SETUP

Initial Use & Charging

Before first use, remove the protective film from the earbuds. Place both earbuds back into the charging case and close the lid. This ensures they are properly seated and ready for initial pairing.

Pairing with Your Device

1. Ensure the earbuds are fully charged.
2. Open the charging case. The earbuds will automatically enter pairing mode.
3. On your smartphone or Bluetooth-enabled device, go to Bluetooth settings.
4. Search for "Nakamichi Elite TW150NC" in the list of available devices.
5. Select it to connect. You will hear an audio prompt indicating successful pairing.

アクティブノイズキャンセリング

ANC機能を搭載しており、電車や飛行機のエンジン音や屋外の工事など騒がしい環境中で周囲のノイズをカットします。より静かに音楽を楽しむことができます。

OPERATING INSTRUCTIONS

The Nakamichi ELITE TW150NC earbuds feature intuitive touch controls for various functions. Refer to the table below for detailed operations.

End Call	Double tap L/R
Reject Call	Press and hold L/R for 2 seconds
Switch Modes (Music/Ambient/ANC)	Press and hold L/R for 2 seconds
Voice Assistant	Quadruple tap L/R

Understanding Modes

Your earbuds offer three distinct listening modes:

- **Active Noise Cancelling (ANC) Mode:** Reduces external noise for an immersive audio experience.
- **Ambient Sound Mode:** Allows you to hear your surroundings while enjoying audio, enhancing situational awareness.
- **Music Mode:** Standard audio playback without active noise cancellation or ambient sound enhancement.

Switch between these modes by pressing and holding either earbud for 2 seconds.

Video: This short video demonstrates the sound prompts for power on/off, Bluetooth pairing, ANC mode, Ambient Sound mode, Music mode, volume adjustment, and low battery notifications.

KEY FEATURES

Active Noise Cancelling (ANC)

Equipped with high-performance Active Noise Cancelling technology, these earbuds effectively reduce low-frequency noise such as train or airplane engine sounds or air conditioner hum by approximately 35dB. Enjoy music more quietly even in noisy environments like moving vehicles. *Note: Not all noise will be eliminated.*

Image: Active Noise Cancelling feature with 35dB reduction.

Ambient Sound Mode

The ambient sound capture function allows you to hear surrounding sounds while wearing the earbuds. This enables you to easily take in ambient sounds without pausing music or removing the earbuds, maintaining situational awareness and allowing natural conversations.

Image: User experiencing ambient sound mode in an urban environment.

High-Quality Sound Experience

These wireless earbuds feature 10mm dynamic drivers that reproduce rich and powerful mid-low frequencies, along with clear and vivid vocals, offering excellent overall balance. The in-ear design provides high sealing, making the bass range feel richer and more powerful, ensuring clear sound quality with high musical reproduction across various genres.

Image: Illustration of the 10mm dynamic driver for rich sound.

Clear Hands-Free Calling

The earbuds utilize high-performance noise-cancelling microphones and call microphones to reduce noise during calls, ensuring clear voice quality regardless of your surroundings. Enjoy the convenience of hands-free calling, even when your smartphone is in your bag or when you are busy with other tasks.

Image: Hands-free calling with clear audio.

Extended Playback Time

The earbuds provide approximately 5 hours of playback on a single charge (at 100% volume with ANC mode on). Combined with the 300mAh large-capacity battery in the charging case, you can achieve up to 15 hours of total playback. This extended battery life ensures you can enjoy music and calls with less worry about charging during commutes, travel, or daily activities.

ハンズフリー通話

両耳でも片耳でも、ハンズフリーでクリアな通話が可能です。高性能ノイズキャンセリングマイクを活用し、ノイズを抑えたクリアな声を通話相手に届けられる。

MAINTENANCE

Proper maintenance ensures the longevity and optimal performance of your earbuds.

- **Cleaning:** Regularly clean the earbuds and charging case with a soft, dry, lint-free cloth. Avoid using abrasive materials or harsh chemicals.
- **Eartips:** Remove eartips periodically and clean them with mild soap and water. Ensure they are completely dry before reattaching.
- **Storage:** When not in use, store the earbuds in their charging case to protect them from dust and damage.
- **Avoid Moisture:** Do not expose the earbuds or charging case to excessive moisture or liquids.

TROUBLESHOOTING

If you encounter any issues with your Nakamichi ELITE TW150NC earbuds, please refer to the following common solutions:

- **Earbuds not pairing:** Ensure the earbuds are charged and removed from the case. Turn off and on your device's Bluetooth. Try resetting the earbuds by placing them in the case, closing it, and then reopening.
- **No sound from one earbud:** Place both earbuds back into the charging case, close the lid, and then take them out again. Re-pair with your device.
- **Low volume:** Adjust the volume on both your connected device and the earbuds using the touch controls.
- **Charging issues:** Ensure the charging cable is securely connected to both the case and a power source. Check for any debris in the charging port.
- **ANC not effective:** Ensure the earbuds are properly seated in your ears with a good seal. Try different sized eartips for a better fit.

If the issue persists, please contact customer support.

WARRANTY AND SUPPORT

The Nakamichi ELITE TW150NC Wireless Earbuds come with a 1-year manufacturer's warranty from the date of purchase. This warranty covers defects in materials and workmanship under normal use.

For warranty claims, technical support, or any other inquiries, please contact our customer service team. Details can typically be found on the product packaging or the official Nakamichi website.
