing	Ensure earbuds are charged. Turn off and on Bluetooth on your device. Forget "T19" from your device's Bluetooth list and re-pair.
No sound or low volume	Check volume levels on both your device and earbuds. Ensure earbuds are properly seated in your ears. Clean eartips and speaker mesh.
One earbud not working	Place both earbuds back in the case, close it, then open again to reset. Ensure both earbuds are charged.
Charging case not charging	Verify the USB-C cable and power adapter are working correctly. Ensure the cable is securely connected to the case.
Earbuds falling out	Try different sizes of eartips for a more secure fit. Adjust the ear hooks for better stability.
