TECKNET TK-HS022

TECKNET TK-HS022 Wireless Bluetooth Headset User Manual

Model: TK-HS022

INTRODUCTION

Thank you for choosing the TECKNET TK-HS022 Wireless Bluetooth Headset. This headset is designed to provide clear audio communication and comfortable wear for extended periods, making it ideal for remote work, call centers, trucking, and general use. It features advanced Bluetooth V5.2 technology, a noise-canceling microphone, and a long-lasting battery.

PACKAGE CONTENTS

- TECKNET TK-HS022 Wireless Bluetooth Headset
- USB Dongle
- USB-A to USB-C Charging Cable
- User Manual

PRODUCT OVERVIEW

Figure 1: TECKNET TK-HS022 Wireless Bluetooth Headset with its USB dongle and a smartphone, illustrating its dual connectivity capability.

Figure 2: Close-up of the headset highlighting its adjustable headband, USB-C charging port, and comfortable earmuffs designed for extended wear.

Figure 3: The headset featuring a 270-degree rotatable microphone for flexible positioning and an easily accessible mute button.

Figure 4: A diagram illustrating the location and function of the headset's control buttons, including volume, power, multifunction, and mute.

SETUP AND PAIRING

1. **Power On:** Slide the On/Off switch to the "On" position. The indicator light will flash, indicating it's in pairing mode.

2. **Pairing with Bluetooth Device:**

   - On your device (PC, MacBook, smartphone, tablet), enable Bluetooth.
   - Search for "TK-HS022" in the list of available devices.
   - Select "TK-HS022" to connect. The indicator light will turn solid blue once connected.

3. **Dual Connection:** The headset supports connecting to two devices simultaneously. After connecting to the first device, put the headset back into pairing mode and connect to the second device. The headset will maintain connection with both.

4. **Using USB Dongle:** For devices without Bluetooth or for a more stable connection, plug the provided USB dongle into a USB port on your computer. The headset will automatically connect to the dongle.

OPERATING INSTRUCTIONS

Call Management

- **Answer/End Call:** Press the Multifunction Button (MFB) once.
- **Reject Call:** Press and hold the MFB for 2 seconds.
- **Mute Microphone:** Press the Mute button on the microphone arm. Press again to unmute.
- **Redial Last Number:** Double-press the MFB.

Audio Control

- **Volume Up:** Press the "+" button.
- **Volume Down:** Press the "-" button.
- **Next Track:** Press and hold the "+" button.
- **Previous Track:** Press and hold the "-" button.
- **Play/Pause:** Press the MFB once.
- **Equalizer Mode:** Press the MFB three times to cycle through different equalizer modes.

Microphone Adjustment

The microphone arm is 270° rotatable. Adjust it to your preferred position for optimal voice pickup. The noise-canceling microphone suppresses up to 96% of environmental noise for clear communication.

CHARGING

The headset is equipped with a long-lasting battery. To charge, connect the USB-A to USB-C charging cable to the headset's USB-C port and a power source (e.g., computer USB port, USB wall adapter). The indicator light will show charging status.

- **Charging Time:** Approximately 1.5 hours.
- **Music Playback:** Up to 50 hours.
- **Talk Time:** Up to 40 hours.
- **Standby Time:** Up to 720 hours.

Figure 5: Visual representation of the headset's impressive battery life, including talk time, music time, charging time, and standby duration.

MAINTENANCE AND CARE

- Clean the headset regularly with a soft, dry cloth.
- Avoid exposing the headset to extreme temperatures, humidity, or direct sunlight.
- Do not attempt to disassemble or modify the headset, as this will void the warranty.
- Store the headset in a cool, dry place when not in use.

Troubleshooting

Problem	Solution
Headset does not power on	Ensure the headset is fully charged.
Cannot pair with device	Make sure the headset is in pairing mode (flashing indicator light). Ensure Bluetooth is enabled on your device and "TK-HS022" is selected. Try restarting both devices.
No audio or poor audio quality	Check volume levels on both the headset and your connected device. Ensure the headset is properly connected. Try reconnecting or pairing again.
Microphone not working	Ensure the microphone is not muted. Check microphone settings on your connected device.
