PEJE ZW02

PEJE ZW02 Smartwatch User Manual

Model: ZW02 (also known as HW12)

Introduction

Thank you for choosing the PEJE ZW02 Smartwatch. This manual provides essential information for setting up, operating, and maintaining your device. Please read it carefully to ensure optimal performance and longevity of your smartwatch.

What's in the Box

Verify that all items are present in your package:

- PEJE ZW02 Smartwatch
- Extra Smartwatch Strap
- Magnetic USB Charging Cable
- Multi-language User Manual

Setup

1. Charging the Smartwatch

Before first use, fully charge your smartwatch. Connect the magnetic charging cable to the charging points on the back of the watch and plug the USB end into a power adapter (not included) or a computer's USB port. The screen will indicate charging status.

2. App Installation and Pairing

To unlock all features, download and install the official PEJE app on your smartphone.

1. **Activate Bluetooth:** Ensure Bluetooth is enabled on your smartphone.
2. **Download App:** Search for "PEJE" in the Google Play Store (for Android) or Apple App Store (for iOS) and download the application.
3. **Add Device:** Open the PEJE app, click on "Add device" (Adicionar dispositivo), then "Select Device" (Selecionar dispositivo). Locate "ZW02" in the list and connect.
4. **Set Language:** After successful connection, navigate to "Others" (Outros) in the app settings, then click on "Language" (Idioma) to select your preferred language.

Operating Instructions

1. Basic Navigation

The PEJE ZW02 Smartwatch features a 1.28-inch HD touch screen for intuitive control. Swipe left/right, up/down, and tap to navigate through menus and functions.

2. Bluetooth Calling

With its built-in microphone and speaker, the smartwatch allows you to make and answer calls directly from your wrist when connected via Bluetooth to your phone.

- **Answer/Reject Calls:** Tap the corresponding icon on the watch screen.
- **Make Calls:** Access your call lists or contacts directly from the watch.

3. Health Monitoring

The smartwatch acts as your personal wellness assistant, tracking various health metrics:

- **Heart Rate:** Real-time heart rate monitoring.
- **Sleep Patterns:** Intelligent analysis of sleep stages (deep, light, awake) to help improve sleep habits.
- **Steps & Calories:** Monitors daily steps, distance, and calories burned.
- **Menstrual Cycle:** Track and manage your menstrual cycle with reminders.

Note: All health data is for personal reference and wellness purposes only, not for medical use.

Maintenance

1. Water Resistance (IP68)

The PEJE ZW02 Smartwatch is IP68 waterproof, meaning it is resistant to dust and can withstand immersion in water up to 1.5 meters for 30 minutes. It is suitable for hand washing and use in rainy weather. However, please observe the following:

- Avoid using the watch in very hot baths or saunas, as steam can affect its seals.
- Do not use the smartwatch with a wet wrist.
- Dry the watch thoroughly before wearing it after contact with water.
- Water resistance may decrease over time with normal use.

2. Charging

The smartwatch is equipped with a 230mAh battery, providing 5-7 days of continuous use under standard settings and 7-10 days of standby time. A full charge takes approximately 2.5-3 hours. The recommended initial charging time is 5 hours.

3. Cleaning

To maintain optimal performance and hygiene:

- Clean the charging contacts with alcohol every 1-3 months to ensure a good connection.
- Wipe the watch and strap regularly with a soft, dry cloth.

Image detailing the IP68 waterproof rating, magnetic USB charging, and battery life (5-7 days normal use, 7-9 days standby, 2.5-3 hours charging) of the PEJE ZW02 Smartwatch.

Troubleshooting

- **Watch not turning on:** Ensure the watch is fully charged. Connect it to the charger for at least 30 minutes.
- **Cannot pair with phone:** Make sure Bluetooth is enabled on your phone and the watch is within range. Restart both the watch and your phone. Ensure the PEJE app is updated to the latest version.
- **Notifications not received:** Check app permissions on your phone to ensure the PEJE app has access to notifications. Verify that notifications are enabled within the PEJE app settings for specific applications.
- **Inaccurate health data:** Ensure the watch is worn snugly on your wrist, not too tight or too loose. Keep the sensor clean. Remember that data is for reference and not medical diagnosis.
- **Short battery life:** Reduce screen brightness, disable unnecessary features, and ensure the watch is fully charged.

Specifications

Feature	Specification
Brand	PEJE
Model Name	ZW02 (HW12)
Display	1.28-inch HD TFT Touch Screen
Connectivity	Bluetooth
Water Resistance	IP68
