Brightup FK-876

Brightup Facial Hair Remover FK-876 User Manual

Model: FK-876 | Brand: Brightup

INTRODUCTION

The Brightup Facial Hair Remover FK-876 is designed for painless and efficient removal of unwanted facial hair. Featuring a dual floating head with a curved double-ring mesh, it provides a close and comfortable shave without nicks or irritation. Its compact, USB-C rechargeable, and waterproof design makes it ideal for smooth skin on-the-go.

SETUP

Package Contents:

- 1 x Brightup Facial Hair Remover (Shimmer Pink)
- 1 x Cleaning Brush
- 1 x USB-C Charging Cable (wall adapter not included)
- 1 x User Manual
- 1 x Magnetic Protective Cover

Initial Charge:

Before first use, fully charge the device using the provided USB-C cable. Connect the USB-C end to the device and the USB-A end to a compatible power source (e.g., computer, wall adapter). A full charge provides weeks of use.

OPERATING INSTRUCTIONS

Power On/Off:

The Brightup Facial Hair Remover features a smart sensor that activates on contact with skin. Simply remove the protective cap and place the shaver head gently against your skin to begin operation. To turn off, replace the protective cap or remove the device from skin contact.

Hair Removal:

Gently glide the dual floating head with its curved double-ring mesh over the desired areas of your face, such as the upper lip, chin, cheeks, and forehead. The shaver is designed to capture and cut even the finest hairs in one stroke, ensuring a close and comfortable shave. The built-in LED light illuminates fine hairs for thorough removal.

Recommended Usage Areas:

- **Upper Lip:** Gently move the shaver in small, circular motions.
- **Chin:** Glide across the chin area, following the contours of your face.
- **Cheeks:** Use gentle, sweeping motions to remove peach fuzz.
- **Forehead:** Carefully remove any unwanted fine hairs.

For Silky Smooth Skin

First step in your beauty routine, Effortlessly use on lip, chin & cheeks

Safety Warnings:

- Always unplug the device and allow it to dry completely before use.
- Never use the shaver while it is charging.
- Be cautious when handling the shaver to avoid cuts from the sharp blades.
- Always clean and dry the shaver after use to prevent bacterial growth.
- Read all labels, warnings, and directions before using the product.

TROUBLESHOOTING

If the Brightup Facial Hair Remover is not functioning as expected, please consider the following:

- **Device not turning on:** Ensure the device is fully charged. The smart sensor activates on skin contact; ensure proper contact is made.
- **Poor hair removal:** Ensure the shaver head is clean and free of trapped hairs. The head may need to be replaced if performance degrades over time.
- **Irritation:** Ensure your skin is clean and dry before use. Avoid pressing too hard. If irritation persists, discontinue use.

For further assistance, refer to the complete user manual included in the packaging.
