JEAREY A045-015

JEAREY Patio Dining Chairs (Set of 4)

Model: A045-015

Instruction Manual

INTRODUCTION

Thank you for choosing JEAREY Patio Dining Chairs. This manual provides essential information for the safe assembly, operation, maintenance, and care of your new outdoor chairs. Please read these instructions carefully before assembly and retain them for future reference.

SAFETY INFORMATION

- Ensure all parts are present and undamaged before assembly. Do not use if any parts are missing or broken.
- Assemble the chairs on a soft, clean surface to prevent scratches.
- Do not fully tighten screws until all components are loosely assembled.
- Keep children and pets away during assembly.
- Do not exceed the maximum weight capacity of 330 lbs per chair.
- Periodically check and re-tighten all fasteners to ensure stability.

PACKAGE CONTENTS

Your package should contain the following components for each chair:

- Chair Frame (pre-assembled sections)
- Seat and Backrest Fabric (Textilene)
- Adjustment Rod for Backrest
- Assembly Hardware (screws, washers, Allen wrench)
- Assembly Guide (this manual)

SETUP (ASSEMBLY INSTRUCTIONS)

Assembly is required for these chairs. The process is designed to be straightforward and can typically be completed within 15 minutes per chair with the included tools and detailed instructions.

Step-by-Step Assembly Guide

1. **Step 1: Attach Frame Sections (20% complete)**

Prioritize attaching screws to the lower holes of the rod. **Do not tighten the screws thoroughly at this stage.** Leave them loose to allow for adjustment.

2. **Step 2: Secure Seat Fabric (50% complete)**

Flip the seat over to the front and fix it with screws through the holes of the rod. Again, do not fully tighten yet.

3. **Step 3: Install Backrest Adjustment Rod (80% complete)**

Install the adjustment rod of the backrest into the corresponding hole.

4. **Step 4: Final Tightening (100% complete)**

Once all parts are correctly aligned and loosely assembled, fully tighten all screws to secure the chair structure.

1 Person

75%
PRE-ASSEMBLY

STEP 1 20%

Prioritize attaching screws to the lower holes of the rod, **but do not tighten the screws thoroughly**

STEP 2 50%

Flip the seat over to the front and fix it with screws through the holes of the rod

STEP 3 80%

Install the adjustment rod of the backrest into the corresponding hole

STEP 4 100%

Fully tighten all screws

OPERATING INSTRUCTIONS

These patio dining chairs are designed for comfortable outdoor seating. Their ergonomic inclined backrest and spacious 20-inch wide seat provide a relaxing experience for dining or leisure.

- **Usage:** Position the chairs on a flat, stable surface. They are suitable for various outdoor environments such as lawns, gardens, decks, and poolside areas.
- **Stackable Design:** For convenient storage, especially during off-season or when not in use, these chairs are designed to stack neatly. This feature helps save space.

MAINTENANCE

To ensure the longevity and appearance of your JEAREY Patio Dining Chairs, follow these maintenance guidelines:

- **Cleaning:** The breathable, quick-drying mesh fabric (Textilene) is easy to clean. Wipe down the fabric and powder-coated steel frame with a damp cloth and mild soap. Rinse thoroughly with water and allow to air dry. Avoid harsh chemicals or abrasive cleaners.
- **Weather Resistance:** The chairs are crafted from weather-resistant fabric and a powder-coated steel frame, making them suitable for outdoor use in various seasons. However, for extended durability, consider storing them indoors or covering them during extreme weather conditions.
- **Stability Check:** Periodically inspect all screws and connections. Re-tighten any loose fasteners to maintain the chair's stability and safety.
- **Floor Protection:** The non-slip rubber pads on the chair feet are designed to protect your floors from scratches. Ensure these pads are intact and clean.

TROUBLESHOOTING

Here are solutions to common issues you might encounter:

- **Chair feels wobbly after assembly:** This is usually due to screws not being fully tightened. Ensure all screws are tightened evenly and securely after the chair is fully assembled and placed on a flat surface.
- **Difficulty aligning holes during assembly:** Loosen all screws slightly more. This provides extra play to align components. Once aligned, insert all screws loosely before tightening them fully in the final step.
- **Fabric appears stained or dirty:** Refer to the cleaning instructions in the Maintenance section. For stubborn stains, a soft brush with mild soap and water can be used, followed by thorough rinsing.
- **Scratches on floor:** Check the rubber pads on the chair feet. If they are missing or damaged, contact customer support for replacements.

SPECIFICATIONS

Feature	Detail
Brand	JEAREY
Model Number	A045-015
Color	Beige
Material Type	Textilene (Fabric), Powder-Coated Steel (Frame)
Item Dimensions (L x W x H)	24.2"D x 23.6"W x 37.8"H (61.5cm D x 60cm W x 96cm H)
