IMPORTANT SAFETY INFORMATION

Please observe the following safety precautions to prevent injury or damage to the product:

- Read all instructions before assembly and use.
- Keep children and pets away from the assembly area.
- Ensure all parts are present and undamaged before assembly. Do not use if any parts are missing or broken.
- Assemble on a soft, clean surface to prevent scratches.
- Do not overtighten screws during assembly.
- Place the TV stand on a level, stable surface.
- Do not exceed the maximum weight capacity for the tabletop (132 lbs) or shelves (33 lbs each).
- For the electric fireplace, ensure proper ventilation and do not block air inlets/outlets.

- Do not place flammable materials near the fireplace.
- Always unplug the fireplace before cleaning or maintenance.

PACKAGE CONTENTS

Your YISUFO TV Stand with Electric Fireplace is shipped in two separate boxes. Please ensure you have received both packages and all components are accounted for before beginning assembly.

Image: Visual representation of the product being delivered in two separate boxes, which may arrive on different days. Refer to the included assembly instructions for a detailed list of all parts and hardware.

SETUP AND ASSEMBLY

Assembly of the YISUFO TV Stand is designed to be straightforward with illustrated, step-by-step instructions provided in the packaging. All parts are clearly numbered for easy identification.

Before You Begin:

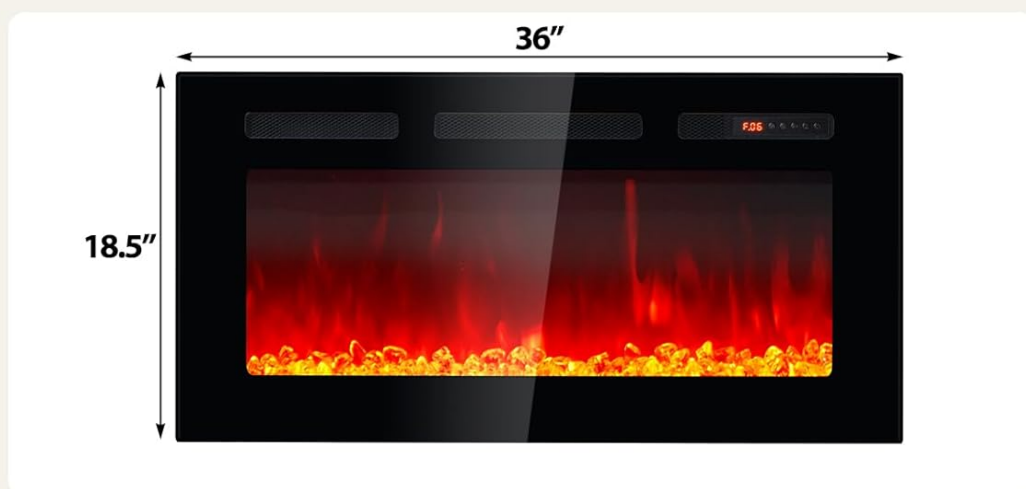

- Clear a spacious area for assembly.
- Lay out all components on a soft, clean surface to prevent scratches.
- Identify all parts and hardware using the provided list.
- Have necessary tools ready (e.g., screwdriver).

Assembly Steps:

1. Follow the detailed, numbered instructions included in your product packaging.
2. Attach the main structural panels using the provided hardware.
3. Install the shelves and cabinet doors.
4. Carefully insert the 36-inch electric fireplace into its designated opening.
5. Connect any LED lighting components as instructed.
6. Ensure all connections are secure before moving the unit.

750W/1500W

FLAME

Adjust 12 fireplace lights & brightness

DISPLAY

Image: The control panel on the fireplace unit, detailing its functions.

- **Power On/Off:** Press the **ON/OFF** button to turn the fireplace on or off.
- **Flame Colors:** The fireplace offers 12 flame colors. Use the **FLAME** button to cycle through the options. Long press the flame button for 3 seconds to adjust the brightness (5 levels).
- **LED Backlight/Light Strip:** The unit includes 12 colors for the LED backlight and light strip. Refer to the specific controls for these features, typically integrated with the flame color or a separate light button.
- **Heat Settings:** Select between 750W and 1500W heat output using the **HEAT** button. The fireplace provides 5001 BTU powerful heat output.
- **Temperature Control:** Adjust the desired room temperature from 60°F to 99°F using the **TEMPERATURE** buttons.
- **Timer Function:** Set an automatic shut-off timer from 0 to 9 hours using the **TIMER** button.
- **Overheating Protection:** The fireplace is equipped with an overheating protection device for safety.

Image: The TV stand demonstrating the 12 color LED lights that can be used to match room ambiance.

Storage Features:

The TV stand offers ample storage space for media devices, gaming consoles, DVDs, and other accessories.

- **Open Shelves:** Ideal for displaying decorative items or housing frequently used electronics.
- **Closed Cabinets:** Provide concealed storage to keep your living space tidy.

LARGE STORAGE SPACE

Open shelves and side cabinets offer storage for your electronics, books, DVDs, and more.

MAINTENANCE

Regular maintenance will help keep your YISUFO TV Stand and Electric Fireplace in optimal condition.

- **Cleaning the Stand:** Wipe surfaces with a soft, damp cloth. Avoid harsh chemicals or abrasive cleaners that could damage the finish. The mirror craft door is designed for easy cleaning.
- **Cleaning the Fireplace:** Ensure the fireplace is unplugged and cool before cleaning. Use a soft, dry cloth to wipe the exterior. Do not spray liquids directly onto the unit.
- **Dusting:** Regularly dust all surfaces, including the interior of open shelves, to prevent buildup.
- **Inspecting Connections:** Periodically check all screws and connections to ensure they remain tight. Retighten if necessary.

TROUBLESHOOTING

If you encounter issues with your YISUFO TV Stand or Electric Fireplace, refer to the following common solutions:

Problem	Possible Cause	Solution
Fireplace does not turn on.	Not plugged in; power outlet issue; main power switch off.	Ensure the power cord is securely plugged into a working outlet. Check the main power switch on the fireplace unit.
No heat output.	Heat function not activated; temperature set too low; overheating protection activated.	Press the HEAT button on the remote or control panel. Increase the desired temperature. Allow the unit to cool down if overheating protection has been triggered.
Remote control not working.	Dead batteries; obstruction; remote out of range.	Replace batteries in the remote. Ensure there are no obstructions between the remote and the fireplace sensor. Operate the remote within the recommended range.
LED lights not functioning.	Loose connection; power issue.	Check all LED light connections. Ensure the unit is receiving power.

If the problem persists after attempting these solutions, please contact YISUFO customer support for further assistance.
