

VINGLI BL0SM02

VINGLI 58-inch Fireplace TV Stand with Electric Heater Instruction Manual

Model: BL0SM02 | Brand: VINGLI

1. SAFETY INFORMATION

Please read and understand all instructions before assembly and use. Failure to follow these instructions may result in electric shock, fire, property damage, or personal injury.

- Keep all packaging materials away from children.
- Do not overload the TV stand. Ensure the total weight on the stand does not exceed 420 lbs.
- Place the unit on a flat, stable surface.
- Ensure proper ventilation around the electric fireplace heater. Do not block air vents.
- Do not operate the fireplace if the power cord is damaged or if the unit malfunctions.
- Keep flammable materials at least 3 feet (0.9 meters) away from the front of the heater.
- This product is for indoor use only.

2. PACKAGE CONTENTS

Verify that all components are present before beginning assembly. The item is delivered in two packages, which may arrive at different times.

Refer to the included parts list in your physical manual for detailed identification of each component and hardware piece.

18 INCH Fireplace With Remote Control

(burn with or without heater)

The item will be delivered in **2** packages, and each may arrive at a different time.

3. ASSEMBLY INSTRUCTIONS

Assembly typically requires two adults. Follow the step-by-step diagrams and instructions provided in the physical assembly manual. All necessary tools are included.

Important Assembly Tip:

When assembling the main structure, particularly the base and side panels, ensure that all wooden dowels are inserted into their designated holes early in the process. Some instructions may suggest this later, but inserting them while the panels are flat on the floor can prevent the need for partial disassembly later.

Meticulously Crafted Details

Refined and Elegant Surface
Waterproof and Scratch-resistant

Durable and Sturdy Base
Maximum weight capacity 420 LBS

Ample Storage Capacity
Flexible storage to meet your specific needs

Criss-Cross Embellishment
Graceful intersecting design

4. OPERATING INSTRUCTIONS

4.1 Electric Fireplace Heater

The electric fireplace provides both realistic flame effects and adjustable heating. It can be operated with or without the heating function.

- **Power On/Off:** Press the power button on the unit or remote control.
- **Flame Effect:** Cycle through 7 color options by pressing the flame button on the remote.
- **Heat Settings:** Adjust the temperature between 62°F and 82°F using the temperature controls on the unit or remote.
- **Timer Function:** Set the automatic shut-off timer for 0.5 to 6 hours.
- **Safety Feature:** The unit includes CSA-certified overheating protection, which will automatically shut off the heater if it reaches an unsafe temperature.

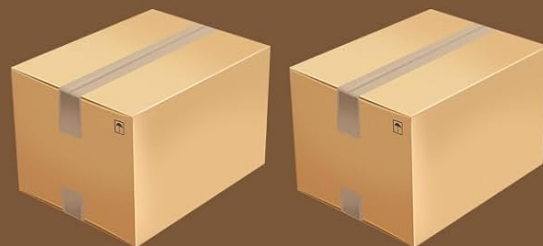

4.2 Remote Control

The included remote control allows for convenient adjustment of the fireplace settings from a distance. Ensure the remote has working batteries and is pointed towards the fireplace unit.

5. MAINTENANCE

Regular maintenance ensures the longevity and optimal performance of your TV stand and fireplace heater.

- **Cleaning the Stand:** Wipe surfaces with a soft, damp cloth. Avoid harsh chemicals or abrasive cleaners.
- **Cleaning the Fireplace:** Ensure the unit is unplugged and cool before cleaning. Gently wipe the glass and exterior with a soft, lint-free cloth. Do not spray liquids directly onto the unit.
- **Ventilation:** Periodically check and clear any dust or obstructions from the heater's air intake and exhaust vents.
- **Cord Inspection:** Regularly inspect the power cord for any signs of damage. If damaged, discontinue use and contact customer support.

6. TROUBLESHOOTING

If you encounter issues with your VINGLI Fireplace TV Stand, refer to the following common problems and solutions:

Problem	Possible Cause	Solution
Fireplace does not turn on.	No power, unit unplugged, circuit breaker tripped.	Check power connection, ensure outlet is functional, reset circuit breaker.
No heat output.	Heat function not activated, temperature set too low, overheating protection engaged.	Activate heat function, increase temperature setting, allow unit to cool if overheated.
Remote control not working.	Dead batteries, obstruction, remote out of range.	Replace batteries, remove obstructions, ensure remote is within effective range.
Unstable stand.	Loose connections, uneven floor.	Tighten all screws and fasteners, adjust leveling feet if applicable, move to an even surface.

If the issue persists, please contact VINGLI customer support.
